## BUCKNELL DOWNS MANSFIELD IN FOOTBALL GAME

NEW MEN TRIED OUT AND MANIFEST SPLENDID FORM.

Bucknell's schedule was opened Saturday with Mansfield Normal School and resulted in a victory for the home team. Considering the weather, the outcome was very satisfactory. The work of Bucknell's line on the defensive and that of the backs on the offensive were features of the game.

Bucknell won the toss and took the kick-off. Lenhart kicking to Mansfield's five yard line. Three downs netted only four yards and the visitors punted. The punt was blocked, but Mansfield secured the ball. Two more downs only made two yards so another punt was tried. Winegardner getting the ball on the twenty-five yard line. McAllister, Kaufman, and Clark carried the ball eighteen yards, but there it was lost on downs. Mansfield could only gain six yards and then punted to Mathias. Kauffman, McAllister, and Clark gained twenty-yards, then Clark and Hayes figured in a forward pass, putting the ball within two feet of the line. McAllister carried the ball for a touch-down. After Clark kicked out to McAllister, Lenhart failed to kick the goal. Score B. U. 5—M. N. 0.

Lenhart kicked to Mansfield's ten-yard line. Only three yards were gained when they punted out of bounds. Seven plays by Bucknell carried the ball for the second touch-down. Clark failed to kick goal. Score B. U. 10—M. N. 0.

Mansfield kicked off and Lenhart advanced the ball 12 yards. Bucknell punted forty yards. Mansfield tried forward pass but Clark got the ball. Bucknell gained twenty-five yards and were then penalized fifteen for forward pass touching the ground first. Bucknell punted but Hayes got the ball. Clark gained right then McAllister scored the third touch-down. Lenhart missed the goal. Score B. U. 15—M. N. 0.

The first half ended after Lenhart had kicked to Mansfield fifteen yard line.

In the second half Mathias presented the visitors with two points by pushing a punt over the goal line. No further scoring when time was called.

## Big School This Year.

The attendance this year is a record breaker. Never before have so many been enrolled, and never have so many new students appeared. 165 new students are enrolled in the college proper, almost all of whom are Freshmen. Every room in the College, Academy and Seminary is occupied, and quite a few were turned away for want of room to accommodate them. The first floor of the new East College—all that has been finished, is filled. In the ground floor of that building are located the laboratories and class rooms for the new Electrical Engineering Course. A good number of students have already been enrolled in the new course.

## New Prep Teachers.

Miss Jennie M. Wood, '91, and Miss Florence Callaghan have taken the positions made vacant in the teaching force at the Seminary by the recent marriages of Miss Cuger and Miss Darlington. Miss Wood has been preceptress at Keystone Academy since her graduation from Bucknell, and made a very successful record there. Miss Callaghan is a graduate of the Philadelphia School of Art, and has had considerable experience as a teacher of the subject.

Homer D. Smith, '07, is the new teacher of Latin and Greek at the Academy.

## FOOTBALL PROSPECTS FOR THE 'VARSITY

OLD MEN NEVER IN BETTER CONDITION—OUTLOOK GOOD.

Seldom in the history of football at Bucknell have the prospects for a successful season been so hopeful. More adequate provisions for coaching have been made, enabling Trainer Hoskins, who in former years has had to perform the double function of trainer and coach, to devote his time entirely to that part of the work. Coach Costello, Cornell's former gridiron star, has begun his work with us, and already by his efficient methods and personality, has won the respect of the men on the field. The snap and ruck with which they enter into the work show that he is developing those qualities which were as apparently lacking in last year's team. Together with the fact that this year's entering class has supplied us with some fast backfield material, we can look forward, in the face of one of the hardest schedules ever arranged for a Bucknell team, to a season of which the school may well be proud. The work of Kauffman and McAllister show them to be men of the highest class of backs. These two with Clark of last year's team give us the fastest backfield we have had for years. On the line Edmunds' work is exceptionally fine. Considering that last year was his first in the game, we can rely on him for big things this year. Winegardner at end and Baldwin at tackle also are doing good work.

Below is the Bucknell football schedule for this year.  
Sept. 21.—Mansfield Normal at Lewisburg.  
Sept. 28.—Gettysburg at Lewisburg.  
Oct. 5.—University of Pennsylvania at Philadelphia.  
Oct. 12.—Princeton at Princeton, N. J.  
Oct. 19.—Carleton Indians at Carleton.  
Oct. 26.—Western University of Pennsylvania at Pittsburg.  
Nov. 2.—Syracuse at Syracuse, N. Y.  
Nov. 9.—Lafayette at Easton.  
Nov. 16.—Dickinson at Lewisburg.  
Nov. 23.—Sophomores vs. Freshmen at Lewisburg.  
Nov. 28.—Washington and Lee at Lynchburg, Va.

## CUPID VERY BUSY AMONG BUCKNELLITES

25 FORMER B. U. STUDENTS ENTER MATRIMONIAL REALM.

Wedding bells were ringing almost continually this summer for Bucknellites. From commencement time until as late as last week a steady procession of instructors, graduates and former students kept marrying persons hardly engaged in tying knots and the mirth heavy with invitations and announcements. As usual, there was the "warmed last fall" announcement sprung upon a surprised body of friends, who had been kept in the dark about the affair until summer. The amount, however, was furnished in the ebullience of a former Academy student. Most of the weddings were of the good, old-fashioned, regular kind, with music and flowers and invited guests, and all carried off happily, so the Orange and Blue has been informed.

One of the swiftest of the funerals was the marriage of a former editor of this publication—Edgar Traft Stevenson, '94, to Miss Marie Bradock, '05, at the bride's home, Mt. Pleasant, Pa. The event occurred on Tuesday, June 25, and was followed by a short tour, after which the couple repaired to their future home in Franklin. Mr. Stevenson is city editor of the Franklin News, and is making a great success of the newspaper profession. The marriage is the culmination of a courtship begun while they were students in college. In Bucknell, while in school both were very prominent socially. Mr. Stevenson is a member of Phi Kappa Psi fraternity, and Mrs. Stevenson of Phi Beta Phi.

Two of the instructors in the institute ended their careers as teachers by taking up careers as wives. One of these was Miss Wilhelmina Darlington, Inst., '90, who on June 25 was wedded to Mr. Lelloy T. Butler, '07, at the home of the bride's parents in Lewisburg. The ceremony was performed by the Rev. W. E. Thomas, pastor of the Presbyterian church, and was attended by many friends of the couple. Mr. Butler is engaged in the banking business, and for several years has been connected with the Union National bank of Lewisburg. Mr. and Mrs. Butler reside on North Third street.

The other institute instructor to wed was Miss Mary Cuger, '02, who on June 21, immediately after commencement, became the wife of Mr. John W. McCracken, also '02. Only the immediate relatives of the couple were present at the ceremony, which was performed at the home of bride by Rev. John Sherman, '00, of Danville. Mr. McCracken is a rising young lawyer of Clearfield with a rapidly growing practice.

Mr. John S. Stephens, '01, took unto himself a bride in the person of Miss Sadie Golden, of Harrisonville, Va. Mr. Stephens has been employed in Virginia and the Carolinas for the past few years by the American Lead Pencil Co., and it was during his travels in this capacity that he met Miss Golden. The latter is a charming and very popular Virginia belle. The marriage was witnessed by Gertrude and Mary Stephens, sisters of the groom, and by the groom's father, Dr. Lelloy Stephens, who assisted in the ceremony. The couple will make their home in Richmond, Va.

A surprise was created among a number of Bucknell people during the summer by the announcement that Mr. Chas. D. Cooper, '05, and Miss Cottie Albright, '05, had been married last November. Just why the couple should keep their marriage a secret has not been discovered, but keep it a secret they did, and so those

oughtly that not even their most intimate friends even suspected the true state of affairs. The two reside in Millersville, where Mr. Cooper is engaged as a professor in the Millersville Normal School.

Announcement was recently made of the marriage with elaborate ceremonies of Miss Amy Gilbert, Muskegon, and Dr. C. E. Allison, both of Blyburg.

Two Bucknell alums to marry were Mr. L. C. Hybert, '05, and Miss Frances Race, '02. The happy event occurred in Philadelphia on June 26, and was solemnized by Dr. Perkins, president of Lehigh University, at which institution Miss Race was an instructor for several years. Until Mr. Hybert completes his theological course at Crozer the couple will reside in Chester.

Another pair of alums together decided to try conclusions together were Miss Nellie M. Goddard, '05, and Prof. Anthony Steinhilper, '05, an instructor in the Academy. The wedding was celebrated in the Chester Avenue Baptist church, Philadelphia. After spending the summer at Island Heights, N. J., Mr. and Mrs. Steinhilper will make their home in Lewisburg. This wedding, like several of this summer's, is the outcome of a friendly begun in college.

Among other wedding announcements might be mentioned those of Thos. Evans, '01, to Miss Helen H. Harrison, of Pittsburg; Miss Anna M. Gleibert, '08, to Mr. Benjamin R. Strong, on June 18; Mr. Andrew J. Sherwood, '00, to Miss Anderson, an Allegheny graduate. They will reside in Union City; Miss Alice G. Bush. Continued on 2d page.

## THE CLASS RUSH ON SATURDAY MORNING

NEW PLAN WORK WELLED AND THE FRESHMEN WIN.

The annual Freshman-Sophomore rush took place on Saturday morning at 8.15. Long before the rush began, students and townfolk commenced to assemble until about 8.30 when the hill and athletic field presented the appearance of a regular athletic contest.

Indeed, it was a contest. At a pistol-shot fired by Snively, '07, who acted as official, the two classes each lined up ten yards from the center line, rushed together and amid the yells and cheers of the upper classmen, clashed with each other. After the first onset the struggle was hand to hand, each combatant grappling his opponent and struggling to drag him over the line.

Altho the Sophs. were outnumbered about two to one, they fought faithfully and hard, making the struggle extremely interesting and exciting.

The fray is limited to twenty-five minutes duration, but before the closing shot was fired by the official, not a man was to be found on the Freshman side of the gridiron. The Freshmen were, accordingly, declared the victors in the 1907-1908 rush.

## Student's Work Praised.

From the Honeybrook Graphic the Orange and Blue clips the following concerning one of the Seniors: "The map of the town, drawn by Luther Piersol, a student at Bucknell University, but a Honeybrook boy all the same, is one of the finest specimens of that class of work to be found. There are few of our sister boroughs that can boast of maps so skillfully executed."

A bigger and better Orange and Blue this year.

## BUCKNELL'S NEW FOOTBALL COACH

A SHORT SKETCH OF J. H. COSTELLO, NOW IN CHARGE.

"The football schedule is too difficult for a school of this size," said the new football coach, J. Harry Costello, when interviewed on the prospects for this season. "The football people at Cornell have an idea that we will get by able to weather out the season. They say that the schedule we are playing would make one of the big six sit up and take notice. But with the material that is now on the grounds I believe we can make a favorable showing. It all depends on how we come out after the three big games in the first part of the season."

The new coach talked very interestingly about football here and elsewhere, and when he talks football he knows whereof he speaks, for on the gridiron he is at home. He comes here with a rich and varied experience both as a player and as a coach and observer of games. Already he has instituted a number of reforms in the Bucknell game, and from the present outlook he is going to get all out of the players that there is in them.

Mr. Costello began his football career a number of years ago in Elmira, as tackle on the Elmira Free Academy team. Leaving Elmira, he went to Mercersburg Academy for a year, where he played tackle on the Mercersburg eleven. After graduation at Mercersburg Mr. Costello, who by this time had attracted considerable attention by his excellent playing, went to Cornell, making the Cornell eleven the first year. For four years he played on the Cornell team, most of the time as tackle, but for a short interval as a back. In his Senior year he was elected captain of the Cornell team and put up a striking quality of play that was a fitting climax to a fairly long and successful career as a college football player.

It was in 1906 that Costello graduated from the big York State University. He was immediately engaged by the football authorities there as an assistant coach, and as such made a good record. One of his duties was to go out and size up each of Cornell's rivals before Cornell met them, in this way bearing much of the work and strong points of the adversaries, so that the home team could prepare especially to meet them. In this capacity the coach has witnessed games by all of the better teams, and thus has become thoroughly saturated with the game as it is played up-to-date.

Mr. Costello urges that in the game as now played head work is the important thing. "Brawn is all right in its place," he went on, "and much to be desired, but the man who uses his wits outplays the fellow who depends on his muscle alone, every time." He insists on the scientific game always, and the result of his teaching on the game will be watched with great interest by all the Bucknell students and alums.

Personally, Mr. Costello is a very pleasing man. He has proved very popular with the boys, who recognize in him a thoroughly efficient as well as perfectly impartial leader. Rather short in stature and stockily built, he weighs about 205 pounds. He is young yet, being only 27, and has a prominent future as a football coach.

## New Clock Decided Improvement.

The new clock on West College is a decided improvement. It looms up very prominently at night when it is illuminated.

GREETING.

With this, the first issue of the Orange and Blue, we ask our readers to criticize any mistakes that may be found, and solicit their support in correcting our defects or shortcomings during the ensuing collegiate year. We shall put forth our best efforts to make the Orange and Blue a typical college paper, and promise our readers some things, at least, that will interest them.

Our paper is read by three different classes of readers—undergraduates, alumni, and friends of the University. It is this fact that renders our task difficult; for the taste of each of the three classes is different. While college news in general is interesting to all of them, the items and subjects that please one class may not appeal to another, and vice versa.

Accordingly, it is our desire to publish a clean, cosmopolitan, college paper. We wish to keep in as close touch as possible with the various activities and movements that are taking place among us. More than that, we want not only to record these things, but also to further in our feeble way any policy or project that is right and expedient, and that subserves the best interests of our Alma Mater.

To do this, readers, we need your support. We cannot be everywhere. It is impossible for our limited number to be attendant upon every function that might take place. Now we ask you to aid us to secure the important information in and about the college, with which the two inch extension in the length of our paper.

Finally, we are not proof against mistakes. Like all mortals, we are destined to commit blunders. These you will kindly pardon and help us to correct. Any suggestions, communications, or the like, will be gladly received and given prompt attention, together with one dollar for a year's subscription to the Orange and Blue.

THE CLASS RUSH.

The class rush was especially interesting this year, because it was conducted on an entirely new plan. Heretofore, it was fought on the Hill. The Sophomores would form in front of West College and then pour down upon the Freshmen who marshalled at the foot of the Hill would advance to meet them. The object of the scrap was to hold the hill and keep the opposing class from scaling it.

That method was very unsatisfactory for several reasons. There was first of all no definite objective point to be gained. In nine out of ten cases, there always arose a dispute as to which of the classes was really the victor.

Again, the annual rush as formerly conducted, was dangerous. The wretches would tussle about the hard gravel walk and the stone steps and drains in the foreground of West College, and often sustain injuries from falling or stumbling on these hard structures. The terraces would also be cut up, and the grass on them destroyed. None of these objectionable features are found in the new plan for conducting this traditional conflict.

Just one precaution, however, should be taken in holding future rushes, to wit, the by-standers should be made to stand back out of the way of those engaged in the scrap. Too many fellows crowded in on the field in Saturday's rush. Ropes should be stretched and fellows appointed to keep all spectators outside the limits marked out.

Bucknell's New Professor.

After an absence of four years since his graduation from Bucknell in 1903, Walter Kremer Rhodes, A. M., E. E., has returned to his Alma Mater to serve as instructor in electricity. While attending Bucknell, Mr. Rhodes took the civil engineering course. This he followed up by accepting a position in the engineering department of the Pennsylvania Railroad, and later with the Westinghouse Electrical Manufacturing Company, in their electrical plant. By persistent and hard work he was enabled to graduate this June from the engineering school of the University of Michigan, with the degree of E. E.

Not only has Professor Rhodes had considerable experience in the electrical line, but he has also gained no little experience as a teacher, since he taught in the public schools for over four years after his graduation from the Cumberland Valley Normal School, and for a time was assistant principal in a county normal school in the State.

As a student, Mr. Rhodes was always a very popular and able man, and it is certain that he will prove a popular as well as efficient teacher.

The Gettysburg Game.

Great preparations are being made for the Gettysburg game next Saturday. This game will, of course, be the best played here this season, so that a large crowd is expected. To accommodate them a row of bleachers will be erected on the side of the field next to the railroad. The football authorities are anticipating the event very widely this week, and a large crowd is expected from Milton, Sunbury, Williamsport, and other nearby towns.

Coch Cusack says this week will be a week of hard work for them. Daily scrimmages will be the order. By next Saturday the eleven will display considerably better team work than on last Saturday, although the work on Saturday is not to be criticized. The Gettysburg team this year is believed to be a little weaker than their last year's team, so that the local boys have a good prospect of winning out and evening up for last year's defeat. Selby, Brumbaugh, and Lammert, three of Gettysburg's stars are out of the game through graduation. These men constituted the backbone of the team that represented Gettysburg here last year. With a better local eleven it surely does look good for Bucknell.

The College Bible Class.

In the College Bible Class a new departure was made in offering the course as a minor with University credit. The lecture was a preliminary discussion concerning the Higher Criticism. The questions of Higher Criticism are especially attracting public attention because of the recent discoveries in the Orient. Higher Criticism is an old science and asks concerning a book or document four questions: 1. Who is its author? 2. What is its date? 3. Under what circumstances was it written? 4. For what purpose?

The subject at the Way of Life Meeting was How to Meet Temptation, namely by continuous and energetic doing of positive duties. Miss Young sang a very pretty solo.

## THE SEMINARY.

Miss Florence Street, of Braddock, visited in the Sem. during the week. Miss Margaret Ryan, of Ashbury Park, N. J., spent the first few days of the term with her sister, Miss Kathryn Ryan, 11.

May Stanton, 97, visited in the Sem. on Sunday on her way to New Haven where she is to be located as teacher this year.

Miss Jones, 98, who has been detained at home on account of a sprained foot, returns today (Monday) to resume her studies.

Mr. R. R. Hoffman, of Frederickburg, Va., accompanied his sister, Miss Ruby Hoffman, to the sem. during the past week.

Mrs. J. G. Strasser, of Reno, Pa., spent Wednesday night in the Sem. having brought her daughter, Miss Ethel Strasser who is among the new students at the institute.

Rev. Spencer B. Meier, 75, and Mrs. Meier, of Detroit, Michigan, accompanied their daughter, Miss Meier to Bucknell where she will enter as a student in the institute.

Anne Galbraith, 97, of Williamsport, spent Friday night in the Sem. en route for D. Hall, Florida, where she is to be located this year as instructor in French at the John B. Stetson University.

Mrs. G. D. Hoffman and Mrs. W. W. Housley, of New York, Pa., accompanied their daughters, Miss Hoffman and Miss Bertha Housley, respectively, to the institute where they are entering upon their studies this fall.

The annual reception given by the Bucknell Y. M. C. A. to the new girls was held in the Sem. parlors and schoolroom Saturday evening. The attendance was larger than ever before and the reception proved in every way a success.

The Seminary register boasts of a larger enrollment than ever before of Institute and College Women. Every room in the institute and college buildings have been taken up by the new students already in the dining room.

Miss Doris Whitney, of Grafton, N. Y., niece of Miss Emma L. Rich, president of the institute, is a new student this year in the institute. Miss Whitney visited the Sem. with her mother last year and was much pleased with the place.

**Y. M. C. A. Reception.**  
The opening reception was held in the Y. M. C. A. rooms Saturday evening between eight and ten o'clock. A large attendance of new and old students was present, but the old students did not turn out in very strong numbers. The reception was thoroughly enjoyed by all present.

After spending an hour in getting acquainted, those present settled themselves while the speakers on the evening held forth. The first speaker was Registrar Gretzinger, Jr., who captured the boys at once with his genial manner and pleasing words. From time to time he was heartily applauded, as he appealed to the loyalty of the boys toward their Alma Mater and gave them some timely advice concerning their studies during the years before them. His humorous reminiscences amused his auditors considerably.

Prof. Owens spoke on the advantage of developing the moral as well as the mental sides of one's nature. His address was a straightforward talk that struck deep and made for itself a permanent place in the hearts of those who heard it. He was followed by Prof. Lindemann, who gave the new boys a heart to heart talk on the new life that was before them and how they were best to meet it. He impressed upon the boys the importance of being natural, "the honest and true to yourselves and your fellows," he urged. Very fine refreshments were then dispersed, and the reception brought to a close.

Miss Hannah Hubb, of the Institute, is entertaining at her home the Misses Penn, Carback, Walsh and Danahy, of Buffalo, N. Y.

## BUCKNELL DEFEATS

GETTYSBURG, 60

**CLEVER PLAY IS SMOOTHLY EXECUTED—KAUFFMAN'S SPEC-TACULAR ADVANCE.**

In the first hard game of the season, Bucknell gained a well earned victory over Gettysburg last Saturday by the score of 5 to 0. It was a well played game throughout. Although no score was made in the first half, the honors went to Gettysburg, who continually gained first down through the line. In our line only did Bucknell excel. Clarke's punting saved her time and time again. In the second half, however, matters were different. Bucknell was always on the offensive. By playing a punting game Gettysburg was soon put in hard straits.

With only five minutes to play, Mar-tyr Clarke and Kaufman figured in a forward pass that proved to be the decisive point in the game. When the ball for a second time was close to Bucknell's line, Matias passed it behind him to Clarke, who tossed it forward to Kaufman. The tall right half back then by a sensational dash brought the pigskin within five yards of the goal line. Lenhart completed the play by carrying it over for a touchdown.

For Gettysburg Lantz played a sur-gary. The way in which he handled the numerous punts and ran them back was a feature of the game. Weimer's work was also exceptional. By frequently being went through Bucknell's line for ten and once for fifteen yards.

For Bucknell Kaufman's work deserves mention. The vision of Coach Costello in keeping Lenhart to cap fresh for the second half, proved itself, for he played havoc with Gettysburg's plays when he did go in. He replaced McAllister, who went into the game with a sore leg. Captain Niple played a strenuous game until he was almost completely exhausted in the second half, when Matias took his place.

The outcome was very satisfactory for Bucknell. As it was the first really hard game, it gave a good opportunity to pick out some of the weak points, in which the team will be thoroughly drilled during the coming week.

The lineup: Bucknell. McClure . . . left end . . . Wingardner Snyder . . . left tackle . . . Baldwin Blume . . . left guard . . . Edmond Chamberlain . . . center . . . Snyder Jenkins . . . right guard . . . Piersol Swartz . . . right tackle . . . O'Brien Topper . . . right end . . . Hayes Lantz . . . quarterback . . . Niple (Matias)

Weimer . . . full back . . . McAllister (Lenhart)

Himes . . . left half back . . . Clark Pownall . . . right half back . . . Kaufman Touchdown. Lenhart. Umpire, McCarty. Germantown. Referee, Hackett. West Point. Field Judge, Lowry. Haverford. Linesman, Meyers. Halves, 25 and 20 minutes.

A summary of the standing of the Colleges with which we play is here with given, so far as it is possible to obtain it, from Saturday's scores:

Score. Bucknell vs. Gettysburg . . . 5-0 Lafayette vs. Wyoming Sem. . . 22-0 Calisile vs. Villa Nova . . . 10-0 U. of Pa. vs. U. of N. C. . . 37-0 Dickinson vs. West. Maryland 6-0

The percentages are 1000 for all the foregoing Colleges excepting Gettysburg, which has a percentage of 500, having lost to Bucknell and having won from Steelton, Sept. 21, by a score of 17-0.

## The College Bible Class.

Dr. Harris gave the second of his lectures on the "Genesis of the World History," to the College Bible Class yesterday morning. He confined his talk to "The Purpose of Genesis." He showed that the purpose of the book of Genesis is not to teach history, although parts of it are real history taken from the public records. This element of history, together with the traditions and fables narrated, is so effectively teach the moral truth which the writer wished to pronounce. The Scriptures are not a chronology of facts—objective history, but like our primitive history, the subjective history, revealing the developing character of primitive people. In short, in the study of Scripture we must always keep in mind its purpose: to teach imaginative people in the most effective way, "doctrine, reproof, and instruction in righteousness, that man may be perfect in character."

Divine revelation is not a millitary order book nor a code of religious etiquette; but a special, direct revealing of moral truth and good.

## Preparations for U. of Pa. Game.

Efforts are being made to work up a big crowd of alumni for the U. of Pa-Bucknell game at Philadelphia on Saturday. Registrar Gretzinger will send out notices concerning the game to all Bucknellites in Philadelphia and vicinity. Arrangements will also be made if possible to have the Bucknell people sit in the same section. Alumni and friends in purchasing tickets, will please ask for seats in the Bucknell section.

**Getzinger Delivers Address.**  
Registrar Gretzinger delivered an address before the Baptist Union People's Union last Thursday evening in Williamsport. He selected as his subject "An Education—How to Get It," and discussed the subject in his usual pleasing and effective manner.

## UNIV. OF MICHIGAN

TO AWARD "KEYS"

BIG UNIVERSITY AT LAST ADMITTED TO THE ROLLS OF PHI BETA KAPPA.

Although in enrollment of students one of the greatest of the institutions for higher education in this country, it will not be until next spring that the students of the University of Michigan will have the right to wear the golden key with the seven stars which betokens scholarship and membership in the society of the Phi Beta Kappa; for it was only last week, at the triennial council of the society, held at William and Mary College, in Virginia, that a charter was granted for a chapter of the society at the Wolverine institution.

Seven other institutions petitioned for the charter, but only six received approval. The other institutions which will for the first time during the college year of 1907-08 have the privilege of electing members to the "honorable society of scholars" are the University of Virginia, Tulane University, at New Orleans; Franklin and Marshall College, Iowa College, and Ohio Wesleyan University.

At the business meeting on September 12 Professor Gruenewald was chosen president for the next three years. The Rev. Mr. Voorhees secretary and treasurer, and Col. John J. McCook, of New York, who has been president of the New York Alumni Association was unanimously elected.

The Phi Beta Kappa stands for scholarship and is an excellent fraternity of national standing. It is to be hoped that in the near future Bucknell may have the rare privilege of presenting the "Keys" to her eligible students.

**BRIEF SKETCH OF CAREERS OF EX-SENATOR MITCHELL, '63, AND REV. PELTZ, '57.**

John I. Mitchell, ex-'63, United States Senator from 1881 to 1887, and later a member of the Superior Court of the State, died at his home at Wellsboro, August 29, aged 62 years. He resigned his place in the Superior Court in 1892, because of his health failing, and went upon his retired list. He had since that time been an invalid and confined to his house. His term as Judge would have expired in 1916, and until that time he would have received half pay from the State.

John I. Mitchell's political and personal career was unique. He was large of figure, well-proportioned, as men go, a fine-looking specimen of manhood. He was not brilliant, but managed in his cool, easy, determined way to climb the ladder of fame and honor from a county district attorney, to Representative in the Legislature, State Senator, Representative in Congress and then United States Senator. Mr. Mitchell's record in the United States Senate was not unblemished, and he retired at the end of his term to be succeeded by Colonel Quay. After his retirement from the Senate, Mr. Mitchell was elected Judge of the County.

Judge Mitchell served in the Union Army during the war, reaching the rank of captain of the 136th Pennsylvania Regiment. He then completed his law duties, and was admitted to the bar of Tioga County in 1864. He was elected to the State Legislature in 1871, serving until 1876. In 1876 he was elected to the lower house of Congress, in which he served two terms.

John I. Mitchell's sterling integrity and steadfastness of purpose stand him well in the stormy times in politics in which he was the chief figure. As Chairman of the Ways and Means Committee of the lower house of the Legislature he won a reputation for straightforwardness that no doubt had much to do with landing him in the United States Senate.

**Rev. George Peltz Dead.**  
On Friday evening, August 16, Rev. George A. Peltz, 57, after a brief illness, passed away at his home, No. 1921 North Twentieth street, Philadelphia. Deceased was 74 years old, and was widely known in religious circles, having been associated for 15 years with Rev. Russell H. Conwell in the pastorate of Grace Baptist church, Philadelphia.

Dr. Peltz was a native of Philadelphia. He was graduated from Bucknell University with the class of 1857 and at once accepted a call to the Pilgrim Baptist church of New York, where he remained nine years, resigning to accept the pastorate of the Baptist Tabernacle, then at Nineteenth and Chestnut streets, Philadelphia. In 1872 he gave up pulpit work to become secretary of the Pennsylvania Sunday School Association, but four years later he went to Newark, N. J., as pastor of the South church. After three years in that charge he engaged in Chautauquan work with marked success for several years.

Then he returned to Philadelphia, and became associate of Dr. Conwell, but was compelled by ill health to give up active work two years ago. He did a large amount of literary work and for a long period was associate editor of the Sunday School Times. He was also presiding officer of the first international Sunday school convention, held at Baltimore in 1875.

Enthusiastic Mass Meeting.  
The first real enthusiasm in athletics this year found expression in a rousing mass meeting held in Commencement Hall the night before the game with Gettysburg. The crowd, although not as large as it should have been, made up for its lack in numbers by its spirit and life. The meeting was in charge of Manager Thompson, Gardner, '08, Fetter, '09, Blakey, '10, and Woods, '10, were made cheer leaders by acclamation. The leaders then directed the meeting and put the fellows through a vigorous course of singing, yelling and cheering. Speeches were made by several football men, whose confidence in victory helped to arouse and enliven the crowd. Bolmer, '06, of Dickinson, also made a speech, in which he congratulated the school on its excellent scholarship and promising prospects of the season. Another round of yells and cheers ended the most successful mass meeting of the year.

**Daniels Discovers a Comet.**  
Zacharias Daniels, formerly of Bucknell, late of Princeton, on June 9th, discovered the comet to which his name has been given. He has recently stated in the "Discovery" that on August 19 the comet passed over Lambda Gemminori. It is now heading almost directly eastward at the rate of about two degrees per day, and is getting into the morning twilight pretty rapidly.

The comet was nearest the earth on August 1, at a distance of seventy million miles. Its greatest orbital brightness occurred about Aug. 24. It was nearest the sun on Sept. 4 at a distance a little less than forty-eight million miles. The head of the comet on August 25 was as bright as a second magnitude star. The tail was more than twenty degrees in length. No chart is needed in order to find it, and seen through a good telescope it is wonderfully beautiful.

Now, it is up to the students to back this good movement, and by their cooperation to carry it out. The plan has the approval of the college administration and surely has the support of every loyal son of Bucknell. All that is solicited is the cooperation of the student body. Let every male student consider himself invited to a singing class one evening a week. The Freshmen will come on Continued on fourth page.

**Monster Bonfire Celebration.**  
In spite of the rain Saturday night, the students turned out to celebrate the victory over Gettysburg. The Freshmen, with the aid of a team of horses, gathered a large amount of work, consisting of old stumps, shingles, barrels, boxes, fences and other articles. The burning material heaped up in the middle of the field made a huge pile about twenty feet in diameter and thirty feet in height. The whole mass of rubbish was then sprinkled with gasoline and kerosene, after which a torch was applied, immediately the flames leaped to a height of fifty feet, and the fellows, forming a circle, started the War Dance. College and class yells and cheers varied the excitement of the celebration.

The event was prolonged until a late hour, when the students having shouted themselves hoarse, retired to the hills.

**Freshman Class Meeting.**  
Last Monday afternoon the Freshmen held a class meeting to elect officers for the ensuing year. Rhodes, who had been president pro tem, was made president. The other officers elected followed: Lawrence, vice president; Miss Fox, secretary; Miss Cobb, assistant secretary; Schreiber, treasurer; Colston, captain pro tem of football, and Duff, manager of football team.

MORE HELP NEEDED.

This year's schedule is by far the

stiffest Bucknell has ever faced, and

the stiffest part of it is just now

upon us. The three games with U.

P., Princeton and the Indians will

test the endurance of the football men

to the extreme, and probably will

leave a number of them badly crippled.

This will greatly weaken the team

for the remainder of the season when

we face teams of our own class, such

as Dickinson, Lafayette and Syracuse.

The problem arises, what are we to

do? Defeat at the hands of the big

six can be forgiven and forgotten, but

to be whipped by teams of our own

class is a little too hard to swallow.

Coach Costello has taken steps to

solve the problem. He is organizing a

second team to be a feeder for the

first. Already he has arranged several

games for this second team, and

more will be arranged later. This will

keep a number of good football men

in good shape to step into the shoes

of the "Varsity" players, as the need

for them arises. Now will these men

have to wait until a "Varsity" man is

injured? If any of the second team

make good, and put up a superior

game of ball they will replace first

team men, be their condition what it

may. Such a substitute is something

new in Bucknell football, where the

regular men have heretofore held

their positions by virtue of reputation

and past good work. No more

pen-sioners on the Bucknell team!

The man who holds a place on the

Bucknell team this year will hold it

simply because there is no one in

the school who can play a better

game.

The Coach calls for volunteers for

the second team. There are plenty

of men in the school, he claims, who

have the weight, the speed and the

head to play football. Some of them

are backward, some are indifferent

and others lazy. But even those fol-

lows not forget their backwardness,

indifference and laziness when the

honor of their college is at stake, as it

DANCES AND SMOKERS HELD IN  
HONOR OF FRESHMEN.

The Sigma Chi Fraternity opened

its social events for the year with

a smoker last Monday evening.

This affair was followed by an in-

formal dance on Wednesday night. Both

were attended by several new students

and alumni.

Delta Theta Upsilon held their

first of a series of fall dances in their

halls Tuesday evening. The oc-

casional was informal and everybody

had a pleasant time.

Last Tuesday evening Kappa Sigma

entertained with an informal

dance in the Armory. There were

in attendance about twenty-five

couples, who danced to music furnished

by the Imperial Orchestra. The Pa-

troness were: Mrs. Wm. L. Lelzer,

Mrs. Wm. Forster, Mrs. P. B. Linn,

Mrs. W. L. Gerhart, Mrs. T. E. Half-

penny, Mrs. W. W. Musser, and Miss

Anna Dale, of Lewisburg, and

E. H. Heston, of Milton.

The Phi Kappa Psi Fraternity and

their friends enjoyed a rather unique

time on Saturday evening. The boys

were tendered a grand shower, as

a result of which they received a sup-

ply of excellent and useful cooking

utensils and dining room equipment.

There were present about seventy-five

people. On Saturday night the frater-

nity gave an informal dance in hon-

or of the Misses Shelmor, of Milton;

Miss Forbes, of Portland, Oregon; the

Misses Sumner, of Toledo, Ohio, and

the Misses Heston, of Milton.

A pleasant smoker was given last

Friday evening by the members of

the Sigma Alpha Epsilon Fraternity.

A jolly crowd took possession of the

Chapter House. Coach Costello's con-

versation about football and athletics

in general was much enjoyed by all

about him. A feature of the evening

was a good "sing" in which all

joined.

On Monday evening Phi Gamma

Delta Fraternity entertained with a

smoker given in their halls. Their

first dance of the year was held in

the Armory on Friday evening. Com-

stock's orchestra of Sunbury, fur-

nished the music, to which thirty

couples danced. After the first half

of the program had been rendered,

appropriate refreshments were served.

the new styles for Fall and Winter are arrayed before your eyes.

TAILORED SUITS

Two distinct lines, one for young lady or miss, the other for grow-

ups. Styles in tight semi-fitting—the cut-away coat especially good.

Plain colors, stripes or small plaids. We make a specialty at \$12.00

and \$15.00, but of course there are better ones up to \$20.00.

JACKETS AND COATS

Children's, young ladies' and ladies' sizes—every day brings new

supplies to the stock, plaids, stripes or plain colors, the long coat in

evidence though there are many short ones too. There will be special

values to offer too.

SEPARATE WAISTS AND SKIRTS

Silk Waists in staple blacks and white. "Royal" Fashion Tailored

Waists are the new feature and the Royal Fancy Waists in Winter

fabrics are prettier than ever. Separate Skirts, lower price lines than ever

before in the stylish fabrics.

Ideal Dress Fabric Selection

A wide gathering of what is new and stylish in weave and color.

Plaids for old and young. Fancies in checks and broken plaids and

the especially new ones. In dark color combinations. Plain colors in

every weave that is stylish.

HAVE YOU STARTED RIGHT?

Now that the school is in full swing, it is high time that every student makes an examination of himself to determine whether or not he has started right. He should ask himself questions somewhat like these: How often have I "cut"? How many classes have I "cut"? About how much time do I give to this particular study? How does the that given to other things—such as time I devote to books compare with that given to other things—such as fraternity, society, athletics, etc? A careful answering of these questions will disclose to him just where he stands. Such an examination will indicate whether he is studying too much or not enough. Although in the modern college world there seems little need of cautioning a student not to study too hard, there are vital reasons why he should be cautioned not to study too long.

A Freshman frequently gets into the habit of pondering and dreaming over his studies. This habit is almost as bad as that of loafing. There is no place in the practical world for a dreamer. Nor does he have a place in Bucknell, where the sleepy fellow misses half of his college course. If a fellow gets down to work in earnest, he can accomplish a great amount of work in a limited amount of time.

After a student has overcome the tendency toward dreaming, he should form correct habits of study. The most helpful of these habits is regularity. By regularity in study is meant the studying from day to day of the same study at the same time at the same place. If, for example, a student gets out his algebra from eight to nine one evening, he should work out his algebra from eight to nine every evening. Both psychology and the experience of real students confirm this view as to the importance of regularity in forming good habits of study.

Hence, let every student, who upon taking an inventory of himself finds that he is wasting valuable time, brace up and start over before it is too late. Or, if he finds that he is spending more time than necessary on books, let him concentrate his efforts more strongly, practice that splendid virtue, regularity, and above all else, let him form habits that belong only to a real student.

Coach Costello Receives Visit.  
An automobile party of Cornell men, stopped off at the Campus last Thursday afternoon to see the coach with whom they are well acquainted. They were glad to see that the coach is getting along so well with the boys. Lyons, Cornell's well-known pitcher, was particularly interested in the football scrimmage, which was then progressing.

PLENTY OF GAIETIES IN  
WOMAN'S COLLEGEMRS. PHILIP LINN ENTERTAINS  
PI PHI—OTHER SOCIAL  
EVENTS.

At this season of "opening functions" the College women and Institute girls have by no means failed in their efforts to dispel all homeliness on the part of "new girls" and at the same time to renew old bonds with "old girls" around the festal board. Both within and without the sacred precincts devoted to this part of the College, there have been "sounds of revelry by night"—and by day too.

On Monday afternoon from four to six Mrs. Linn entertained the girls of the Pi Phi Sorority and several new girls at her splendid home on University Avenue. Music from a well chosen orchestra and refreshments served in daintiest fashion, were the order of the afternoon. The guests made a goodly number and all attested anew to Mrs. Linn's well-known ability as a hostess. Again on Friday evening the Pi Phi girls enjoyed an informal "Gym" party enjoyed by games, music and a "spread."

Beta Phi Sorority entertained some new girls at a chicken and waffle supper at Mrs. Huth's Saturday evening and proved anew their knack for planning and giving a good time. The two fraternities among the College Women are doing their part to maintain their old reputation for making things lively. "Springs" in the different suites assume a general and growing popularity.

On Friday evening the Pi Beta Phi girls gave a reception in the Institute parlors and school room to their patronesses, to the girls of Delta, Beta, Delta, and to a large number of the Freshmen girls. To all present the reception proved in every way a charming success. The rooms were prettily decorated in potted plants, fresh flowers and Pi Beta Phi banners and emblems. Thruout the evening the music from the orchestra was very delightfully heard. Refreshments were served at small tables in the school room and in all apartments Pi Beta Phi symbols were pleasantly and cleverly suggested.

The Pi Beta Phi girls enjoyed a delightful evening on Saturday at the home of their alumna member, Mary Bower, '05.

Dr. Groff on Commission.  
Governor Stuart appointed County Superintendent of Schools D. P. Stapleton and Dr. George G. Groff, Lewisburg, and Horace P. Glover, Pottsville, to be members of the commission created by the last Legislature for the erection of a monument to the memory of Samuel MacClay, in Buffalo Valley, Union county.

Hesides holding many offices in connection with the State Health Department Dr. Groff has enjoyed many government appointments in Porto Rico. He was made member of the Insular Board of Education, 1899, and later was elected president of the same organization. In 1900 he was declared Superintendent of Public Instruction, and served at the same time on the Executive Council of the Island. The doctor also took a prominent part in the affairs of the United States Volunteers. He held the rank of major and brigadier general.

SWARTHMORE IN A QUANDARY  
Concluded from first page.

has been debated in many colleges, adopted at Columbia, nearly adopted at Harvard and is urged by many of the leading educators of the country. What Swarthmore is asked to do, Columbia has already done. Intercollegiate contest in football were suspended a year ago. The university enters this Fall on its second year under this plan.

The decision of Swarthmore in this case is eagerly awaited by college circles.

## COLLEGE LOCALS.

"Bill" Kelly, '07, has left to attend U. of Pa. He enters the dental department.

Fred Zuehlwert, '07, spent two weeks among the boys before making his trip to California.

Shrum, '08, who has been confined to his home on account of sickness, is again among the boys.

Miss Sarah C. Furman, '06, has charge of one of the departments of the Hornell High School, New York.

Sigma Chi gave a dance in its halls last Monday evening in honor of the Misses Hall, the guests of Miss Vane, of Winfield.

Comstock, '06, is clerk in the Lewisburg Trust & Safe Deposit Co. He desires to stay as close as possible to his Alma Mater.

The "Vespenecker," having withstood the heat and drought of the summer, has returned with sharpened bill and eagle eye.

John Kase, '09, is teaching mathematics in the Danville High School. Kase expects to complete his course at Bucknell later.

## COLLEGE COMMENT.

The latest lineup at Swarthmore is the dollar versus the pleskin.

As a result of rooting the fellows who accompanied the team to Philadelphia, are scarcely able to speak above a whisper. This fact is an indication of genuine Bucknell spirit.

For the next few weeks, there will be little demand for beef steak on the part of those who took a cold storage ride to see the Bucknell-Penn. game.

Al. Sharpe, Yale's celebrated all-American fullback, was very well pleased with the form and persistence manifested by our team in the Penn. game. He told Coach Costello that he desired to congratulate every man on the eleven, which put up such a splendid game.

Carlisle Indians Scalp State.  
Over fifty Bucknell students witnessed the football game in Williamsport on Saturday when the Indians downed State, 18-5. The city, the crowds, the pennants, the cheering and all made one think of such days in former years when the Bucknell team and army of rooters made its annual pilgrimage to Williamsport. One thing, however was different Saturday. The Bucknell contingent following the example of last year, cheered for its old rival, State, again and again, and were as generously answered by the followers of the Blue and White—an indication that times have changed.

Before the game began, the following new ruling was adopted: If the ball is within the 10 yard line and the defending side wishes to kick, the ball shall be played a relative distance before the 10 yard line, which then becomes the goal line; and if the ball is caught or is run back, the 10 yard line shall be added.

From point of interest, the game was all that could be desired. State lost because the Indians had the better line, and had several men, on whom they could rely for gains; while for State, McCleary seemed to be the only one able to advance the ball. His long dash through the entire Indian team at the close of the first half, was the feature of the game. The Indians made their great advances by their clever forward passing.

Bucknell representatives at the game included: Prof. Rockwood, Registrar Gretzinger, Prof. Thomas and Prof. Nevins.

Pass Preliminaries.  
Jarrett, '06, and Shultz, '08, successfully passed the State Preliminary Law Examinations, held in Williamsport, July, 1907.

This examination is becoming more and more difficult, especially in Literature, General and United States History, and Latin composition, and the fellows deserve commendation for being among the few candidates who stood the test.

### WOMAN'S COLLEGE ITEMS.

Minnie Ficht, '09, spent Sunday at her home in Sunbury.

Billy Ehling, '03, and Mary Gabbrath, '07, spent Saturday and Sunday as guests in the Woman's College.

Miss Clara Bailey, of Millersburg, Pa., formerly a student in the institute spent Sunday and Sunday visiting friends here.

Mrs. David Phil, nee Maud Hannan, formerly a teacher in the institute, was the guest of Miss Sitter on Friday evening.

### ACADEMY NOTES.

Sted Clark, a freshman at State, was visiting the boys at the Academy Sunday.

Prof. Drum gave a talk to the boys of the Academy Y. M. C. A. on Tuesday evening.

In an exciting contest last Saturday, the Academy eleven was defeated by the Lewisburg team by a score of 15 to 0. The Lewisburg team is starting out to duplicate its last year's record which was spotless.

Thursday noon, while the Fourth Form boys were having a class meeting, the fellows of the Third Form broke in and interrupted the solemn deliberations. They were soon put out, however, and the meeting was resumed.

### Now For The Tigers.

Our loyal, hard-working eleven will meet the tigers on the gridiron next Saturday. Title will be a hard battle and we need to prepare for it. It is, accordingly, imperative that every fellow of any athletic build or ability at all, comes out to help put the Varsity in good shape to stand the test. As our school is not so large as most of the colleges with which we play, we do not have as many men to select from; and consequently need all the material that is available.

Princeton has a light, but fast, backfield. Tibbott, Haylan, Cass, Dillon and Pfeiffer are back, and form an excellent nucleus, around which the new men have been developed, and in which they may well place their confidence.

In 1902 we held Princeton down to a score of 17-0; two years after the Tigers defeated us by the score of 18-0, while last year we were the first team to score on them and held them to a score of 32-4.

### Freshmen Put Up "Procs."

This morning about 8:20 o'clock, the Freshman class put out their proclamations. They were not troubled by the Sophomores until after the 8:15 classes were dismissed, when the classes were dismissed, when the purple began. While the fellows were battling on the hill and in the hallways, the Sophomore girls tore down the "procs" that were posted about town. The decision as to which class won, will be given later.

This, however, may safely be conceded to the "new men," that they produced an extraordinary poster. The idea of representing their traditional enemies in the form of a freak menagerie is unique, and added exceedingly to the originality in the make-up of the poster.

### Chemical and Physical Society.

Last Thursday afternoon the first meeting of the Chemical and Physical Society was held in the Chemical laboratory. A fair representation of students was present. Prof. Owens gave a very interesting talk on "The Place of Chemistry in Modern Industry." His theme treated mainly of the importance and growth of chemistry in the industrial world. He clearly showed that along nearly all lines of industry thanks are due to the chemists for the great advance made in the last few years. After the lecture, the annual election of officers was held. Prof. Owens was elected president; Snyder, '08, vice president; Coon, '08, secretary; Ballouts, '08, treasurer; and James, '08, and Hostetter, '08, were named on the executive committee.

## PRINCETON TIGERS TOO MUCH FOR THE VARSITY

IN GAME REPLETE WITH KICKING AND FORWARD PASSING.—SCORE 52-0.

The Varsity journeyed to Princeton Saturday and met defeat at the claws of the Tigers. Whether the effects of the strenuous game with Penn were still felt, or whether it was an "off day" and the Fates were against us, is not known. At any rate the boys did not put up the game they are capable of playing.

The Princeton team, on the other hand, played the game in their old-time form. Their back field men fought hard, and were the center of inspiration for the whole squad. Dillon, the Tiger quarterback, made a sensational run the length of the field for a touch-down. McCormick, with his remarkable punting, did the work for the "Orange and Black."

Clark, as usual, played a cool and deliberative game. In punting, tackling, and advancing the pigskin, he performed as a veteran athlete. Groff also held the attention of the Princeton eleven, as well as that of the side lines. Watkins, who went into the fray as quarter in the last half worked hard and thwarted several of the enemies' attempts at forward passing.

Captain Niple played an end position with even greater success than he has filled that of quarterback. His pluck and enthusiasm carried him through the battle and helped to keep the team together.

The line-up:  
Princeton. . . . . Bucknell.

**Lehman, '03, Becomes a Benedict.**  
Dr. Charles Albert Lehman, '03, and Miss Cornelia Gray Wilson, of Williamsport, were united in marriage by the Rev. W. F. D. Noble in the Fourth Street M. E. church, Tuesday evening.

Lehman was a member of the class of 1903. After graduating from Medical College, Lehman acted as resident physician of the Williamsport Hospital. He has established a lucrative practice in Williamsport, where the happy couple will reside.

### Pay Up.

As many as possible of the subscribers to the coach subscription are requested to fulfill their obligations this week. The second payment is due the coach Saturday, Oct. 19th, and there is not enough cash on hand to meet it. Freshmen and others who have not had an opportunity to subscribe to this fund will be called upon to do so.

### College Bible Class.

In the 4th chapter of Genesis is set forth the beginning of civilization. Civilization begins with the differentiation of occupations. The tribe of Cain are agriculturists, and the tribe of Abel are keepers of sheep. With this differentiation of occupation, comes strife, especially in religion; each one claiming his method of sacrifice exclusively right.

To have a religious value, good works and sacrifices must be done and given in a spirit of love and out of a principle of religion. The offerings of Cain and Abel would have been equally acceptable to God, if the offerings of both had been made in the same spirit.

Each person understands God in his own way; each sees God differently and each communicates his interpretation of God to others. Because of this manifold view point, a fuller conception of God is obtained. Differentiation thus looks forward to unity, which may be sought in two ways.

1st. By destroying all that is out of unity. This is the method Cain pursued.

2nd. By drilling all people in the same code. In this method people may merely know and not understand. The most desirable kind of unity is that which gives each person an opportunity to think for himself.

### Junior Debate.

Candidates for honors in the Junior Debate will meet in Euphonia Hall, Thursday evening at seven o'clock.

## B. U. RESERVES OPEN SCHEDULE FOR SEASON

SCRUBS BATTLE BRAVELY BUT MEET DEFEAT.—SCORE 120-0.—SCHEDULE FOR YEAR.

The Bucknell Reserves opened their schedule on the University Field Saturday, and after a hard fight lost to the Lock Haven Normal team by the score of 12 to 0. Considering the team work and condition of the scrubs the score does not give them due credit. Several of the fellows heard the signals for the first time shortly before the game. Others were not in physical condition to play. The outcome of the initial game was, therefore, as good as could be expected.

The Normal boys, on the other hand, put up a fast, snappy game throughout. They played especially well on the offensive.

On the line, Duff played a splendid game for Bucknell. His tackling was always to be depended upon, and was a feature of the contest. In Clausen, who played his first game Saturday, Bucknell has found a strong man. He filled the position of

made a 15-yard run and when tackled passed the ball to Peck, who made the second touch-down by a 30-yard run. Both goals were kicked by Wallers.

D. BRIGHT MILLER SUCCEEDS TO HEART ATTACK.—A BRIEF SKETCH OF CAREER.

The town of Lewisburg lost one of its most influential citizens Saturday afternoon, when Daniel Bright Miller, aged sixty-seven, succumbed to an attack of cardiac asthma.

Mr. Miller was a son of the Hon. George F. Miller, who was one time secretary of the Board of Trustees. The deceased was born in Lewisburg Feb. 2, 1840, and resided in this place until his death.

After spending the earlier years of his life at home, he entered Bucknell University in 1858. While there, he passed the Classical Course in which he was graduated with the Class of 1862. He was a member of the Phi Kappa Psi Fraternity. Later he joined the Masonic order, in which he became a Knight Templar.

Upon graduation he took part in the Civil War. Having joined the 139th and 120th Regiments of the Pennsylvania Volunteers, he was rapidly promoted to the ranks of Brevet Major and Quartermaster.

The law next claimed his services. He was admitted to the Union County Bar, and became a member of George F. Miller & Sons, law firm. When he held the office of solicitor for the Pennsylvania Railroad.

The deceased also figured prom-

inently in the business world. His business relations were not confined to his native town, but extended to other places as well. He was director of the First National Bank of Sunbury, and held the double position of president and cashier of the Lewisburg National Bank. Among the other local enterprises of which he was the chief promoter, may be mentioned the Lewisburg Bridge Co., and the Lewisburg Cemetery Association, in both of which he acted as president. In the cause of education, the Major was no less zealous than in the promotion of his business projects.

A lover of knowledge, himself, he sired every boy and girl to have an education, and contributed liberally to church and school. He was a believer of the Baptist faith, and enjoyed for many years the position of

## STAND BY THE 'VARSITY'.

The college spirit that was manifested by the students when they gave the eleven a send-off Friday, was commendable and surely was not forgotten by the boys in uniform when they charged the Tigers. Nor did the good will of the fellows lack expression when they escorted the team to the train which carried it to meet the Penn. squad. But the best evidence that Bucknell spirit is at its height, is the fact that thirty-five fellows were out in uniform last Thursday afternoon. Surely that is the greatest number of fellows seen at one time on the gridiron this year. The Orange and Blue desires to congratulate the students for their loyalty to the team, and their interest in football generally. Never have athletics been more stately college here or at any other college than they are this year at Bucknell. Never have we had a cleaner or more scholarly team than we may rightly boast of this year. One is a faithful, loyal, hard-working team; and is well worthy of all the praise, encouragement and support we as students can render it.

Besides helping the players by showing them that the student body is deeply concerned in their welfare, the fellows of any athletic ability at all can very materially assist them in carrying out the remainder of our hard schedule, by coming out to practice every afternoon of the school week. Coach Costello says—and he knows—that the strength of a team lies in its reserves. The usual, congenial, have-a-good-time spirit, pervaded the atmosphere, and everybody present seemed to catch it. These fellows generally make the Freshmen feel as if they were at home enjoying the same rights and privileges as their time-favored fellow students; and the Baptist reception was no exception to the rule.

Besides the round of acquaintance talks, the program committee provided special entertainment for the evening. Miss Carthers, '10, played two beautiful selections on the violin. She was followed by Miss Radack, '11, who sang a solo. The selections and exercises rendered by the Bucknell Quartet, consisting of Hochst, Stolz, Gibson, and Parson, were also much enjoyed. After everybody had met everybody else and had been fortunate enough to secure a seat, appropriate refreshments were served.

When the hour of eleven approached, the guests in one accord thanked Pastor Judd and the members of his church who had so pleasantly entertained them, and closed the first church reception of the college year.

**Students Abolish Hazing.**  
Hazing of all kinds has been abolished at the N. H. S. C. on the initiative of the students. A committee of Seniors circulated a statement which it is said has been signed by the students pledging themselves to take no part in hazing, and to do all in their power to discourage it.

Trustee in the Lewisburg church of that denomination, in recognition of his sound judgment and loyalty to his Alma Mater, Mr. Miller was made Trustee of Bucknell University in 1889, and served in that capacity until death. When this venerable and useful man expired, Bucknell University was bereft of an influential friend, alumnus and trustee.

The funeral services will be held at the family home on University Avenue on Tuesday afternoon at 2:15 o'clock. Interment will be made in Lewisburg cemetery. At the grave the body will be interred with Masonic rites.

## WOMAN'S COLLEGE ITEMS.

Edith Haysel, '11, spent Sunday at her home in Mt. Carmel.  
Mary Jameson, '11, was at her home in Danville over Sunday.  
Mary Lee, B. L. '06, of Orwigsburg, was a guest here during the week.  
Mary Galbraith, '07, of Williamsport, spent Thursday and Friday visiting here.  
Mary Meyer, '09, and Sara Meyer, '11, spent Saturday shopping and visiting in Williamsport.  
Miss Dorothy Walls, '06, of the Institute, is visiting Miss Rido Payne, of Philadelphia. Miss Walls stopped in Philadelphia, on her way home from New York, where she attended the wedding of her brother, John Walls, ex-'08.

Delta Delta Delta gave a reception on Thursday evening to their partisans, took its place among the earlier of the opening functions as a success in every way.  
Minnie Brobst, '09, substituted in the place of the Assistant Principal of Sunbury High School on Friday. Miss Brobst is to be congratulated on having been appointed regular substitute for the year in this her home school, despite the fact that she is taking the regular course in college.  
Beta Beta Beta Sorority entertained their alumnae, patronesses, the girls of Phi Phi Sorority, and a number of the new girls in the Institute parlors on Friday evening.

## THE ACADEMY.

In last week's issue of this paper the statement was made that the Academy football team was defeated by the Lewisburg High School eleven. The O. and B. desires hereby to correct the same and state that it was not the Academy team which played the local H. S., but one composed of Academy scrubs and a few Freshmen.  
Bucknell Academy football team opened their schedule, Saturday, when they played the Sunbury High School at Sunbury. Neither side scored until the last minute of the second half. The Sunbury boys then handed a touchdown, and succeeded in kicking the goal.

The literary society is doing excellent work this fall. The meetings, however, would be greatly improved if more of the day students would attend them. Every day student should consider himself cordially invited to appear at these meetings and take an active part in them.

**More Wedding Bells.**  
John Walls, ex-'08, was married to Miss Emma H. Harman, of New York City, last Tuesday. The ceremony took place in New York. The father and sister of the groom, W. C. Walls, and Miss Dorothy Walls, respectively, of Lewisburg, were in attendance.

Mr. Walls after leaving Bucknell went to the Boston School of Technology, from which he was graduated in 1904. He now holds the position of Chief Engineer for the Shawinigan Water & Power Co., of Montreal, Canada. They will make their home in Montreal.

## Returned to Help Coach.

Cockill, '05, and Cooper, '06, were here last week helping to put the eleven in shape to meet the Tigers. Both of these fellows were captains of the football team when they were in college. Cockill was captain in 1904, and Cooper led the team the following year.

The Milton Roller Rink was reopened, Tuesday, October 8, in the Armory Hall. We understand the rink is under the same management as last season and there is no doubt that a large number of students will take to the little rollers. Many improvements have been made and new skates added. Skating Wednesday and Saturday afternoons and each evening except Monday and Wednesday. Monday is reserved for skating parties.

## A Matchless Exposition of Autumn Merchandise

### The Correct Weaves in Dress Goods

Here they are in all their beauty—the worsted suitings in every correct shade and mixture, marked at the opening price of \$1 and \$1.50.  
Here you take a glimpse of the new green, brown, navy and red mixtures, interspersed with the invisible plaid effect. Here are the new Herringbone weaves forming the stylish plaid effect.  
These stupendous wool fabrics are admired by every lady and delay in purchasing your fall and winter gown from one of these stylish fabrics may mean a great deal to you as later on colorings and styles may not be so pretty.  
Our dressmaking department is prepared with a corps of skilled dressmakers to make your gown whether it be a dressy dress or tailor-made gown, as we have the best coat maker in town.

### New Furs? New Furs?

Our showing of furs is the finest in town. Here you see them in every different length and shape in mink? This is the greatest season for mink in the history of the store. Prices reasonable.  
Prices quoted on minks are on genuine fur not any other fur dyed and sold for mink. We have the limitation but do not represent them for the real mink.  
A person not being acquainted with furs are only guided by the price. This store is noted for not misrepresenting goods and give you what you pay for.  
Another stylish fur is the lynx, which will be a strong seller this season. We don't sell a dyed fox for a lynx, and when you pay for the genuine you get it.  
We have sets or separate pieces in foxes, in shawl or straight-bon effect. Muffs a match.

### Sweaters for Cold Weather

The display is now ready for your inspection, and we certainly pride ourselves on our large and attractive showing.  
The cool autumn weather demands a heavier garment and our line is now complete in every new effect.  
Children's sweaters for boys or girls are shown buttoned in front of "slit over the head" effect.  
Ladies and Misses blouse effect in double or single-breasted. The new Prince Jap or coat style is shown.  
You also see the sleeveless golf vest and "Hugme-tights."

## INDIANS DEFEAT VARSITY BY SMALL SCORE OF 15-0

B. U. ELEVEN KEEPS THE RECORDS FROM SCORING AFTER FIRST TEN MINUTES OF THE GAME.

Another game was added to the Varsity's defeat column on Saturday last, when they went to Carlisle and were defeated by the time of 15 to 0. It was a defeat, but by no means an inglorious one. The Indians inspired by their unbroken string of victories went at it from the start, and before ten minutes of the play were over, they had rolled up the total of the final score. After that Bucknell more than held her own. Time after time the Indians were held for downs and in a number of instances were forced to punt. Our line held like a stone wall against the Indians line backs. Punters were blocked, and plays were broken up before they had a chance to form an effective interference. The forward pass which had been so instrumental in defeating State College and Syracuse proved ineffective against Bucknell, not one was got off successfully by the Redskins.

The first touchdown was gained by wide end runs behind a well formed interference. The second, however, was handed by Danie Fortune, on a flatter long an Indian had made an end run of fifteen yards, and in being tackled, fumbled the pigskin. The ball shot ahead ten yards, squarely into the hands of another Indian who carried it for a touchdown. Likewise a goal from field was the result of luck. Kicked from the thirty yard line, it struck the pole and fairly climbed over the cross-bar.

After these, touchdowns on the part of the Redskins, there was a first class game of football. Clark tried a goal from field, but it went wide. On the defense Bucknell showed marked improvement. Sureness in tackling was a feature of the work. On the offense we showed some improvement, but there is still plenty of room for better team work.

Edmunds played an especially fine game, breaking through the line in one play, he blocked a kick and secured the ball. O'Brien also played a good game and stopped the Indians several times by clever tackling. Niple showed the best form seen this year in Bucknell's getting down under punts.

## TRUSTEE MILLER INTERRED WITH IMPRESSIVE RITES

BEAUTIFUL FLORAL DESIGNS PRESENTED BY VARIOUS ORDERS—FACULTY PASS RESOLUTIONS.

The funeral of D. Bright Miller, of the College Bible Class, was held on Tuesday afternoon. The services at the family home were conducted by Rev. J. T. Judd, of the Baptist church. The pallbearers were: Messrs. John V. Miller, John W. Incher, W. R. Foltner, W. O. Shaffer, Charles J. Wolfe, Wm. C. Grotzinger, Hon. H. M. McClure and Capt. John A. Owens. At the grave the last rites over the body were conducted according to the Masonic ritual.

There were many handsome floral designs forwarded by the friends of the deceased, and orders to which he belonged.

Among the number present in attendance at the funeral from a distance were, Prof. G. M. Phillips, West Chester; Mrs. Caroline J. Boyd, Mrs. P. E. Hannum, Christiansburg; Thomas J. Phillips, Atglen; Mrs. Kate Tustin, Mrs. Little and George Tustin, Hoomsburg.

At a meeting of the Faculty, held on Tuesday, Oct. 15th, the following minute, proposed by Prof. Martin, was adopted, and a copy ordered to be sent to the family and to the

D. Bright Miller.

## VARIOUS BUCKNELL CLUBS RENEW ACTIVITIES

KEYSTONE STUDENTS FIRST TO HOLD SOCIAL—OTHER CLUBS PREPARING TO FOLLOW—CHURCH RECEPTIONS.

The members of the Keystone Academy Club were pleasantly entertained at the home of Mrs. Ella Wright on South Fifth St., Friday evening. About thirty students and professors assembled to enjoy the evening's pleasures, which consisted, in part, of games and anecdotes of "prep school times."

The University Club Quartette and others rendered several selections which added to the enjoyment of the evening. At a late hour refreshments were served, after which the happy guests departed.

Students of the University were the guests at two more opening receptions given by churches in town Friday evening. The C. E. society of the Presbyterian church entertained a large number in their church parlors. Their usual hospitality and manner of entertainment were enjoyed by both old and new "residents of the hill." On the same evening students of Methodist inclinations were the guests of Dr. Vanfelt at the M. E. parsonage, where another pleasant time was reported.

The Williamsport-Bucknell Club will reorganize later. A plan to enlarge the territory from which students are eligible to membership has been proposed at the first meeting of the organization. It has been intimated that all of Lycoming County instead of Williamsport, which marked the limits heretofore, will be made the section from which students are eligible to membership in the club.

The Western Pennsylvania Bucknell Club assembled in Room II, on Thursday afternoon to hold the first meeting of the college year. Presiding

## Prof. Owens Delivers Address.

At the extra Sabbath school meeting held in the Baptist church yesterday, Professor Owens delivered an address, in which he set forth some of the proceedings of the Sunday school convention at Uniontown.

At this meeting, several of the selections rendered at the great convention, were sung by a select choir.

There was also exhibited the banner which was presented to the Union county Sabbath School Association, for the splendid work done in the county.

## Nine Students Enter Honor Course in Junior Debate.

In Theta Alpha hall Thursday evening the class in Junior debating was organized by Professor Smith. The orators were given some valuable suggestions in debating, and were instructed as to the work they were expected to accomplish during this term. The class will meet in Theta Hall each Thursday night at 7 o'clock. A question is to be debated at each meeting and speakers will be criticized as to their argument, delivery, etc., by the Professor in charge. The question for debate at the next meeting is: Resolved, "That an educational qualification should be required of a voter." Nine Juniors appeared at the opening meeting. Fritz, Rolfe, Lempard, Hallman, Hamm, Madras, Peter, Timlin and Fries.

## University Club Election.

At a meeting of the University Club, held on Thursday, Oct. 19th, the following officers were elected: president, Dr. Grotz, vice pres., Dr. Parol, secretary, Prof. Riemer, and treasurer, Prof. Helm.

## CHANGES IN FOOTBALL RULES THIS YEAR

FEW MINOR REFORMS IN MAN-OF-CONDUCTING GAME.—FORWARD PASS DISCUSSED—SHORTER HALVES.

According to Spaulding's Official Football Guide for 1907, there have been but few minor changes made in the football rules. Owing to the fact that under the new rules players were found to be less exhausted than in the old game, the length of the halves is increased five minutes. The duties of the referee are more officially defined. One official is called the field judge and is practically an assistant referee. The other has control of the decisions that belong to the line-up.

Forward passing has been altered to a certain extent, making it less risky to use it on the first and second down. Instead of losing the ball in case the forward pass strikes the ground before striking a player of either side, the same side retains possession of the ball by losing 15 yards in distance. A line man may carry the ball position he does not leave his position until the ball is in play. The forward pass or hurrying, by the side that did not put the ball in play in a scrimmage, is penalized 15 yards. It was also enacted that a man should be regarded as having an opportunity to make a fair catch when it is possible for him to reach the ball before it touches the ground.

Then if a man on one side signals his intention of making a fair catch and then another of his side, who did not signal, makes the catch, this player may not run with the ball, but must put the ball down at the point where he caught it for a scrimmage by his side. It was decided to leave all questions of hurdling to the referee.

## LITERARY SOCIETIES HOLD ORGANIZATION MEETINGS

OFFICERS ARE ELECTED FOR TERM.—APPOINTMENTS TO TWO SOCIETIES—PROGRAMS TO APPEAR LATER.

The literary societies, Friday night, assembled and organized. Plans for the term's work were outlined and officers were elected to the different positions in the societies.

After Bromley, '08, who acted as president of Beta delivered the opening address, the following members were elected to the various offices of the society—

Conduct, '08, president; VanWhy, '09, vice president; Stockbrand, '10, secretary; Zartman, '10, treasurer; Fries, '09, critic; Barnes, '11, sargent-at-arms.

In Theta Alpha, Huby, '09, was made president; Foster, '09, vice president; Edwards, '09, secretary; Webster, '08, critic; and Fetterman, '10, censor.

The programs for next Friday, will be posted in the bulletin cases of the societies.

The Freshmen have been appointed to the two literary societies, and each one of them is expected to join the one under which his name appears. The classification follows:—

**Cyrus Trego, '75, Dead.**

A sudden attack of apoplexy last Saturday brought death to Dr. Cyrus Trego, of Portstown. Dr. Trego was a member of the class of 1875. Upon graduation from Bucknell, he entered the medical department of the University of Pennsylvania where he received his M. D. degree. He was a prominent physician and had established a lucrative practice. He died at the age of fifty-four.

### THE VALUE OF DEBATING.

It is highly fitting at this time to emphasize the importance and the value of debating. At Bucknell we have two literary societies, in one of which every student is elected to membership. It is the purpose of this article to take a brief survey of the practical advantages that may be attained from taking an active part in the meetings of these societies.

The ability to arrange one's thoughts in logical sequence and to give them clear expression, is of inestimable advantage in the exigencies of every day life. This ability is best and most easily acquired by the art of debating—an exercise in which the mental faculties are brought into play, and in which clearness of expression counts for no more than logical conclusions.

Aside from giving one mental power, debating affords an excellent opportunity to correct any faulty impressions or pet theories that may be entertained. The debater learns to see the same question or proposition in the light of his opponent, who may look at it from an entirely different viewpoint. In this way a broader understanding of a subject is obtained, and many misapprehensions are corrected.

Now the only way to become proficient in public speaking or debating is by patient and persistent practice. "We learn to do by doing under proper direction." It is especially applicable in acquiring the ability to think and speak on one's feet. The experience of many of the noted—even the most gifted speakers, is that grace and effectiveness in public speaking have to do, not so much with inspiration as with preparation. Daniel Webster was so embarrassed when he first tried to address his fellow students, that he had to sit down before he had finished the introduction of his speech, but he kept at it, speaking whenever he had an opportunity, until he mastered his stage fright and later became one of the greatest orators of his time.

But it is said, all students cannot become Websters. That statement is true; and does not contradict the equally authentic one, that at least every college student can and should be able to express his views and opinions in public, whenever he is called upon to do so. To this end, the literary societies have been organized. They help their members to overcome awkwardness and nervousness in speaking before the public. Within their walls, the reticent Freshman is free to stumble on the rostrum or commit a lapsus linguae, without suffering the pangs that inevitably result from like blunders made outside the debating halls.

Now, it will pay you to attend the literary societies. Take an active part in them, and by all means go prepared when your name appears on the program.

**Proposed O. and B. Mail Box.**  
The Orange and Blue desires that its columns shall voice the sentiments of the student body. In order to accomplish this, we solicit contributions from the students in the form of communications, notes, and items that are of college interest.

An O. and B. mail box will be placed in the hall-way of the main building, and all contributors will kindly drop their correspondence in it. The name of the writer should accompany every article in order that we may know to whom to go for explanation in case an item should not be understood by us. Under no circumstances will the name of the writer be printed, unless he desires it.

Let everybody remember the O. and B. box, and help to make our college weekly interesting and full of news.

### BUCKNELL RESERVES TIE SCORE WITH WILLIAMSTOWN.

The Bucknell Reserve, on Saturday, played a fast, snappy game with the Williamstown eleven in which neither side was able to score. The game was played at Williamstown and was characterized by roughness and frequent punting. At no period in the game was there any imminent danger of either side's scoring as the contest was waged in the center of the field.

Next Saturday, the issue between these teams will be decided on the home grounds. The line-up of the "Reserves" was as follows:

Sweet, 1, c.; Werner, 1, t.; Kerschner, 1, g.; Baskins, c.; Brownie, r. g.; Duff, r. g.; Grandfield, r. c.; (Bremer); Jones, q. b.; Rhoads, 1. b.; Beemer, 1. b.; Harris, r. h. b.

### VARIOUS BUCKNELL CLUBS RENEW ACTIVITIES.

Continued from first page.

## COLLEGE LOCALS.

E. L. Blakeslee, '06, is teaching at Pompton, New Jersey.

The seventeen fraternities of Brown University have up to this time pledged 127 men—including Freshmen, Sophomores and upperclassmen. Enough students, alumni and friends of Bucknell saw the game at Carlisle Saturday to make up a cheering section and to save the souls of several of our Varsity.

At the recent C. E. convention held at Allenwood, several Bucknell students took an active part in the proceedings. Fries, '09, conducted some of the devotional exercises, and Stolz, '08, sang a solo.

## ACADEMY NOTES.

Hoon spent Sunday with his parents at Troy, Pa.

Fenton is busy entertaining his sister Miss Fenton and friend Miss Kluge.

Shaffer and Roberts spent a very pleasant time at Sunbury on Saturday and Sunday.

Parry, Guinness, Brown, Dewey and Drees also made a short visit to their homes on Sunday.

Bucknell Academy was defeated by Shamokin High School, Saturday, by the score of 25-2. Shamokin scored only in the first half of the game.

The Bucknell Academy's line-up was as follows:—

Left, end, Parry; left tackle, Steel; (Walters); left guard, Westones; center, Shaffer; right guard, McCombs; right tackle, Palmer; right end, Guinness; (Steel); quarterback, Hughes; left half back, Marks; (Davies); full back, Brunner; right half back, Boyer; (Dewey).

Bucknell Section for W. U. P. Game.

Arrangements are being made to have a Bucknell section at the game with Western University of Pennsylvania next Saturday. The game will be played at Exposition Park, Allegheny, and promises to be a good one.

All Bucknell men are requested to locate the section that will be reserved for them, and bring their "old time" yells with them.

## ALUMNI NOTES.

L. W. Zeigler, '05, is principal of the Centre Hall High School.

Norman Henry, '05, is serving as principal of the High School at Scottsdale, Pa.

DR. AND MRS. HARRIS ATTEND CHAPEL.—"DEUTSCHE VEREIN" NEWS.—OUTINGS, ETC.

Dr. and Mrs. Gundy were guests at dinner on Tuesday evening. Ethel Cockburn, '09, spent the week end at her home in Williamsport. Charlotte Hawk, Institute, spent Sunday at her home in Towey City. Ethel Strasser, Institute, visited her home at Remov, during the week. Emma Klenfeler, Institute, was at her home in Mill Hall, over Sunday. Miss Ruth Frick, of Danville, visited Mary Jameson, '11, on Friday and Saturday.

Mary Davidson, Institute, has been suffering from a sprained ankle, but is convalescent. Anna Stage, '08, spent Saturday and Sunday visiting Mary Galloway, '07, in Williamsport.

Miss Boynton, instructor in music in the Institute, spent Saturday and Sunday visiting and taking a rest away from town.

The girls of Delta Phi Sorority are among those who have taken advantage of these fair days to go out-thing in the country.

Hattie Wilson, Institute, left on Tuesday with her brother, Henry Wilson, for a motor trip to Philadelphia and neighboring cities.

President and Mrs. Harris attended chapel exercises on Monday evening and held a short and informal reception in the parlor afterward.

Delta Delta Delta dined at White Deer on Saturday. The long drive, followed by a short encampment on a field above the old lumber mill, and a return drive in the sunset, made a delightful autumn outing.

Mae Jones, '08, left on Thursday for Pittsburgh to visit friends in the city and to help "root" for the Varsity in the game with W. U. P. She will probably make a flying trip to her home in Franklin before returning to college.

The "Deutsche Verein" has already held four meetings this term. Meetings are held every Tuesday evening from 7 to 9, in the Institute school room. Several new members have been admitted since the beginning of the term, and a few new features have been introduced. At present a minute study of Goethe is being made in the Verein; later other German authors and subjects of interest in German literature will be taken up and studied.

## ACADEMY NOTES.

Rine is visiting his parents at McKays Rocks.

Brunner is visiting his parents at Reinhold Station, Pa.

The Academy is planning to publish a weekly of its own.

Griffis left for his home at Girardville where he will spend a few days with his parents.

Mr. and Mrs. F. W. Lewis and family, of Thompson, were the guests of Principal and Mrs. Thomas.

The Academy football team was unable to schedule a game Saturday, but will play one next Saturday.

Mrs. J. B. Stauffer, of Harrisburg, accompanied by her daughter are visiting her son, Benjamin A. Stauffer, Stauffer has been sick for the last few days. His many friends are wishing him a speedy recovery.

**Our Next Game.**  
On Saturday next Bucknell's eleven will lock horns with that of Syracuse. Let every fellow who possibly can get out in uniform and help put the Varsity in shape to meet the Syracuse team, which is a strong and experienced one.

The Milton Roller Rink was reopened Tuesday, Oct. 8, in the Armory Hall. We understand the rink is under the same management as last season and there is no doubt that a large number of students will take to the little rollers. Many improvements have been made and new skates added. Skating Wednesday and Saturday afternoons, and each evening, except Monday and Wednesday. Monday is reserved for skating parties.

## BUCKNELL ELEVEN LOSES TO SYRACUSE "BIG BOYS."

GAME PLAYED SPLASH BY SPLASH RESULTS IN SCORE OF 28-6. CLARK MAKES THE TOUCH-DOWN.

On a muddy field, between rain-storm, that let up just long enough to play the game Syracuse beat the Varsity on the new Stadium field. A wet field was a decided advantage for the home team, as they have the heaviest team in the country. Nevertheless the game was brilliantly played by both teams. Our line considering the tonnage they charged played remarkably fine game. Syracuse earned every foot they made through them and was never sure of their distance in one or two downs.

Clark executed his spectacular "stunt" early in the game. Getting in on one of their forward passes, he captured the pigskin and ran sixty yards for a touchdown. Coulson played a good consistent game at right half. He was always in the game with his tackling, and smothering the interference. The ends, Winegardner and Nible, played good games, especially on the defensive.

For Syracuse Fisher's work in getting down under kicks was brilliant. Banks at quarterback and Horne, right tackle also did good work.

The lineup and summaries follows:  
Bucknell. Syracuse.  
Nible. Coulson. Fisher. Winegardner. Horne. Banks. Coulson. Clark. T. B. Stinson. Tolbert. C. F. Stein (Lehart).

Touchdowns—Bucknell, 1; Syracuse, 2. Goals from touchdowns—Bucknell, 1; Syracuse, 1. Goals from field—Syracuse, 1. Referee—J. A. Evans, Williams. Umpire—Louis Hinkley, Yale. Head Line-man—A. W. Riley, Colgate. Time of halves 25 minutes.

**Now for the Eastonians.**  
On Saturday Bucknell meets Lafayette. Judging from Lafayette's record this season, and especially her tussle with Penn. last Saturday, when she held the Red and Blue to a score of 15 to 0, we may expect an interesting game. Of the games played to date Lafayette scored 107 points against 41 points credited to her opponents.

A comparison of the teams is given below:  
Bucknell. Lafayette.  
Average Weight of Teams 175 lbs. 184 lbs.  
Average Weight of Lines 179 lbs. 187 lbs.  
Average Weight of Backs 164 lbs. 178 lbs.

**Matriculation Day.**  
The day for matriculation has been set for Monday, November 25. All Freshmen and Upperclassmen who have not yet been matriculated will be matriculated at that time, provided they shall be duly qualified.

Matriculation gives membership in the College and is a condition precedent to all degrees and honors as well as to honorable dismissal. No student is admitted to matriculation until he has shown by his class work during at least ten weeks and by his department that he is worthy of membership in the College.

**New Comet Nears the Earth.**  
Astronomers at the United States Naval Observatory have been making observations for the last two weeks on a new comet, which has been named the Mellish Comet, from the fact that its discoverer was J. E. Mellish, a farmer of Cottage Grove, near Madison, Wis.

About two weeks ago the Naval Observatory was informed of appearance of the comet and they began immediately to study its course. At least half a dozen observations were made and the investigation will be continued through the present week. It has already been ascertained that the new comet is approaching the earth. It is of the eighth magnitude and is not visible to the naked eye, but can be seen plainly with a small power lens. Mellish, in discovering it, is said to have used a home-made telescope.

### Act to Protect Fraternities.

An important act for the protection of college fraternity interests in the State of Pennsylvania was passed this spring. The act forbids the fraudulent use of the device, insignia, badge or emblem of any fraternity. It over ten years standing having a chapter in Pennsylvania; the publishing of an alleged or pretended secret of such societies; or the unauthorized direct or indirect use of the sized object or indirect use of the name of such organization. Violation of this law is constituted a misdemeanor, punishable by imprisonment of not more than three years, or by a fine not exceeding three hundred dollars, or either, or both, at the discretion of the court.

### John Griffith Goes South.

John Griffith, who as the guest of Prof. Perrine recently gave the students an informal talk on "Shakespeare and his Plays," presented "Richard the Third" to the student body of the University of Virginia, Oct. 29th.

## HALLOWE'EN IS OBSERVED WITH CUSTOMARY "STUNTS."

VIVID ACCOUNT OF GHOSTS' APPEARANCE IN WOMAN'S COLLEGE—OTHER GATHERINGS OF THE SEASON.

The witch season in making itself known at all its old haunts on the night of the thirty-first did not fail to creep into the House at the foot of the Hill. Here it was welcomed by "laces and graces" of varied and grotesque description. Fairy, fantastic fittings and elfish garbs of marvelous fashionings were there—a buzzing bevy of gay unguessable characters amidst scenes transformed to be met with the mystic observances. The array, pretty as promiscuous, first asserted itself in the dining room where Sir Jack O'Lantern smiled sulkily, his carved eyes shining with candle light. Lastly the old Bucknell songs and yells burst alike from the throats of Japanese ladies and colonial dames. Mother Goose darlings and fairy queens long ago consigned to the eternal shades—all spirits were of one spirit that night.

After dinner the girls of "Frill and Frown," who had brought enough frills along to compensate for lack of frocks, cultivated the eye-evil with a few gruesome ghost tales—just to make the ghosts feel at home and unmolested on this one night. Then followed the flight to the "Gym;" here great shoeks of corn boomed up in the inviting middle space of the floor while Sir Jack O'Lantern and all his brothers and sons grinned affably from distant shadows.

The invisible Wiltch felt herself subdued.

## DR. G. G. GROFF SPEAKS AT SPANISH-AMERICAN REUNION

HE IS ALSO ELECTED HONORARY MEMBER—OTHER BUCKNELLITES PRESENT—CAPT. FOLLMER, '77, PRESIDES.

Aud clear skies, waving flags and martial music furnished by Repass band, the fifth reunion of the Twelfth Regiment, Pennsylvania Volunteer Association, of the Spanish-American War, was celebrated at Lewisburg, Tuesday.

At three o'clock the business meeting was held in the open house, where the proceedings were interpreted with selections by the Williamsport band. The address of welcome was made by John S. Griffith, Burgess and Major W. C. Kling responded. The officers elected for the year were: President, Col. J. E. Coryell; Vice

Capt. W. R. Follmer.

Presidents, Major W. C. Kling, Philadelphia; Capt. W. R. Follmer, Lewisburg; Secretary, Corporal Samuel B. Wolfe, Lewisburg; Treasurer, W. D. Holloway; Executive Committee, Capt. E. L. Taylor, Dr. Ed. Lyons, Harry A. Bubb, George D. Post, Major General J. P. S. Gobin, Major G. G. Groff and Captain Evan Russell were elected honorary members of the regimental organization.

In the evening at seven o'clock the regiment was formed by companies as it paraded during the Spanish-American war, and headed by the band marched out Market to Seventh.

## ION JACKSON CONCERT CO. RENDERS FINE PROGRAM.

SUCCESS AUGURS WELL FOR RE-MAINDER OF COURSE.—EDWARD P. ELLIOT, IMPERSONATOR, NEXT.

The Ion Jackson Grand Concert Co. of New York, opened the season's Y. M. C. A. Entertainment Course last Monday night in the Methodist church. In spite of the rain, a full-sized audience listened to the concert and showed its approval by demanding an encore to every number on the program. The singing of Dr. Jackson, tenor, was especially fine, and he was ably assisted by Miss Hussey, contralto, Miss Priest, beautiful violinist and Mr. Schlieder, piano, each one an artist in his or her line. On the whole the concert was of a very high class and was a fit beginning for the best lecture course ever offered by the Y. M. C. A.

Edward P. Elliot, impersonator, will be the next number and will appear on Nov. 16 in "The Lion and the Mouse."

### College Bible Class.

In the college bible class Dr. Harris spoke of Cain's temptation and its likeness to that of the living generation. Temptation is a testing consisting of four factors—testing from within, or environment; the answering from within; man's free choice, the will and the relation of God to temptation, or the divine factor. Our whole life is a testing, and its character depends upon these four factors. The will is an especially strong factor, since man's "free choice" is strong enough to mount the others.

Because of this "power of choice," the individual is responsible for his character, which depends upon how the temptations or testings are decided. Temptations may be decided (a) from the level of the animal, following the lead of passion; (b) from the level of self-love with regard to one's future; (c) from the level of the moral, the influence for good upon one's fellowman; or (d) from the religious level, with reference to his relation to God.

There must be decadence within before there is response to the outward temptation which causes a fall. Cain was tempted from without by his failure and his brother's success, after strife and feud within, and, deciding from his passion or the animal level, fell.

Dr. Levi B. Hartman, of Voreester, O., retired Baptist clergyman, passed away last Saturday morning. The venerable doctor was a warm friend of Bucknell.

## EX-PRESIDENT AND ALUMNUS IN LINE FOR PROMOTION

DR. D. J. HILL MAY BE ADVANCED TO BERLIN EMBASSY.—J. H. WILLIAMS, '00, MEETS DEATH IN MINE.

In view of the intended retirement of Ambassador Tower, at Berlin, Dr. David Jayne Hill, Minister to the Netherlands, name he said to be under consideration for promotion to the grade of Ambassador at Berlin. Dr. Hill was graduated from Bucknell University in the class of 1874, and is Ex-President of Bucknell and Rochester Universities. At present he holds the position of Envoy Extraordinary to the Netherlands; and as the appointment will be made by promotion, he will in all probability be tendered the position made vacant in the Berlin Embassy.

John H. Williams met death as a result of the burning of a breaker of the Pennwood colliery Friday night. His body was missed during the fire and early the following morning it was found lying across a live electric wire.

Mr. Williams was a member of the class of 1900. He was connected with the Pennwood colliery since his graduation from Bucknell, and held for several years the office of superintendent of that colliery.

## DR. B. L. WHITMAN PAYS ANNUAL VISIT TO BUCKNELL

THE DOCTOR RELATES EXPERIENCES IN THE ORIENT—VIEWS ILLUSTRATE HIS FIRST ADDRESS.

Upon two different occasions this week the faculty and students of Bucknell had the pleasure of hearing their old favorite Dr. B. L. Whitman lecture on the East. Coming to us fresh from his trip to China and Japan he gave his hearers in two vivid and instructive addresses the result of what he had observed during his stay in those countries. At each appearance he was greeted by a large and appreciative audience.

Doctor Whitman's first address was given in the chapel Thursday evening. The effect of his words was heightened and complemented by a fine lantern and collection of slides. For nearly two hours a continuous procession of views illustrating his talk were thrown upon the screen. The slides, which were taken during the trip by one of Dr. Whitman's traveling companions, gave to the audience glimpses of the people, life and environment of these two countries. The constituents of this varied and almost bewildering array were connected and unified by the accompanying remarks of the speaker.

His selection of these small yet actually distinguishing details which differentiate the life and people of the Orient from those of the Occident, showed that he had been keenly observant throughout his journey. His witty and pungent comments on the various views together with the interspersed personal touches showed also that the speaker had completed with the injunction of Maendahl and taken out with him the riches of the Orient before he attempted to bring them back to his friends in America.

Dr. Whitman's second lecture was given on the following morning at 8.15. At this time he deduced and summarized the teachings of the things depicted the evening before.

Pursuing the scientific method in his study of China, he found it to be a country of contradictions. A poor nation dwelling in a country of extraordinary fertility, the Chinese, through lack of foresight expose their property to destructive floods and droughts, which bring in their train famine and misery. The Chinaman is potentially great yet he has done nothing for others. Though he invented printing, gun powder and many other modern acquisitions, he withheld all knowledge of them from others.

In their all inclusive religious system is still another contradiction. For although the average Chinaman is a Taoist, Buddhist, and Confucianist all at the same time, yet none of these religions possess any vitalizing, spiritual, dynamic element. There is nothing in any of them to assist the man who is down to get on his feet. And lastly, their political organization presents a striking contradiction. A people intensely democratic are dominated by an absolute monarch whose word is law.

To the American student this land of contradiction is a land of opportunity. The nation itself is just now undergoing a period of awakening. Now as never before China herself feels the need of a higher education. Her need of broad-minded, scholarly men is equally imperative. Such a tremendous opportunity of assisting a great people to find themselves, has never before presented itself to the students of this day and generation.

## ORANGE AND BLUE LOSES TO MAROON AND WHITE

HEAVY LAFAYETTE TEAM TAKING ADVANTAGE OF BUCKNELL'S CRIPPLED MEN SCORES 34 POINTS.

In as hard a fought contest as the Varsity played this season, they lost to Lafayette on March Field by the score 34-0.

The game was fast and spectacular, abounding in punting and long runs.

Bucknell, at a disadvantage in weight upon a soft gridiron. Bucknell was further handicapped being compelled to play the limit of 35-minute halves with a crippled team.

Twenty-seven minutes of the first half had elapsed before Lafayette scored a touchdown. Soon after the kick-off, Bucknell held for downs on the 5-yard line and secured the ball, but an attempted punt was blocked and Kirkpatrick fell on the pigskin for the second touchdown. Chalmers kicked both goals. The first half ended, Bucknell, 0; Lafayette, 12.

Bucknell weakened perceptibly in the second half and Lafayette made three more touchdowns and a place kick, while Bucknell was kept out of play by the defensive. The Eastern team kicked both goals. The Eastern team kicked off to Bucknell, who immediately punted. McCahey returned the kick with a 60-yard boot, the longest punt of the game. When Bucknell again kicked Edwards heeled the ball; and upon the free kick Chalmers sent the pigskin from the 40-yard line squarely between the goal posts.

The three touchdowns made during this half were hand earned by Lafayette, for although the home team displayed splendid offensive playing, Bucknell only reluctantly gave away. Just eight plays sufficed to make the first of these touchdowns, a run of 50 yards accomplished the second, Bucknell's kick blocked and recovered by Lafayette resulted in the third and final. Again Chalmers kicked each goal.

Tolbert, Edmunds, Clark, Watkins and Coulson played well for Orange and Blue. Chalmers' phenomenal game, McCahey's punting and Lee's defensive work were features of the Maroon and White's playing.

## PRESIDENT HARRIS GIVES TALK TO MINISTERIALS

THE DOCTOR GIVES ADVICE TO PROSPECTIVE PREACHERS—SUGGESTS HELPFUL STUDIES.

The Ministerial Association held a meeting in Theta Alpha hall Wednesday afternoon and listened to a practical and interesting address by Doctor Harris. The president spoke on the preparation of a minister should have before entering upon the duties of a minister, which he said were the highest and most important in the world.

He said that relatively speaking the ministry of today is not as high as it was a hundred years ago, when the minister was the only educated person in the community; but in a broader sense, the minister occupies a higher position today than ever before. He is the spiritual adviser of the most educated classes. He must be able to counsel and help lawyers, physicians, teachers, business men—in short men of almost every calling or profession.

The minister of today, therefore, must be a man of high and choice culture. He must be ready and willing to receive instructions; especially in the delivery of sermons should he strive to correct defects in his delivery by competent persons. The minister must also be in earnest; and show his earnestness in his whole life.

Choice culture comes from the study of great books. The New Testament is the greatest of all books. The minister must know his greatest of all books thoroughly; he must study it carefully, he must make the New Testament his specialty. Dr. Harris began early in his ministerial career to read the New Testament through once every month. Again, the minister must broaden his culture by the study of poetry. He should study not only Old Testament poetry but also present day poetry.

Finally, the minister should study the great book of human life; he should study nature; he should study the life of the great men of the world; he should draw on these studies for metaphors in his sermons and in doing this he will be following in the lead of the master, who was continually drawing his great illustrations from the simple every day life about him.

New Chemical Society Meets.

Under the direction of Prof. Owens a chemical society composed of those students who are not so far advanced as those of the original Chemical and Physical Society, has been organized.

The new society will be in charge of Prof. Owens, while the older one will be managed by Prof. Tilley.

The recently organized society rendered its first program in the Chemical Laboratory, Thursday afternoon.

Gorton, '10, spoke on "The Air in N. Y. Subways," and Hartsborn, '10, elucidated the complex subject, "The New System for the Fixation of Nitrogen." Plans for future meetings were discussed and adopted.

## LET'S CHANGE THE TUNE.

Next Saturday on the University field our eleven, which has played under such unfavorable circumstances to date, will take the field against the Red and White in a persistent determination to keep its record clean at least in the home game. To do this will be no mean task. In spite of the large score State ran up on the "brothers to the Indians," and the latter's bungling use of the forward pass, the Dickinsonians feel confident of defeating us and will fight hard to do so.

Now to a large degree it lies in the power of the student body to say whether Saturday's game shall result in victory or defeat for us. Are we going to permit the Varsity to lose the biggest and best of the three games which we have the pleasure of seeing on our home grounds? Surely not.

Let every student, then, "get busy" and on Friday night go to mass meeting and yell for the team. Then, during the game it will be necessary for "rooting" purposes, that the boys arouse a storm by themselves. This arrangement will no doubt involve a sacrifice on the part of some fellows; but buy a ticket for your girl, and for this one time forego the pleasure of her company—she will be glad to be rid of you—and help the hard working Varsity to carry off the honors.

**News From The Literary Halls.**  
The regular meeting of Euripus was presided over by Van Why, '08, in the absence of the president. Hodge, '10, delivered a five minute talk on the "Merevency Motive." An eloquent debate followed on the he abolished the man in the moon question: "Resolved, that examinations be abolished at Bucknell." The affirmative was upheld by Dwyer, '11, and Kresge, '10, negative; Smith, '10, and Hodge, '11.

A varied program was presented at the meeting of Theta Alpha. Small, '11, spoke on a timely subject, "The International Bulion Contest." The next four minutes were occupied by Fetterman, '10, on a selected topic, and he was followed by Shrum, '08, who talked on "The Importance of the Social Event in the College Man." Considerable interest was aroused by the debate: "Resolved, that the average preparatory school better fits its graduates for taking a creditable part in college life than the average high school." The question was discussed as follows: affirmative, Fetter, '10, and Snyder, '11, negative, Nyberg, '09, and Lawrence, '11.

YOUNG GRADUATES WIN  
IN ELECTION TUESDAY

STEININGER, '03, AND DEIBLER, '09, ELECTED DISTRICT ATTORNEYS.—THE LATTERS RE-MARKABLE RUN.

The first Republican District Attorney in the political history of Northumberland county, is the distinction won by A. K. Deibler, '09, last Tuesday. He defeated Burke, the Democratic candidate, by a sweeping majority of 2,085 votes. Even at Shamokin, his home town where a Democratic candidate for Sheriff received a majority of 1,100 the successful young lawyer carried the town on the Republican ticket. The active part in college politics and elections taken by the District Attorney Elect, proved an auspicious start for him in the political world, and it is not at all probable, that its culmination has been reached.

Cloyd N. Steininger, '03, of Lewisburg, was elected to the office of District Attorney of Union county on the Republican and Democratic tickets. Mr. Steininger is a rising, self-made man. He occupies a high place

Cloyd N. Steininger, '03.

In the estimation of his fellow attorneys, and has won the confidence of the people of his native county and those elsewhere to whom he is known.

Another graduate of Bucknell who is in line for congratulations is T. E. Halpin, Prothonotary-Elect of Union Co. Mr. Halpin was named Prothonotary last year and has filled out that office so creditably that his reelection was practically assured. He was graduated with the class of 1875.

**Gridiron Notes and Gossip.**  
Get ready for Dickinson.  
Walter is the biggest man in the estimation of the Cornell students on the Big Red team.  
The "Big Four" are in poor shape this season. The Princeton and Yale line-men are raw and undeveloped. Harvard's work has caused a great deal of dissatisfaction at Cambridge. Pennsylvania played like a minor college against the Indians.  
It is a noticeable fact that with two or three exceptions all of the teams that have been scored on have been scored on at least twice. That is true of Harvard, Princeton, Pennsylvania, Cornell, Carleton, Ann Arbor, Brown, Dartmouth, Amherst and most of the others.  
The statistics of the Williams players, published in a college organ shows a remarkable dissimilarity of weight between the heaviest and the lightest man on the team, if there has not been a misprint. The weight of Wadsworth, the Williams' quarterback, is given at 122 pounds, and of Harter, guard, at 216 pounds, a difference of ninety-four pounds, unless the type slipped a cog.

## COLLEGE AND TOWN.

Everybody is eagerly awaiting the Dickinson game.  
The students are beginning to sharpen their turkey teeth.

George R. Bliss, '03, called on friends at the hill on Sunday.

A stag party of students enjoyed a drive to Chillisque Saturday night.

James, '08, Marsh, '11, and Snyder, '08, accompanied the team to Lafayette.

Boyer, '08, has left college for a time on account of sickness at his home.

McAllister, '11, has returned to college after a visit at his home in West Pittston.

Irey, '08, spent Saturday and Sunday with Kase, '08, at the latter's home in Danville.

Fritz, '09, went to Bloomsburg, his home town, to see the reserves defeat Bloomsburg Normal.

The Williamsport high school team defeated the town eleven by the score of 22-0 on the University field Saturday.

Geo. W. Cockill, '05, in the employ of the Penna. Steel Co., at Steelton was the guest of Lewisburg friends over Sunday.

The caterers of the various eating clubs are again able to provide milk for the Freshmen, as the local milk trust has been dissolved.

A blue heron, about four feet high, was shot by a canoe party last week.

The crane was given to Wilkinson, '09, who will mount it for a specimen in the Natural History Museum.

In the "Coming Leader" is an article stating that Guyer, '09, and Miltch, '10, stopped at Corning en route home from the Bucknell-Syracuse game, and expressed themselves as being well pleased with the paved streets, and modern and up-to-date appearance of everything, especially of the Baptist church of that place.

## ALUMNI NOTES.

Irwin A. Bartholomew, '02, has accepted a position with the Midval Steel Co., and enters upon his new duties today.

Rev. Fred D. Finn, '06, who has been engaged in special religious work in Chicago for some time, has accepted the pastorate of the Baptist church at Waverly, Pa. He will assume his new position about December 1.

A. W. Geary, '09, who for several years has been principal of the Carbondale high school, is holding a similar position in Paterson, N. J. this year. Mr. Geary secured his position through a competitive examination, and showed the best test in competition with fifty-seven applicants.

Two Graduates Write Interesting Article.

In the November "Good House-keeping," appears an article on "New Friends for the Table," written by Mary and Lewis Thies, '04, and '02, respectively. The article, which is accompanied by five illustrations, is descriptive of a number of new vegetables introduced from Japan and other countries with a climate similar to ours by a Mr. Fullerton, of Long Island. Mr. Fullerton has succeeded in raising crops of these vegetables at his home near New York City. Many of the "new friends" are interesting merely as novelties, but some of them are far superior in various respects to their American counterparts and will likely be adopted by the American gardener in the near future.

This article is one of a number which Mr. and Mrs. Thies have had published in the magazines lately, and, like the other work from their pens, is very well written.

ARE YOU USING OR ABUSING  
YOUR LIBRARY PRIVILEGES?

Statistics show that there is more  
library reading during the month  
of November, than during any other  
month of the year. This fact should  
appeal to the average student and  
lead him to ask whether or not he  
has been making the best possible  
use of his college library, especially  
during this, the latter month, if he  
finds himself guilty, he should endeavor  
to acquit himself by correcting his  
particular shortcomings in this im-  
portant part of his college course.

Most students do not read to little  
collateral reading. With such a  
wealth of the best thoughts of the  
best thinkers at their disposal, it is  
a deplorable fact that so few of  
the students avail themselves of it.  
Surely now is the time to read a  
reasonable amount every day; for  
when once out of college neither time  
nor circumstances will admit of such  
systematic personal and in-  
structive literature as is possible in  
college, where high reading matter  
and competent direction of the same  
are gratuitously and freely provided.

Another fault that is unfortunately  
not so common, grows out of negli-  
gence on the part of a student who  
takes a book from the library and  
fails to return it within a reasonable  
time. Such a culprit is selfish. He  
is like the fabulous dog in the man-  
ager; he does not read the book him-  
self, and—what is far worse—keeps  
others from perusing it. A student  
further abuses his reading privileges  
by "kidnapping" current literature  
and reference books that should not  
be taken from the shelves or shelves,  
as they should be available to all the  
students at all times.

But worse than any of the above  
mentioned offenders, is the student  
who so far perverts the proper use  
of the library, that he or she il-  
lustrates places of it a "stage whis-  
pering" make, in which to chat and have  
a jolly time, irrespective of sun-  
day to fellow students. Surely such  
disregard and want of respect for  
the feelings of others is deplorable,  
and highly so among college-bred men  
and women.

A careful scrutiny of the library  
rules and maxims, posted to the left  
of the entrance, is recommended to  
every thoughtless violator of the ex-  
tremely few regulations, which are  
almost universally accepted, and

which should need no enforcement in  
a public library—much less in a  
college reading room.

### COLLEGE COMMENT.

Conditions indicate that the last  
game on the schedule, "U-Shin-Eat  
Jersey Fluke," will be the most sat-  
isfactory one of the season.

It is unfortunate that there was  
room in the sporting sections of the  
different newspapers to report the  
second half of the Swarthmore game  
Saturday.

The best football players last week  
were the middle ones.

May for the Thanksgiving breath-  
ing spell and the turkey dinner.

The Sophomores bedaubed the walk  
of the town on last Friday night,  
—an indication that they have not  
yet forgotten their prep school days.

### MANY NEW SPECIMENS ADORN BIOLOGICAL MUSEUM

Concluded from first page.

For fowl, the surrounding mountains  
afford an excellent home for game  
and forest birds, while the marshes  
near Montandon abound in hawks,  
owls, waders and swimmers. All of  
these feathered creatures are given  
special attention in the present time  
by the department. Many valuable spec-  
imens were added during the past  
summer. The collection of ducks is  
completing. It contains Canvas-  
backs, Mallards, Pintails, and  
Pintails.—In all over forty of the  
quacking waddlers.

The whole collection is so arranged  
as to give a knowledge of the  
living, not the dead bird; and to illus-  
trate the habits of our commonest  
birds. The collection is designed to  
be a mean, not an end, of ornitholog-  
ical research. Prof. Davis desires to  
make a collection that will illustrate  
the philosophy of zoology as well as  
the beauty of the animate forms  
while nature so beautifully gives us.  
How admirably the professor has suc-  
ceeded, may be learned from a glance  
at the birdhouses, with men and  
eggs showing protective coloration;  
a woodpecker, knocking on a tree to  
bring a squirrel out of its hole to  
ascertain the cause of the disturbance;  
or the natural arrangement of the  
plumage, oaks and eagles.

A visit to the work shop Satur-  
day morning, proved extremely inter-  
esting and instructive to the writer.  
Wilkinson, '08, with the de-  
vice of a woman taxidermist, was  
mounting a monster swan, recently  
received from North Carolina; while  
Prof. Davis was engaged in skinning  
a duck, a Redhead. The laboratory  
will be filled with specimens in var-  
ious stages of preparation. A large  
barned owl perched on a pedestal was  
recently wrapped with cord to hold its  
feathers in place during the process  
of drying. The delicate and intricate  
operations that were going on, led  
the writer to realize that mounting  
a bird is just as timely an art as  
that of painting the most beautiful  
landscape.

Dr. and Mrs. Harris Tender Recep-

President and Mrs. Harris gave a  
reception to the Faculty on Thurs-  
day evening, at their home on Uni-  
versity Avenue. Covers were laid for  
ninety-four people, who spent a very  
pleasant evening. Milton W. Levy,  
Esq., of Scranton, attended the func-  
tion as an out of town guest. In the  
course of the evening Stolz, '08, favor-  
ed those present with a few select  
songs. After conversing over their  
coffee cups, the guests well pleased  
with the success of the event, took  
their departure.

Thanksgiving Recess Declared.

A recess of three days has been de-  
clared to celebrate the time hon-  
ored Thanksgiving day. The class work  
will cease Wednesday noon, and will  
be resumed the following Monday  
noon. The Orange and Blue wishes to  
all its readers a pleasant Thank-

landscape.

Dr. and Mrs. Harris Tender Recep-  
tion to Faculty.

President and Mrs. Harris gave a  
reception to the Faculty on Thurs-  
day evening, at their home on Uni-  
versity Avenue. Covers were laid for  
ninety-four people, who spent a very  
pleasant evening. Milton W. Levy,  
Esq., of Scranton, attended the func-  
tion as an out of town guest. In the  
course of the evening Stolz, '08, favor-  
ed those present with a few select  
songs. After conversing over their  
coffee cups, the guests well pleased  
with the success of the event, took  
their departure.

Thanksgiving Recess Declared.

A recess of three days has been de-  
clared to celebrate the time hon-  
ored Thanksgiving day. The class work  
will cease Wednesday noon, and will  
be resumed the following Monday  
noon. The Orange and Blue wishes to  
all its readers a pleasant Thank-  
sgiving celebration.

for fowl, the surrounding mountains  
afford an excellent home for game  
and forest birds, while the marshes  
near Montandon abound in hawks,  
owls, waders and swimmers. All of  
these feathered creatures are given  
special attention in the present time  
by the department. Many valuable spec-  
imens were added during the past  
summer. The collection of ducks is  
completing. It contains Canvas-  
backs, Mallards, Pintails, and  
Pintails.—In all over forty of the  
quacking waddlers.

The whole collection is so arranged  
as to give a knowledge of the  
living, not the dead bird; and to illus-  
trate the habits of our commonest  
birds. The collection is designed to  
be a mean, not an end, of ornitholog-  
ical research. Prof. Davis desires to  
make a collection that will illustrate  
the philosophy of zoology as well as  
the beauty of the animate forms  
while nature so beautifully gives us.  
How admirably the professor has suc-  
ceeded, may be learned from a glance  
at the birdhouses, with men and  
eggs showing protective coloration;  
a woodpecker, knocking on a tree to  
bring a squirrel out of its hole to  
ascertain the cause of the disturbance;  
or the natural arrangement of the  
plumage, oaks and eagles.

A visit to the work shop Satur-  
day morning, proved extremely inter-  
esting and instructive to the writer.  
Wilkinson, '08, with the de-  
vice of a woman taxidermist, was  
mounting a monster swan, recently  
received from North Carolina; while  
Prof. Davis was engaged in skinning  
a duck, a Redhead. The laboratory  
will be filled with specimens in var-  
ious stages of preparation. A large  
barned owl perched on a pedestal was  
recently wrapped with cord to hold its  
feathers in place during the process  
of drying. The delicate and intricate  
operations that were going on, led  
the writer to realize that mounting  
a bird is just as timely an art as  
that of painting the most beautiful  
landscape.

## REVIEW OF FOOTBALL YEAR IS FULL OF PARADOXES

**BUCKNELL VARSITY LOSES HEAVILY BUT PLAYS SCIENTIFIC BALL. — COACH COSTELLO'S WORK SUCCESSFUL.**

The work of Bucknell's Varsity, coach and trainer must be pronounced satisfactory by every one who takes a thoughtful survey of the season just closed. Paradoxical as this statement may seem, it is nevertheless true. Bucknell has won every game—save the one with W. U. P.—which she had any title or right to win.

But why has the Varsity lost so many games? Because the schedule proved too much for it. After the first two games of the season, the team received such a series of mishaps from the big and strong eleven, that unable to develop offensive playing and almost completely exhausted, it was bound to finish weak. Witness the Lafayette or the Swarthmore contest.

That the Varsity was scientifically coached and did justice to such coaching whenever it met a team of its own class, was shown in the Gettysburg and Dickinson games, which abounded in cleverly executed scientific plays. Even in the struggle with W. U. P. every spectator must admit that the Orange and Blue played in better form than the Western men, and should have won the game.

These facts speak well for the part the coaching force played in carrying out the heavy schedule. In spite of the regular defeats met by the Varsity, as many as fifty men in a single afternoon would don uniforms and give the college eleven practice. Coming to Bucknell, a perfect stranger, Coach Costello has brought out much latent football talent, which next year and the year following promises to do him credit and to help him swallow the reverses of his first year at Bucknell.

The summary of the games played by Bucknell this season follows:—  
Manfield, Lewisburg, Sept. 21, 15-2.  
Gettysburg, Lewisburg, Sept. 28, 5-0.  
Pennsylvania, Phila., Oct. 5, 2-25.  
Princeton, Princeton, Oct. 12, 0-2.  
Indiana, Carlisle, Oct. 19, 0-15.  
W. P. U., Allegheny, Oct. 2, 0-12.  
Syracuse, Syracuse, Nov. 2, 6-20.  
Lafayette, Easton, Nov. 9, 6-24.  
Dickinson, Lewisburg, Nov. 16, 48-0.  
Swarthmore, Swarthmore, Nov. 23, 4-25.  
W. & L., Lynchburg, Nov. 28, 2-0.  
Totals: Bucknell 82; opponents 159.

## "OPPORTUNITIES IN CHINA" DISCUSSED BY HARVEY, '00

**Y. M. C. A. SECRETARY IN TIENTSIN, CHINA, VISITS ALMA MATER AND ADDRESSES THE STUDENT BODY.**

Charles W. Harvey, '00, Y. M. C. A. Secretary in Tientsin, China, gave a talk on "Opportunities in China" in Bucknell Hall, Thursday night. A large crowd of students enjoyed the remarks of this earnest speaker, whose work in the "Far East" has been proof of whom every loyal son of Bucknell may well be proud. The conclusion of his address a subscription was taken for the work in Tientsin, additions to which will be received at any time by the treasurer of college Y. M. C. A.

Miss Mohring, '11, delighted the audience with an excellent musical number on the clarinet.

## EXECUTIVE BOARD AWARDS "BS" TO 13 FOOTBALL MEN

**O'BRIEN IS ELECTED TO LEAD BUCKNELL'S SQUAD NEXT SEASON. — GENERAL ATHLETIC ELECTION SATURDAY**

At a meeting of the Executive Board of the Bucknell Athletic Association on Thursday, football "13" were awarded to the following players for the season just closed: C. A. Niple, Sunbury, captain; James Clark, Kane; E. S. Snyder, Westport; L. O. Hirsch, Honesbrook; C. P. Edmunds, Waterford; Charles O'Brien, Nanticoke; Stanley Tolbert, Athens; James A. Groff, Lewisburg; Ralph G. Weinigandner, Muncy; Earl G. Watkins, Scranton; Chas. Dickinson, Jenningsville; M. Sayre, New Brighton; Harry R. Coulson, Donora.

The football men held a meeting in the Gymnasium Saturday morning and elected Charles O'Brien, of Nanticoke, captain for the year 1908. "Patsy" is a husky man of twenty years, weighs one hundred and eighty pounds, and is 5'9" feet in height. During the season just closed he very creditably played the position of right tackle. He will graduate with the class of 1909.

The regular annual meeting of Bucknell Athletic Association will be held in the Gymnasium on Saturday morning at 10 a. m. An assistant football manager, the officers of the association and several members of the executive board will be elected. The association positions to be filled are those of president, vice-president, secretary and treasurer; while those of the executive board are one member of the faculty, one alumnus, and two members of the junior class. In addition to these positions a new one may be created to assist the treasurer in his department. In that event, an assistant treasurer will be elected.

Trainer Hoskins Makes Out The Schedule for Physical Training Classes.

The gymnasium will be open from 10.30 a. m. to 12.00 noon; 2.00 p. m. to 6.00 p. m. Physical measurements from 10.30 a. m. to 12.00 noon; 2.00 p. m. to 4.00 p. m. Exercise for all students, 4.00 p. m. to 5.45 p. m. except Saturdays. Gymnasium open Saturdays from 2.00 p. m. to 5.00 p. m.

## STATE COLLEGES WILL JOIN IN INTER-COLLEGIATE SPORTS

**REPRESENTATIVES MEET IN HARRISBURG TO FORM STATE INTER-COLLEGIATE ASSOCIATION.**

Nine Pennsylvania colleges were represented at a meeting in Harrisburg on December 4 for the organization of a state inter-collegiate association. Committees to prepare a constitution and by-laws and to suggest officers were appointed and will report in a few days.

The colleges represented were Bucknell, Carlisle Indians, Dickinson, Lafayette, Lehigh, Pennsylvania State, Temple, Washington and Jefferson and Muhlenberg.

Every College in the State except the University of Pennsylvania, is eligible to membership in the association, which will hold track meets every spring. The first meet will be held in Harrisburg on May 30 next.

The people of Harrisburg will donate a cup or banner for the team winning the meet, and gold, silver and bronze medals for individual prizes and pay the expenses of the teams while in Harrisburg.

**D. B. Spanogle, ex-'06, Weds.**  
The residence of Edwin C. Sedgewick, a merchant of Lancaster, was the scene of a brilliant wedding Tuesday evening, when his daughter, Miss Martha E. Steigerwalt, one of Lancaster's beautiful young women, was married to Donald B. Spanogle, of Lewisburg. The Rev. Dr. J. E. Whitaker, of Lancaster, and the Rev. Franklin F. Fry, of Rochester, N. Y., an uncle of the bride, performed the ceremony.

After the reception Mr. and Mrs. Spanogle left for a trip to the South. They will live in Lewisburg.

**Get Your Pictures Taken.**  
The management of the L'Agenda desires that all photographs, individual and group, which are to be used in the class book, be taken before the opening of next term. Pictures of members of the class must be in not later than Jan. 7th, in order to be accepted.

**Attention.**  
Meeting of West College Association, Tuesday, Dec. 10, at 9 o'clock, in the Y. M. C. A. Room.

## JUNIOR DEBATERS COMPLETE REQUIRED WORK OF COURSE

**CONTEST FOR POSITIONS ON FINAL DEBATE WILL BE HELD NEXT TERM. — QUESTION FOR DEBATE.**

The candidates of the Junior class for honors in debate have finished the required work of the course. According to the usual plan they will enter a preliminary contest early next term. The subject for discussion will be one that has engaged the attention of the most eminent statesmen and economists of civilized nations—Resolved, That boards of arbitration with compulsory powers should be established to settle disputes between employers and wage-earners.

If the excellent work done in the preliminary debates can be used as a standard of judgment, the preliminary and final contests will be of rare interest and of great educational value to the student body.

## BUCKNELL CLOSSES SEASON WITH DESERVED VICTORY

**FORGETTING PAST WILLOWS, VARSITY PLUNGES INTO MILITARY SQUAD AND WINS LAURELS.**

Bucknell fittingly ended her heavy schedule on Thanksgiving day by defeating Washington and Lee at Lynchburg, Va., by the score 2-0.

Washington and Lee played a defensive game and at no time was the Orange and Blue in danger of being scored on until the middle of the last half. Washington and Lee then assuming the offensive, lost her only chance of scoring by two's, letting the ball touch the ground on a forward pass.

Bucknell's score was made by punting the ball within a half yard of their opponent's goal early in the first half, when Wadill trying a touchdown was thrown by two's for a safety.

The game was remarkable for its closeness. It was the only one of the season in which Bucknell outweighed her antagonists.

The lineup and summaries:—  
**W. & L. Positions.** Bucknell: Larrier, (Hoge), Snyder, Pipes, E. E. Groff, Edwards, Osborne, K. L. H. Baldwin, White, O'Brien, (Harber), Doy, Capt. Niple, (Engle), Wadill, Wheeler, Whigardner, Ward, Watkins, Brown, H. H. Albion, Baskins, Street, H. B. Hawk, Alderson, F. B. Tolbert, Referee, Barry, of Georgetown; Campes, McCarty, of Germantown; Reed, Hinesman, Rely, of Georgetown; Time of halves, 25 minutes.

**A Circle in Football.**  
Pennsylvania may be represented as a gridiron sear on scuffling its tail. It will be remembered that Penn. Cornell, Cornell defeated Princeton, the Tigers "chewed up" the Indians, who in turn scalped Penn. Comparative scores are not reliable this year. They may, however, constitute proof for the victors and consolation for the vanquished.

**Taxidermist Eldon Remembers Bucknell.**  
Charles H. Eldon, a Williamsport taxidermist, has presented the Biological Museum with a fine specimen of the Brant's Duck, a bird of the Arctic regions. It had wandered from its native haunts to Linden, a small town about five miles west from Williamsport, where it was killed.

## COACH COSTELLO

Snyder, '11, is Given Place on All-American.

The "Sunday Call" of Newark, N. J., in commenting on the All-American football team says in part:—  
"Phillips, of Princeton, did many things of a valuable sort that most centers could not do. His passing was sure, he handled his men well, and was strong in all his defensive play. Second to him in reliability and usefulness was Snyder, of Bucknell, a bulwark of that team's line."

**HARRY STEEL.** The Man of Galilee. Before an audience filling the Methodist church to its capacity, Hon. Geo. R. Wendling delivered his celebrated lecture, "The Man of Galilee." Although the story of the life of Christ has been told time after time, this dramatic portrayal of the English language told it in so forceful and novel a manner as to rivet the attention of his hearers from the introduction to the portrayal of his wonderful lecture.

Professor Perrine appropriately introduced the speaker, who at the very outset delved into the heart of his subject. Starting with the proposition that man wants a king, the orator showed that mankind found a king of Kings in the person of the Man of Galilee. After keenly analyzing and vividly describing the mental and intellectual traits of Christ, and showing how superhuman and divine they appear when compared with like traits in man, the fluent lecturer showed that to a person like Christ the performance of miracles was not an extraordinary but an insignificant feat to accomplish.

The climatic peroration was gracefully dispensed with, when the speaker so wrought up in his subject as to assume an almost dramatic attitude, explained that words were wholly inadequate fittingly to pronounce a summary—not to mention a climax—upon the close of the mundane life of the Man of Galilee.

## ATHLETIC ASSOCIATION HOLDS FALL MEETING

**TREASURER'S REPORT SHOWS  
GAIN OF \$403.47 FOR SEASON.**

The semi-annual meeting of Bucknell Athletic Association was held in the gymnasium, at ten o'clock, Saturday morning. In addition to the transaction of the regular business of the association, several new matters were taken up and settled.

The office of assistant treasurer was created.—Academy Sends Official Note of Dissolution.

The office of assistant treasurer was created by the adoption of the following sections as amendments to the constitution: Section 1. On the first Saturday of June, there shall be elected an assistant treasurer, who shall assist the treasurer, and who shall succeed the treasurer one year after his election as assistant, subject to the approval of the Executive Board. Sec. 2. The term of office of treasurer shall be one year, beginning on the first Saturday of June.

There was also read an official note from the Academy, which stated that the Academy students had organized an association of their own; that they would no longer vote at the college athletic elections; and that they in return would not honor season tickets as admission tickets to their games.

A motion was passed to retain the present incumbent of the office of treasurer. For the first time in a number of years, the officers of the association were elected by acclamation. They are:

President, Royer, '09.  
Vice president, Edwards, '09.  
Secretary, Dawson, '10.  
Asst. treasurer, Posten, '09.  
Asst. football manager, Vele, '10.  
Faculty member, Advisory Board, Prof. Wolfe.  
Alumnus member, Advisory Board, Prof. Helm.

Student members, Advisory Board, Ritter, '09, and Tolbert, '09.  
Treasurer Snyder read his report of the football season, which is appended herewith:

**HARRY STEEL.** The Man of Galilee. Before an audience filling the Methodist church to its capacity, Hon. Geo. R. Wendling delivered his celebrated lecture, "The Man of Galilee." Although the story of the life of Christ has been told time after time, this dramatic portrayal of the English language told it in so forceful and novel a manner as to rivet the attention of his hearers from the introduction to the portrayal of his wonderful lecture.

Professor Perrine appropriately introduced the speaker, who at the very outset delved into the heart of his subject. Starting with the proposition that man wants a king, the orator showed that mankind found a king of Kings in the person of the Man of Galilee. After keenly analyzing and vividly describing the mental and intellectual traits of Christ, and showing how superhuman and divine they appear when compared with like traits in man, the fluent lecturer showed that to a person like Christ the performance of miracles was not an extraordinary but an insignificant feat to accomplish.

The climatic peroration was gracefully dispensed with, when the speaker so wrought up in his subject as to assume an almost dramatic attitude, explained that words were wholly inadequate fittingly to pronounce a summary—not to mention a climax—upon the close of the mundane life of the Man of Galilee.

Phila. Alumnae Club Prospects.

One of the most progressive of the women's college clubs of Philadelphia is that of the Bucknell Alumnae. They held their autumn luncheon at Winkley's, 1904 North Broad street.

The literary part of the exercises, under the leadership of Mrs. A. J. Rowland, consisted of short talks on books that have proved interesting during the summer, also readings from Shakespeare, by Miss Florence C. Taylor. The following women are officers of the club: President, Mrs. Daniel Suter; vice presidents, Mrs. I. H. Oltava; recording secretary, Miss Letitia Matthews; corresponding secretary, Mrs. J. W. Lynch; assistant corresponding secretary, Mrs. Ruth Hannant; treasurer, Mrs. Dewey A. Cobb.

## MANAGER INNES ARRANGES FINE BASKET-BALL SCHEDULE

**THE ADVISORY BOARD FORBIDS  
GAMES WITH ATHLETIC CLUBS**

All Games But Two Will be Played at Home—No Games with Larger Colleges This Season.

The basketball schedule for the coming season has been completed by Manager Innes, '08. It is bristling with games that promise to be close and interesting. There remains open only one date, which may be closed by a game with our football adversary, the Western University of Pa. All the games will be played at home excepting the last two, which will be played at Gettysburg and at Lancaster.

An attempt to arrange games with Penn, Columbia and other large colleges proved futile. The teams of these colleges have their home schedules filled, and make their trips the last week in December and the first week in January, when Bucknell is not in session. The ruling of the Advisory Board forbidding games with Athletic Clubs, keeps the strong Harrisburg Collegian team from meeting our five this season.

The schedule is given below:  
Friday, Jan. 10, Susquehanna University at Lewisburg.  
Saturday, Jan. 18, New York Law at Lewisburg.  
Saturday, Jan. 25, Wyoming Seminary at Lewisburg.  
Saturday, Feb. 1, Franklin and Marshall at Lewisburg.  
Friday, Feb. 7, Lebanon Valley at Lewisburg.  
Thursday, Feb. 20, Alumni at Lewisburg.  
Saturday, Feb. 22, Swarthmore at Lewisburg.  
Saturday, Jan. 28, Open.  
Thursday, March 5, Kenka College at Lewisburg.  
Saturday, March 7, Delaware College at Lewisburg.  
Friday, March 13, Gettysburg at Gettysburg.  
Saturday, March 14, Franklin and Marshall at Lancaster.

**Holiday Vacation Approaches.**

JOIN A BIBLE CLASS.

The tremendous movement in bible study among the various colleges should appeal to every Bucknell student and convince him that a half hour each week devoted to a discussion of that great work would be time profitably spent.

It is unnecessary to enumerate the good that comes from a systematic study of the bible. Every one admits the literary excellence and religious worth of the scriptures.

In spite of these recognized benefits, it is a deplorable fact that a large percentage of students know comparatively little about the contents of the greatest classic of the world's literature.

There is neither excuse nor apology for this ignorance, especially at the present time, when every student is cordially invited to identify himself with some one of the various classes that have recently been organized. Let us take a decided brace in this work, and learn all we can about the scriptures. Let us no longer be like the student, who, when asked "What are the epistles of the bible?" replied: "They are the wives of the apostles."

## THE POLITICAL ATTITUDE OF THE ACADEMY.

When the Academy students made known their decision to break off their connection with the college athletic association, they did their part in settling once for all the little frictions that the quasi-connection of their association with that of this college was bound to create. Their spirit in breaking away from the unreasonable custom that gave them the right to vote and to help support the college association, in which they were not eligible to hold office, and from which they received no pecuniary benefit whatsoever, is highly commendable.

This action on the part of the "preps" puts them in a position legitimately to refuse a season ticket as an admission certificate, and to demand a cash entrance fee from every college student who desires to see their games. Let the college men respect this right, which formerly they were morally and now are legally bound to respect.

As a further result of the dissolution of the two associations, the con-

sultation should be amended. As it now reads, every male member of the University is eligible to membership in the athletic association. The word 'college' or the words 'collegiate department' should be inserted in place of 'University,' in order constitutionally to exclude the Academy students from membership in the association of the college.

## COLLEGE COMMENT.

Have you had your picture taken for the L'Espresso?

Did you vote at the election Saturday? If not, why?

Get vaccinated during vacation unless you have already done so.

Yale enjoys the gridiron championship—but the Tigers made her sweat for it.

Don't fail to make out your schedule of studies for next term before the close of this one.

The students who took part in the vanderbilt performances at the Civic Club Bazaar, gave evidence of latent histrionic possibilities.

The word "five" promises to play as prominent a part in a college student's winter vocabulary, as the term "eleven" played in his autumn stock of words.

So many sporting editors are selecting All-American football eleven, that by Christmas time almost every college will grace that mystical, theoretical team with one of its stars.

Cochran Warner and Supt. Mercer, of the Indian School, must neglect their regular work to answer and rebut the charges of professionalism and disregard for eligibility rules that are continually being made against their scalping eleven.

## COMMUNICATION.

(The Orange and Blue invites signed communications on topics of timely interest, but does not hold itself responsible for the sentiments expressed therein.)

## A Suggestion.

The basketball season is approaching. Why not put bleachers in the gallery in the Gymnasium. The football bleachers could be used for this purpose, if the gallery is not strong enough for the added weight, put the bleachers at the ends of the gallery only and place columns underneath. The columns would not interfere with either the players or the spectators.

The Athletic Association would make money, and the annoyance of having to wait in the back store for half a day to get reserved seats would be eliminated.

## Earnings of Football Teams.

Football receipts at Yale for the season, which closed November 26, will reach about \$9,000. Although this is not a record breaking figure, it is close to high water mark. Yale and Harvard divided equally \$65,000 and Yale and Princeton split equally \$65,000 last week. Yale received about \$4,000 from the game with Brown, about \$2,000 from the Washington and Jefferson game, and \$5,000 from other games.

Carlisle's Indian football eleven has just finished one of the greatest financial and playing seasons ever undertaken by any team. Their earnings in the big games they have played will net over \$100,000, leaving perhaps a profit of \$75,000. They have won every game on their schedule, which was an exceedingly hard one, with one exception. That was the defeat Princeton gave them at New York.

## Rules for State's Girls.

It may be interesting for those in Woman's College to compare the rules with which their sisters of State College must comply. The following copy of college regulations was taken from the first number of "The State Collegian."

No one is permitted to walk off the campus with a male.

The governess shall be informed when a man has asked to call, and the necessary permission sought.

Sunday night callers must be out to the willow at 9:30 under pain of an interview with the governess. Friday and Saturday nights calls may be prolonged until 9:45.

Girl students may not work in the library at night without permission. If any subject in the course requires night attendance the subject shall be dropped.

A tinkling bell shall announce to the students at the Cottage when to begin study, when to stop the same, and when to retire. The last bell shall ring at ten.

A college student desiring to treat a "co-ed" to a sundae, will be required to hand his nickel to the maiden at the corner and may wait until her return to receive words of appreciation and thanks.

Separate provisions have been made as to the color of necktie, style of collar, size of shoes, and the religious or political preferences which a caller shall be required to possess.

### BOTH UNDERCLASSES BANQUET IN STATE CAPITAL

SOPHOMORES AT LOCHIEL; FRESHMEN AT COMMONWEALTH.

Rich and Delicious Menus and Toasts of a Merry Vein the Order of the Occasions.—Snavely, '07, Captured by the Sophs.

Not satisfied with the turkey dinners on Christmas and New Year's day, the Sophomores repaired to Harrisburg on Saturday, Jan. 3, to hold their annual banquet at the Lochiel Hotel.

At nine o'clock about fifty loyal members marched into the spacious dining room, which was beautifully decorated with the class colors and cut flowers. An orchestra at one end of the hall materially assisted in the entertainment, while the spirited "Quintets" played good knives and forks with the excellent menu before them.

At length, Geo. Mitch, vice president and toastmaster of the occasion, in a few well chosen words introduced the fourteen speakers, whose names and toasts follow:—

Our Worthy Counselors, Edmunds, Response, Stratton, '08, Class History, Miss Katherine Bailey.

The Faculty, Paul Smith. Alma Mater, Miss Jane Chapman. "The Scholastic Madchen," Woods. Response, Miss Helen Hare. The Gridiron, Clarke. Innocents Abroad, Hartsburn. "Umbrae Noctis," Benner. "Le Chateau des Femmes," Yankin.

"Woodpecker," Schenck. A Look Beyond, Metzgar. Class Poem, Miss Bertha Gels. The honored guests present were Misses Jennie Heywood and Margaret Ellen Kaly. Stratton, president of the Senior Class, Class Ball with all seniors, and Snavely, '07, who while wandering about the capital was captured and conducted to the feast and jollification.

Following the example of their traditional guardians, the Freshmen flocked to Harrisburg last Tuesday and celebrated their banquet at the Commonwealth hotel. That genuine class spirit, possible only to Freshmen, pervaded the atmosphere of the evening; and every war-cry of the green-tinted section charged with it.

After the preliminary "Glad to see you!" chats had gone the rounds, the hardy banqueters regaled themselves with the tasty courses of viands that awaited them. And then for the toasts and the post-prandial laughs.

President Rhodes acting as master of ceremonies, introduced these speakers with their toasts:—

The Sophomores, Grimes. Our Honored Guests, McCullen. Response, Leppard. Our Girls, Kresky. Class Spirit, Schreiber. Athletics, Watkins. Our Boys, Miss Helen McClure. The Young Woodpecker, Pugh. Hazing, Miss Evelyn McCaskle. When We Are Upper-classmen, Loveland. Our Friends in Need, Miss Gretchen Radack. Poem, Miss Kathryn Bronson. The following juniors enjoyed the festivities as guests of honor: Misses Eunice Hall, Belle Craig and Myrtle Waalkinshaw, Leppard, Hallman and Humm.

The Bucknell Alumnae Club meets in the Institute parlors Jan. 14, at 1:30 p. m. The program for the evening is very interesting.

### DEBATERS MEET TO FORM DEBATING UNION

Lafayette, Gettysburg and Bucknell Propose to Invite Another College to Join them in League.

A number of students interested in the art of debating assembled in Room 1 Friday at 4 p. m. to take some steps toward the formation of an intercollegiate debating league.

Three colleges—Lafayette, Gettysburg and Bucknell—have come to an agreement as to the formation of this union, and have sent representatives to a joint meeting held in Harrisburg, Saturday, Nov. 8, was sent as Bucknell's representative. A fourth college will be invited to join at this meeting, and thus the quadrilateral league will be completed.

These officers were elected to take charge of the union at Bucknell: Bracken, '09, president; Cary, '08, vice president; Claypool, '09, treasurer; and Vette, '10, secretary.

### HYMEN AND CUPID ENJOY NO HOLIDAY RESPITE

FIVE BUCKNELLITES WED; ONE ANNOUNCES ENGAGEMENT.

Brothers G. P. and F. B. Miller Take Trousseau Trip Together.—J. Frederick Sigel to become Benedict.

Bucknell, the Alma Mater of all her sons and daughters, may well boast of the number of her graduates who during the holidays have embarked upon the sea of matrimony. There were received cards announcing the marriage of five alumni, and the engagement of one, J. Frederick Sigel, '02, of Milwaukee, Wis., to Miss Elizabeth Chamberlin Wagner, daughter of Mr. and Mrs. J. H. Wagner, of Watertown.

The two sons of the late B. Dwight Miller, a graduate and trustee of Bucknell University, George P., '84, and Frank B., '96, were married during the same week. The former wedded his adopted sister, Miss Annida Miller, on December 24th. The ceremony was performed at the home of G. Barron Miller, of Lewisburg, by the Rev. J. T. Judd, pastor of the Baptist church. Mr. Miller graduated in engineering department of Bucknell, and is also a graduate of Lehigh University. Until three years ago he was a civil engineer in New Mexico.

Immediately after the ceremony, Mr. and Mrs. Miller left for Pittsburgh, where they witnessed the wedding of their brother, Frank Miller, which took place on Christmas day. The younger brother married Miss Anna Bowen, daughter of Mr. and Mrs. William Bowen, of Pittsburgh. The two brothers with their brides went together on their wedding trip. Horace Lewis Hall, '07, of Pittsburgh, also took unto himself a bride in the person of Miss Carrie M. Griffiths. The groom's father, Rev. H. C. Hall performed the ceremony on December 18. The bride, a former resident of Lewisburg, is a daughter of Mr. and Mrs. Alfred Griffiths.

The ceremony making Thomas J. Morris and Miss Carolyn E. Layton of Newton, N. J., man and wife, was performed the day after Christmas. Mr. Morris is an instructor in the schools of Parkhurst, Minn. He was graduated with the class of 1900. On the same day, Miss Grace Pretzman, School of Music, '08, became the bride of G. William Reissner, of Lancaster.

Some new electrical apparatus has been added to the electrical laboratory during vacation.

### BUCKNELL BRILLIANTLY BEGINS BASKET BALL BOOM

TWO OLD AND THREE NEW MEN CONSTITUTE QUINTET.

Great Interest is Manifested in Opening Game.—Lose Scores Most Points for the Orange and Blue.

Bucknell's quintet opened the season in fine style last Friday evening, and defeated Susquehanna's squad 16-22. The special interest in the initial game was manifest in the full attendance both in the balcony and in the downstairs bleachers; and although the game was not expected to cause much anxiety as to victory, still every move of each aspirant, whether old or new, was watched and cheered by the spectators.

Of last year's regulars, Captain O'Brien and Lose were on the floor and played their usual fast game. Lose, although he played only in the first half, tallied the most points for Bucknell. He scored seven field goals. Harris and Butler, who began their career brilliantly last year, were in the game at every turn. Their clean passing and general shiftiness were remarkable. Of the new men Clark, Hansen and Lyte made

Captain O'Brien.

their debut in Friday night's fray, the two former at guard; the latter at defense. Capt. O'Brien evidently used good judgment in selecting these men; for Clark's and Hansen's strong plays were their defensive work, while Lyte's ability at forward is seen in his total of six field goals in the last half.

Whatever weakness there was in team work may be attributed to the fact that Friday's game was the first of the season. Taking it altogether we can justly expect the record of this year's team to equal, if not surpass that of last year's five, which in its initial game defeated Susquehanna by the score of 10-29.

For Susquehanna Sunday and Harris played exceptionally well. Each of them made three field goals. No fouls were called on Susquehanna, while five were called on Bucknell. Only two of these resulted in scores.

Continued on second page.

### PRESIDENT ISSUES SCHEDULE FOR COLLEGE BIBLE CLASS

He Addresses Class Sunday on "The Line of Seth."—Winter Term Schedule for Bible Class.

Addressing the college bible class on "The Line of Seth" Dr. Harris explained that the Hebrews in the line of Seth as moral and religious teachers made their contribution to the world's progress.

The Hebrew religious development existed in three strands: the priest and priesthood; prophecy; and the teacher or rabbi, whose function is to make the utterance of the prophets the common property of their race. The present age seems also to be one of the rabbi or teacher.

The studies in Genesis for the winter term embrace chapters 1-11 of the Genesis of the World's History. The complete schedule appears below:—

Jan. 5.—The Origin of Arts, Gen. 1:1-22.  
Jan. 12.—The Line of Seth, Gen. 1:25.  
Jan. 19.—The Macrobians, Gen. 5.  
Jan. 26.—The Mighty Men, Gen. 6:1-8.  
Feb. 2.—The Flood: Universal Tradition.  
Feb. 9.—The Flood: Chaldean Tradition.  
Feb. 16.—The Flood: Hebrew Tradition.  
Feb. 23.—The Covenant of God, Gen. 9.  
Mar. 1.—The Nations, Gen. 10.  
Mar. 8.—Babels, Gen. 11:1-7.  
Mar. 15.—The Dispersion, Gen. 11:8-9.

### ORANGE AND BLUE MEN MAKE GOOD AT CROZER

THIRTEEN FORMER BUCKNELL MEN ARE ENROLLED.

Ten of This Number Held A. B. Degrees.—Waltz, '06, Leads Junior Class.

The student body at Crozer Seminary is represented at present by thirteen members who have received previous instruction at Bucknell University. Ten of these have received their Bachelor Degrees and nine of these ten are taking the regular Greek and Hebrew Course.

Hainer, '05, and Hyler, '05, represent the senior class. The middle class, represented by a larger number, has in it seven members, five of whom have received their Bachelor Degrees from Bucknell in 1906. These seven are: Harbitt DeHinger, Drake, Green, and Ramsey; Norris Bowen, ex-'06, and Blazer, Bucknell Academy.

From the class of 1907, Bucknell sent two members: Sailor, Elserer, both of whom hold prominent places in the student organizations. Waltz, '06, who, on account of illness was unable to enter last year, took up his work with the Juniors this year. At the annual welcome reception he was chosen to give the address in behalf of the Juniors; and afterwards was elected president of his class. Waltz, who is well known by the students of the Academy, was also enrolled this year in the English Course.

Not only do the students from Bucknell hold prominent places in the Seminary, but they are also well known among many of the churches within reach of the Seminary. Some have regular charges where they are doing very profitable work.

A Pan-Hellenic smoker has been suggested—What do you think of it?

### I. A. A. ASSEMBLES IN ANNUAL CONVENTION

PROF. WOLFE REPRESENTS BUCKNELL IN MONSTER GATHERING.

Summer Baseball Receives Hard Elbow.—Football Schedule to be Limited to Nine, and Baseball to Ten Games.

Collegiate athletic abuses were well grided at the second annual meeting of the Intercollegiate Athletic Association of the United States, December 28th, at the Murray Hill Hotel, New York. Delegates representative of sixty colleges discussed summer baseball in particular and athletics in general. Professor J. M. Wolfe was Bucknell's delegate.

The list of addresses covered the whole field of college athletics. It follows: The Intercollegiate Athletic Association of the United States: Its Origin, Growth and Function; The Function of Athletics in College and University Life; Amateurism; and Intercollegiate Athletic Schedules.

The terrible storm that was waged against summer baseball brought forth these resolutions:

That the principle of amateurism be maintained in all branches of intercollegiate athletics.

That the athletic authorities of colleges and universities be urged to create an educative sentiment in favor of the amateur ideal.

That in view of the complex nature of the situation in connection with summer baseball and the need for further investigation the present committee be continued.

The discussion of the football situation was but briefly taken up. The committee reported that while most of the colleges objected to the forward pass in its present state, it would by no means be abolished but would probably receive some slight changes. The large velocities in football and baseball were branded "grotesque." Prof. Paul C. Phillips, of Amherst, maintained that seven games in a season were sufficient for all purposes of a football team, and that never more than nine should be played. He advocated cutting down baseball schedules from the twenty or thirty now in vogue to as few as ten and the abolition of the training table.

Nor did basketball evade the criticism of this body of athletic lights. The opinion prevailed that basketball should be recognized and safeguarded as other college sports; that one set of rules should be in vogue; and that makers of these rules should come under the jurisdiction of the association.

The constitution was so amended as to give to two or more colleges one delegate, who shall have one vote, except on motions for which he has definite instructions from the institution sending him. It was further amended to bind the colleges enrolled in the association to the provisions of the constitution and the bylaws; but, in case of formal objection on the part of an institution, the legislation enacted at a conference of delegates shall not be binding.

Ex-Judge Hennings Fesses Away. Ex-Judge David C. Hennings, who served on the Common Pleas bench of Schuylkill county eight years ago, died from general debility at his residence in Pottsville last Monday.

A former Lewisburg boy, he pursued a course at Bucknell University. In 1872 he became a member of the Schuylkill county bar, and during his three score years filled many positions of trust. He was founder and president of the Schuylkill Historical Society, and from 1882 to 1888 was captain of Co. F, Fourth Infantry of the N. G. P.

THE FIRST WEEK.

A tendency on the part of the student body to come back to college a few days late was especially marked at the beginning of this term. Much of this tardiness, no doubt, was due to the time and place of the underclass banquets. These were so arranged that it meant dollars saved for a student to wait a few days and stop at Harrisburg on his way back to school. Don't think that we are finding fault with class banquets; they are just as essential to a college education as any study in the curriculum. But banquets have been and can still be held at a time and place that will not interfere with the beginning of the term. If they are to be a part of the vacation, let them take place in the vacation proper. In that case it would not be necessary for a third of the college attendance to start classes a week late.

The loss of the first week is not to be compared with the loss of any other week of the term. Beginnings are always important. "Well begun is half done" is an adage with a special application to the classroom. Take a frequent example from the Latin course: how often we find a student falling in his study because of lack of sufficient preparation. This first week in the preparation week of the term if it is missed, the student is handicapped from the very start.

Or compare all the late-comers to tend to make up all the work they have missed; they always do—tend to, occasionally, too, we find a person who has satisfied himself that he has made up all losses. But how can he be sure when he doesn't know what he has missed? His greatest loss is in the fact that he missed the beginning. When we refer to the example of the Latin class again, we know that even though the one poorly prepared steps in the midst of his life to review the first principles of the language's book, he will not be helped any in what he has already studied. If a football player plays half the season without a full knowledge of the signals, no amount of reviewing will increase his efficiency in the game already played. "Making up work" is not regaining it.

Mrs. H. C. Hall, Institute, '82,  
Goes to Her Reward.

Mrs. H. C. Hall, wife of Rev. H. C. Hall, died at her home in Sharon, December 24. She is the mother of Velma E. Hall, '06, deceased and of Leroy Hall, who received his sheepskin with the class of 1907.

The deceased was graduated from the Institute in the same year that her then future husband received his diploma from the College. Upon her graduation, she held the position of instructor in the Hall Institute in Sharon.

In the demise of this woman, Bucknell loses at once a creditable alumna and a loyal friend and supporter.

THE FIRST WEEK.

A tendency on the part of the student body to come back to college a few days late was especially marked at the beginning of this term. Much of this tardiness, no doubt, was due to the time and place of the underclass banquets. These were so arranged that it meant dollars saved for a student to wait a few days and stop at Harrisburg on his way back to school. Don't think that we are finding fault with class banquets; they are just as essential to a college education as any study in the curriculum. But banquets have been and can still be held at a time and place that will not interfere with the beginning of the term. If they are to be a part of the vacation, let them take place in the vacation proper. In that case it would not be necessary for a third of the college attendance to start classes a week late.

The loss of the first week is not to be compared with the loss of any other week of the term. Beginnings are always important. "Well begun is half done" is an adage with a special application to the classroom. Take a frequent example from the Latin course: how often we find a student falling in his study because of lack of sufficient preparation. This first week in the preparation week of the term if it is missed, the student is handicapped from the very start.

Or compare all the late-comers to tend to make up all the work they have missed; they always do—tend to, occasionally, too, we find a person who has satisfied himself that he has made up all losses. But how can he be sure when he doesn't know what he has missed? His greatest loss is in the fact that he missed the beginning. When we refer to the example of the Latin class again, we know that even though the one poorly prepared steps in the midst of his life to review the first principles of the language's book, he will not be helped any in what he has already studied. Manager Jones is to be congratulated upon filling the open date in the basketball schedule caused by New York Law cancelling. Such a disappointment at a late hour places the manager in a bad position, but this time he was equal to the occasion.

The action of Trainer Hoskins in offering prizes for a cross-country run should be well received by the students. Interest in track athletics has been at the freezing point for several years at Bucknell. The presence of a strong basketball team has drawn the enthusiasm of the college away from other sports. This generous offer of Trainer Hoskins may be the beginning of an excellent track team this year.

The fact that Bucknell has decided to enter the triangle debating league with Gettysburg and Lafayette presents new opportunities for winning honor for Alma Mater. To win the championship of this league should mean as much to our college as to beat these two rivals on the athletic field. And we will win the championship with the proper amount of enthusiasm and support on the part of the student body. The meeting scheduled for next Friday invites all those interested; every college man should be interested in this means to a great victory. Look for it in that future trophy-room.

### BUCKNELL CLUBS.

The various Bucknell clubs that have recently been organized serve a two-fold purpose; they work great good for the University in the different localities which they represent and tend to create a wholesome college spirit.

These organizations hold meetings, business and social, not only here at Bucknell, but also in the various cities which constitute their headquarters. By these gatherings an Orange and Blue spirit is engendered and kept alive. High schools and preparatory schools catch this spirit, and as a result send more of their students to Bucknell.

In college the effect of these clubs is likewise beneficial. They recognize no class distinction. Whether a member belongs to a "bunch" or fraternity or another makes absolutely no difference. Standing on common ground, the members are completely oblivious of every distinction; they are simply congenial members of the same club.

Reese Harvey Harris, '02, and William Edward Roberts, '01, have been awarded faculty scholarships by the Faculty of Law at Harvard University.

Governor Stuart on December 18, appointed Ralph R. Little, esq., of Montrose, president judge of Susquehanna county. Judge Little takes the place made vacant by the death of Judge D. W. Seale. His commission runs until the first Monday in January, 1909. Judge-elect Little is one of the leading lawyers of Montrose. He is about 41 years old, a son of Ralph Little, who was one of the prominent lawyers of northern Pennsylvania. He has been chairman of the Susquehanna Republican County Committee, and has served twice as district attorney.

Irving R. Dunlap, esq., of Williamsport, son of Rev. J. P. Dunlap, has been appointed by the executive committee of the board of missions of the United Evangelical church as a missionary to China. Mr. Dunlap has been in Chicago for some time, where he is taking a course at the Moody Bible Institute. At the completion of his institute course, next year, or possibly sooner, he will leave for Human, China.

John C. Johnson, '04, of Steelton, is taking a course in the Penna. Steel Co. works, and is receiving promotions right along.

The following clipping relative to W. M. Bunnel, '97, was taken from "The Scranton Times": "The record of Prothonotary Willard M. Bunnel's office in the court house, for 1907, the first year of his term, is one in which the Democratic party and all his many friends can take especial pride. Before Mr. Bunnel's election the office of prothonotary had been held since the establishment of Lackawanna county by Republican. He was the first Democrat elected to it, and his majority was a large and gratifying one.

"It was apparent to everybody who had anything to do with the business of that office that a change was needed. The conditions were chaotic. That was not the fault of the man who held the office before him. It was due to the system in vogue, or rather the lack of system. When Mr. Bunnel accepted the Democratic nomination he had some ideas of administering the affairs of the office which came to him in his duties as a lawyer. He put these ideas into effect, and was at the helm no more than a week when the new dispensation asserted itself most beneficently for the public good."

The inter-collegiate athletic calendar, a book containing pictures of the athletic teams of different universities, has just been issued. Bucknell is represented by several half-tones of the various college teams. Other institutions represented are Harvard, Yale, Princeton, Syracuse, University of Pennsylvania, and Cornell.

French students at Mount Holyoke college recently played Racquet's "Avalanche." The cast and chorus included forty-three persons.

At Brown the other night the Senior class held a smoker. After the members had assembled clay pipes tied with brown ribbons were given out and all proceeded to "light up." The evening was then spent in singing, interspersed with impromptu speeches and general jollification. Sounds good, doesn't it? No, don't worry, we are not going to propose anything of the sort for Bucknell. We have made enough proposals already to put to shame a college widow in leap year.

## ANNUAL CATALOG

## IS NOW READY

TOTAL ENROLLMENT OF 771

Comparison With Former Years Shows Marvelous Growth in Last Two Decades.

The annual catalog of Bucknell University, first issued, shows a total enrollment of seven hundred and seventy-one students. Of these, five hundred and thirty-eight are in the College. Instruction is given by forty-five professors and instructors. Courses of four years are offered leading to degrees in Art, Philosophy, General Science, Jurisprudence, Biology, Chemistry, Civil and Electrical Engineering. The University is controlled by a board of twenty-two Trustees, of which Harry S. Hower, Esq., is chairman, A. J. Rowland, LL. D., secretary and David P. Leas, A. M., treasurer.

The death of D. Bright Miller, Esq., makes a vacancy in the Alumni representation, which will be filled by nomination on a part of the Alumni. Dr. Milton G. Evans is prominently considered for the vacancy.

The property of the institution exceeds a million dollars in value. The Library contains some 26,000 volumes.

A comparison of the catalog with former ones presents many interesting examples of Bucknell's marvelous growth of the past few years.

In 1860, eight years ago, the total college attendance was 325, a gain since then of 210. In 1890, eighteen years ago, the catalog shows a registered attendance of 71, or less than one-seventh of the present membership.

The greatest gain this year is in the Freshman Class, which numbers 128, and increase of 31 over that of last year. In 1890 the number of first-year men was but 21.

**Fiji Boys Celebrate Founder's Day.**

The Delta chapter of Phi Gamma Delta Fraternity celebrated Founder's day by giving a formal dance in the Armory last Tuesday night. The barren interior of the Armory was beautifully transformed into a pleasant dancing hall by a confusion of fraternity colors and other colorful representative of the various colleges. To the mellow strains of the Kamel orchestra, hedged about by banks of palms, about twenty-five couples enjoyed the spacious floor. Conventionally formal, the function was nevertheless completely informal in spirit and atmosphere. Refreshments fittingly divided the program into halves. Among the out-of-town guests may be mentioned Mr. and Mrs. Willard M. Bunnell, '97, of Scranton, Mrs. Roy B. Mulkie, '08, of Union City, and Mr. Carl Perry, '08, of Harvard University. The patrons of the evening include Mr. and Mrs. A. H. Bubb, Mr. and Mrs. W. L. Gehardt, Mrs. R. F. Halfpenny, Mr. and Mrs. J. F. Kurtz and Mr. and Mrs. Philip B. Linn.

**Two Games This Week.**

What will likely be the first hard game of the season for the Varsity is scheduled for Wednesday night with the strong Western University of Pennsylvania team. "Wup" has one of the strongest fives in the western part of the state this year and has been playing fine basketball. Last Friday night they defeated the Marietta College team by the score of 49-22. They also gave Penn a hard game. Goldsmith, '06, is a member of the W. U. P. squad.

The other game of the week will be with Lebanon Valley College on Friday night.

**McDonough a Hero.**

The Philadelphia Record of Saturday contains the following concerning McDonough, '10.

Tempted on to Buffalo creek by the first day's skating of the year half a dozen young folks broke through the ice and had more or less exciting experience in reaching shore. One of the most exciting of these was that of Miss Dora DeLong, a town girl, who was rescued by Michael J. McDonough, a sophomore and track man at Bucknell University.

Miss DeLong was skating with another student when she and her partner struck a stretch of thin ice and broke through. McDonough saw her plight and hastened to the rescue. He succeeded in pulling the young woman out into the ice broke again and they both fell back into the water. The young athlete then swam ashore with the girl and she was hurried to her home by friends.

**"Der Neffe als Onkel."**

Rehearsals for the German play—Schiller's "Der Neffe als Onkel," are going at full speed. The thorough energy and enthusiasm with which Professor Reimer, who conducts the rehearsals, and the eleven students who are included on the cast, enter into the work promise to make the play a real success. It will be given sometime in March; the exact date has not yet been decided upon.

**Informal Dance.**

Delta Theta Upsilon held a very successful dance in their halls on Friday evening. Among the guests present from out of town were: Misses Mae Brooks, Bertha Kase, and Blanche Seidler, of Danville, and Miss Jennie Quinn, of New York City.

**Election of Y. M. C. A. Officers.**

At its regular meeting on Thursday night the Y. M. C. A. will hold election of officers for the coming year. All members are expected to be present.

**Death of First Principal of Academy.**

Mr. Isaac N. Loomis Connected with University in 1847, Dies at Manlius, N. Y.

Mr. Isaac N. Loomis, the first principal of the Academy, died at his home near Manlius, N. Y., on Saturday, Jan. 25. Mr. Loomis was connected with the University of Lewisburg as tutor from 1848 to 1849 and was then chosen principal of the new Academy, which position he held for two years. In him one of the early pioneers of the University has been removed.

Mr. Loomis was born in Manlius, N. Y., June 3, 1818. He entered College, then Madison University in 1841 and was graduated in 1845. For one year he remained as resident graduate and had charge of the music of the University. During 1846 he taught in an academy in Tennessee. After his connection with the Academy here, he conducted an academy at Lock Haven and taught in the High School at Harrisburg, returning finally to his old home, where he continued teaching in the Manlius Academy for four years. In 1859 he married Agnes Heron, of Lewisburg. He taught music almost all his life. He died January 25, 1908, in his 90th year.

**Kappa Sigma Entertains.**

The Kappa Sigma fraternity had as their guests at a smoker in their rooms on Friday evening members of Phi Kappa Psi. The evening was spent in music and a general good time. R. W. Hoon, '06, favored them with some delightful cornet selections.

## COLLEGE MINSTRELS

## BEGIN REHEARSALS

SHOW WILL BE GIVEN FEB. 27

New Feature in the Way of an Orchestra on the stage is Being Planned.

Practice has already commenced for the annual production of the College Minstrels, which will be given in the Lewisburg opera house on Thursday evening, Feb. 27. The show this year promises to be one of the best ever given by the Minstrels, and although there are some new appearances in the cast, all have had the experience necessary to make them efficient "burat cork" artists. The following is the lineup: Interlocutor, Shrum, '08, premier ends, Gardner, '08, and "Dime" Edley, '10, ends, Hawk, '08, Walter, '09, Guyer, '08, Wolfe, '11.

The music of the show, under the

direction of Gardner, '08, will be of a higher order than usual. The choruses are being harmonized by Prof. Stoltz and will be sung by a good "chorus." Among the soloists will be the best musical talent of the college, and their work, together with that of the chorus, will be assisted by an orchestra on the stage.

The plans for the olio, although not yet complete, include many new and interesting features. There will be a long sketch and music by the Mandolin and Guitar Club and others, with probably a monologue. The show is under the management of R. W. Shrum, '08.

**Raquel-Matlack Wedding.**

A very pretty wedding at which both faculty and students of Bucknell were numbered among the guests, was solemnized in the Presbyterian church of Lewisburg last Wednesday evening, when Miss Mary Matlack, Institute, '05, became the bride of Dr. George Earle Raquel of Philadelphia. The ceremony was performed by Rev. Dr. W. E. Thomas.

The guests from the University include: President and Mrs. J. H. Harris, Prof. and Mrs. T. A. Edwards, Prof. and Mrs. J. M. Wolfe, Prof. and Mrs. Enoch Perrine, Prof. and Mrs. E. M. Heim, Prof. and Mrs. W. G. Owens, Prof. and Mrs. F. M. Simpson, Prof. and Mrs. G. G. Groff, Registrar and Mrs. Wm. C. Greizinger, Duncan, '08, Leber, '09, Shrum, '08, Harris, '08, and Ritter, '09.

**Further Plans For Debate.**

At a meeting of the organization formed for obtaining the question of an inter-collegiate debate before the students, held last Wednesday, the report of the representative to the Harrisburg meeting, John B. Boyer, was given and accepted. In order to make this debate an affair of the college in general, it was decided to invite two members from each fraternity and literary organization in college to meet with the league next Wednesday afternoon. This representative meeting will then decide whether or not Bucknell enters the struggle debate with Gettysburg and Lafayette. The meeting will be held in Room 2 at 4 o'clock.

**Lewisburg a Healthful College Town.**

During the year just closed, there were forty-two births and forty deaths in the town of Lewisburg. In addition to the fact that there were less deaths than births, it might be added that not a single contagious or communicable disease afflicted the borough during 1907. Surely this is a healthful location for a college.

**THE RECITAL A DECIDED SUCCESS**

Miss Quinn, of New York City Appears Under the Auspices of School of Music.

A good sized audience listened to Miss Jennie Quinn, of New York City, in her pianoforte recital in Bucknell Hall on Friday night. The good reports of Miss Quinn's talent were fully verified, and those present went away pleased with the entire program. The program follows:

Pavillons, Schumann.

Scherzo, The Eagle, The Brook, Moonshine, Death nothing is but cooling night, MacDowell.

Polonaise, Moszkowski.

Etude Ab, Etude Gb, Chopin.

Etude Mignonne, Schmitt.

Ich liebe dich, Grieg.

Rhapsody No. 12, Liszt.

## WOMAN'S COLLEGE LOCALS.

Miss Frances Groff was a guest at dinner Friday evening. Melville Westcott spent Sunday in Mahanoy City visiting Ursula Farm, Pa., 97.

Miss Gerhart has been suffering from an attack of tonsillitis during the week. The Deutsche Verein announces for the next meeting a talk by Professor Klemmer.

Prills and Brown announces a benefit entertainment, an extravaganza, to be given on the evening of Mar. 6. On account of impaired health Gertrude Townsend, '09, has returned to her home in Wilmington, Delaware, for a short rest.

Miss Quin, the pianist, who figured so excellently in Bucknell Hall on Friday night, spent Saturday and Sunday as the guest of Miss Rottorf.

Winnie Dickson, '10, was called to her home in Akron, Ohio, on Friday upon the death of her grandfather. Miss Schilling accompanied her.

## ACADEMY NEWS.

Gwynne has been in the sick list for the last few days.

The Academy basketball team will play the Freshmen on Saturday evening Feb. 28th.

Misses Mary Owens and Anna Stage, of the College took dinner with Prof. and Mrs. Thomas Sunday evening.

Dr. Fuller, of Dalton, Pa., and Miss Wood, of the Seminary were the guests of Prof. and Mrs. Thomas on Sunday.

On Thursday, Jan. 30 the Senior Class of Bucknell Academy held their annual banquet at the Crawford House, Muncy. They prepared to leave by the Reading Railroad at eleven thirty-three, but a few minutes before train time the Juniors appeared on the scene and quite a fight ensued. When the train pulled out it was found that all of the Class except two had boarded the train. On arriving at Muncy the boys proceeded to the Crawford House where final arrangements for the banquet were made.

Some time before ten o'clock the appointed hour for the banquet the Juniors made their appearance at the Crawford House for the purpose of breaking up the banquet, but they were outwitted by the strategy of the Seniors. The banquet came off as was anticipated. After partaking of a bountiful supper Robert McCombs, president and toastmaster of the occasion introduced the speakers whose names and toasts follow:

The Professors, Genmill, Our Past, Roberts, The Third Form, Gleason, Plute Solo, Dreher, The Seniors, Walther, two, had Class Spirit, Gearhart, To Our Girls, Haines, '08, in Athletics, Stauffer, The Future, Hollenbaugh.

The total registration of the University of Pennsylvania is 4,157. Roy C. Hoon, '06, visited in town and on the hill a few days last week.

A course of railroad administration and management has been opened at Illinois University. W. F. Caruthers, '05, is a civil engineer working in the southwest with headquarters at Douglas, Ariz. Freshmen at Pennsylvania are not allowed to leave or enter College Hall by the front entrance, but must use the side or rear doors. Forty-six per cent. of the Freshmen at Yale use tobacco; of this number thirteen per cent. got the habit after entering the University this fall.

## Seidel & Spangler's Is The Place For You To Shop

### Ladies' and Misses Coats -- Final Clearance

You have had many excellent offerings from us this season in ladies' coats, but the climax in value giving is reached in the present sale. Prices have been shaved down so there is hardly any price left.

No line should be without a coat at these prices and the lots we have on sale this week are of the weight that can be worn in Spring as well as Winter. All this season's styles.

To describe every coat it is impossible to do in this small space and it would not be satisfactory if we did—you must come yourself and see the wonderful values we offer you.

We must unload the stock and hence make these sacrifices.

One lot of plain black coats, 50 inches long, patch pockets, yoke and sleeve lined clearance sale \$8.50. A lot of better ones, silk braided trimmings, 50 in. long at \$4.50.

One lot of black regular \$10.50 coats sale price \$6.50. One lot of black regular \$15.00 and \$18.00 coats, clearance \$10.

A lot of colored coats in tan, castor, gray and mixtures that we will sell regardless of cost. They must be closed out quickly therefore will sell some at half price, others at less, every coat marked in plain figures—no fake sale.

### Save Money in Domestics

Cotton Blankets white and gray. Worth 75c, sale price 65c a pair. Worth \$1, sale price 85c a pair. Worth \$1.25, sale price \$1 a pair. Worth \$1.50, sale price \$1.25 a pair. Worth \$1.75, sale price \$1.50 a pair. Worth \$2, sale price \$1.75 a pair. Worth \$2.50, sale price \$2 a pair.

We bought these cotton blankets last May at the lowest prices and give the customers the benefit. We have too many in stock, hence these reductions and at these prices they are cheaper than sheets and a great many people buy them for that purpose.

Wool and Part Wool Blankets—We will continue the sale of Wool and Part Wool Blankets and the better comfortable and give 10 per cent. discount as advertised last week.

Quite a lot were sold and still a few left.

### W. U. P. PUTS UP EXCELLENT GAME

HELD VARSITY TO 16 POINTS  
Bucknell Keeps Up Victories in Two Games During Week—Lebanon Valley Easy.

In one of the hottest contests ever seen in Tustin Gymnasium Bucknell defeated W. U. P.'s basketball team last Wednesday evening. It was a great game which furnished plenty of the spectacular for the crowded galleries and bleachers. From the moment the western boys started their preliminary practice until the final whistle sounded the end of the game there was that dubitant feeling in the breast of the Orange and Blue supporters. The way they found the baskets while "warming up" sold at once that only the most strenuous defensive work was going to prevent them from rolling up a large score.

In the game they were clearly personified, and in consequence the ball went from one end of the floor to the other about as quick as the spectator's eyes could follow it. With dodging and dithering and difficult shooting on both sides there was afforded the best exhibition of the popular indoor game seen here this year.

To Bucknell's strong defensive work alone, can be attributed their victory over W. U. P. Had the Westerners been allowed to shoot they would doubtless have made them count. But as soon as the ball was taken near the goal, then every man was covered and the danger thwarted. In the other departments the game did not show Bucknell at her usual form. The lack of team work under the basket was especially noticeable, consequently many long shots were tried in vain.

Chasen's work was remarkably fine. He played a good fast consistent game throughout and gave the visitors plenty of trouble locating him when once he got hold of the ball. Harris, too, played a hard game as well as tallying six points from fouls without which we could not have won. The work of Lehnart deserves mention. He had a hard man to play and acquitted himself with honor getting two pretty baskets.

For W. U. P. it would be hard to say who did the star work. The entire team played a good consistent game. Elliot at center scored four field goals for his side, but as an offset made the highest number of fouls.

The victory was especially welcome, remembering our defeat in football at the hands of the Pittsburghers.

Lineup and summary:—  
BUCKNELL: W. U. P. Loeb forward . . . . . Weger O'Brien forward . . . . . Farmer Lehnart centre . . . . . Elliott Harris guard . . . . . McElhenny Clausen guard . . . . . Budd Goals from field—Loeb 2, Lehnart 2, Clausen, Elliott 4, McElhenny 2. Goals from fouls—Harris 6, Farmer 2. Referee—Turner, Williamsport.

**LEBANON VALLEY GAME.**  
The second game of the week had little of that characterized the first game. Lebanon Valley was the victim of Friday night's fray and was trounced to the tune of 52 to 13. That the Bucknell quintet were calculating easy victory was very evident from the weak defensive work. It was a good game to try out the different combinations for aggressive team work and this was done. The work around the Orange and Blue's basket was in direct contrast to Wednesday night's exhibition. Time and time again the machine-like accuracy of the short passes resulted in an easy basket.

NUMBER 17

### MR. E. C. MERCER TO VISIT BUCKNELL

ADDRESS ON THURSDAY NIGHT  
Mr. Mercer is Very Popular at Other Colleges Where He Has Appeared.

Mr. Edward C. Mercer, a messenger to college men, will visit Bucknell this week under the auspices of the College Y. M. C. A. Those who recall the interesting addresses given by Mr. Seyford last year will need no urging to come and hear Mr. Mercer. The first meeting will be on Thursday night in Bucknell Hall and the other dates will be announced at that time.

Mr. Mercer has an interesting experience. A southerner and a member of a prominent Georgia family, he

E. C. MERCER.

### Water Color Exhibition.

Through the efforts of Prof. Martin, students of Bucknell may again have the privilege to see some of the work of Mr. J. Wesley Little, the artist whose water colors on exhibition at the Art School and Library were viewed with delight last winter. Mr. Little will exhibit before the University Club during Junior week and an effort will be made to have the pictures shown in the library as last year.

### Upperclass Smoker.

The Junior class is arranging for an upperclass smoker as one of the Junior week functions. The smoker will probably be held in the Armory on Tuesday night, Feb. 18. President Leppert has appointed the following committee: Long, Posten, Ritter, Royer, Thulin, Winegardner, Kramer, Jones, Hamm and Gibson.

### SECOND RECITAL SATURDAY NIGHT

Denis Chabot, Young French Artist Will Appear Under Auspices of School of Music.

The School of Music is offering another treat to the students and town patrons. On Saturday night, Feb. 14, Denis Chabot, of Pittsburgh, will appear in Bucknell Hall in a pianoforte recital.

The pianist is a French boy, only 18 years old, but to three years ago was a student in a celebrated conservatory in Paris. Since his arrival in America he has been studying under Dr. Ferrata, the noted Italian composer.

In April he will return to Europe to take a course of study. When this is completed, he intends making a tour of Europe and finally come back to America and devote himself solely to concert work.

It is indeed a fortunate circumstance that makes it possible to secure this already famous pianist for a recital here. The admission Saturday night will be 35 cents and the recital will begin at 8 o'clock.

**Debating Activity.**  
Fraternities and literary organizations of the college sent representatives to the debating league last Wednesday, and favorable reports were heard from nearly every one. J. R. Stratton, F. H. Fritz and W. L. Noll were appointed a committee to draw up a constitution. The report of this committee will be given at the next meeting, Wednesday, Feb. 12.

**Senior Class Meeting.**  
The Class of 1908 met in Bucknell Hall on Tuesday. Among other things plans for the celebration of Senior Day were discussed, and a committee appointed to take charge of the matter. The report of Treasurer Cridwell showed all bills paid and a balance on hand.

### Senior Day Committee.

Chairman Sheehan has called a meeting of the Senior Day Committee to be held at his room, 81 West College, Tuesday night at nine o'clock. The committee follows: Sheehan, chairman, Baldwin, Berlin, Cady, W. S. Duncan, Innes, Ivey and Sproul.

### Phi Delta Sigma Initiates.

The following members of the Junior class were initiated into the upperclass fraternity Wednesday night: A. G. Ritter, M. E. Haggerty, F. H. Fritz, G. N. Wilkinson, K. H. Royer, A. T. Poffenberger, R. C. Winegardner and H. G. Florin.

### INVITATIONS ISSUED FOR JUNIOR PROM.

Prominent Orchestra Has Been Secured to Furnish Music for the Occasion.

Invitations are out for the Junior Prom, which will take place at the Twelfth Regiment Armory on the night of February 21. The committee is exerting every effort to make the affair a success and already a large attendance is assured. Coming as it does in the midst of the Junior Week festivities and on the night following the annual game, the Prom will draw many of the old graduates.

The Stopper & Flake orchestra, of Williamsport, one of the best musical organizations of Central Pennsylvania, has been engaged for the occasion. The programs will be of white leather. The patronesses follow: Mrs. H. M. McClure, Mrs. W. O. Shaffer, Mrs. N. L. C. Maesh, Mrs. J. C. Thornton, Mrs. R. F. Halford, Mrs. William Leiser, Mrs. P. B. Lutz, Mrs. W. L. Gerhart.

Harding, '05, R. M. Mackey, '05, Richard N. Mackey, ex-'08, Raymond S. Moyer, Academy, Walter R. Rothrock, Academy, J. Y. Sinton, '07.

**1906 Reunion.**  
A number of members of the class of 1906 living and visiting in Lewisburg took supper at the Baker House Sunday night. Those present were: Goldsmith, Jack, Comstock, Meyer, Challis and Gardner.

**Pres. Harris Will Address G. A. R.**  
On Friday, February 21, the G. A. R. and the S. or V., will hold patriotic services in Bucknell Hall. President Harris will be the orator of the occasion. All students are invited.

**Alumni Take Notice.**  
All persons outside of college and town who cannot be reached by the canvasser and who want one or more copies of 1908 "L'Agenda" must send their order to the Manager, A. B. Claypool, by Feb. 10th in order to be sure of getting copies.

Y. M. C. A. Elects Officers. At their regular meeting on Thursday night the Y. M. C. A. elected the following as officers for the coming year:

President—John H. Mathias, '09. Vice President—Joseph E. Edwards, '09. Secretary—Paul J. Sanders, '09. Treasurer—George F. Mich, '10. The new president was chosen as delegate to the State Convention at Conneville.

### Preliminary Contest.

From those who qualified in the first preliminary contest last week the following have been chosen for a second trial:—Misses Radack, Steinfels, Miller, Leland, Bronson, and Pyer, and Messrs. McAllister, Coulson, Pugh, Tyson, Green, Bennett, Shields, Lawrence, Hodge, Spurgeon and Dursell. The trial will be held Tuesday afternoon, Ladies at 4 o'clock and the gentlemen at 4.15. The same selection will be used.

### Senior Day Committee.

Chairman Sheehan has called a meeting of the Senior Day Committee to be held at his room, 81 West College, Tuesday night at nine o'clock. The committee follows: Sheehan, chairman, Baldwin, Berlin, Cady, W. S. Duncan, Innes, Ivey and Sproul.

### SENIOR GIRLS ENTER-TAIN CLASSMATES

"BEST TIME EVER," SAY GUESTS  
An Informal Reception in the Institute Parlors Saturday Night—Other Social Events.

The Senior girls gave an informal reception to the men of the class in the Institute parlors on Saturday night. The class was out in all force for the first time since the days of its under-class languor, and proved the existence of some of the old-time spirit. Whatever may be proposed or done regarding the observance of "Senior Day," nothing will be able to surpass the excellent time provided by the girls. Saturday night was "Senior Night."

From the time the guests were introduced into the "Order of the Mystic Hand" until the last "Kiss" had been given, the whole evening was one continual round of pleasure. The girls were royal entertainers; not one of the fifty fellows present was allowed a dull moment. Everything was of the character to drive away any idea of formality, and how much the guests enjoyed it can be determined best by asking the boys.

A novel feature of entertainment was found in guessing silhouettes of the Senior girls. The boys were well enough acquainted with the different profiles to make the contest close and exciting. "Dave" Hawk proved himself to be the most careful, if not the most frequent observer, or audience given first prize. The remainder of the evening was spent in the same informal manner and everyone wished that there were two years instead of two terms before the time when "night-eight" must scatter.

### Junior Sleighride.

The Junior class held its annual sleighride last Thursday night. Over thirty members of the class braved the zero weather and journeyed to New Berlin where a chicken and waffle supper was served at the Union Hotel. The committee in charge was composed of Carey, Mathias, Hallman, Miss Meyer, Miss Carey and Miss Cliber.

### Academy Reception.

The annual reception given by the boys of the Academy was held on Friday evening. Guests were received by a committee composed of Prof. and Mrs. Thomas, McCullch, Roberts, and Meyer. The rooms were tastefully decorated for the occasion by a liberal use of pillows and pom-poms. Much for the evening was furnished by Long's Orchestra from Northumberland.

### Phi Psi Smoker.

On Tuesday of last week Parker R. Skinner, Archon of the local district, made his annual visit to the local chapter of Phi Kappa Psi. The chapter gave a smoker on Tuesday evening in honor of Mr. Skinner, at which the members of Kappa Sigma were guests. The evening was spent in singing and dancing.

**Banquet at Philadelphia.**  
Alumni and friends of Bucknell residing in and about Philadelphia are holding their annual banquet tonight at the University Club, 1510 Walnut St. Among the speakers are: President Harris, Dr. Edgar F. Smith, Vice Provost of the University of Pennsylvania; and Dr. Jos. P. Remington, Dean of the Philadelphia College of Pharmacy.

**College Smoker.**  
Plans have been started by the Junior Class to make a College Smoker one of the features of Junior Week. The place and day have not been selected.

## MR. MERCER'S MESSAGE.

There is a novel element in the experience of Mr. Mercer, who comes to Bucknell this week, that should serve as a note of warning to college men. Think it over; how many examples do you know of a man who started to drink while in college and quit after graduation? This idea may seem somewhat revolutionary and contrary to the common belief that "everyone must sow his wild oats," but recall the college men you have known and see if it isn't so.

A speaker in Bucknell Hall, one whose opinion would be doubly valued if his name were given, said that in all his knowledge of college men he had yet to learn of a single case where the essential character and important actions of a man changed after he graduated. These words "essential character," of course, leave a fine excuse for the great majority; to one likes to admit that it is his character which is at fault. In most cases, a college man's actions are worse than his character. But it was this character made up of actions to which the speaker in Bucknell Hall referred.

The case seems bad, but it is not hopeless. Mr. Mercer solved it; let us go and see how he did it.

## MAKING ACQUAINTANCES.

You're a Senior. You go down town and pass a dozen people whom you have passed nearly every day for three years. Perhaps one of them is a merchant of whose store you are a regular customer; perhaps one is a bank cashier, who knows your business almost as well as you do. You pass by without a word exchanged, as if neither one had ever seen the other. You have not "met."

The girl is a member of your class. You have seen her in the class room every day for three years. You see her at a reception. "I beg your pardon, Mr. U, but do you know Miss Senior?"

"I believe not. Very glad to meet you, I assure you."

We are not knocking, for it's really nobody's fault. It's custom; and custom is a hard ruler. But it seems funny when you stop to think of it, doesn't it?

The Literary Societies will not meet this week.

## ALUMNI

Karl C. Pritchard, ex-'02, is practicing medicine at Hunting, W. Va. E. T. Loucks, ex-'81, is principal of the North Braddock High School.

Willard M. Bunnell, '97, and wife, of Scranton, enjoyed some of the social events in Lewisburg, last week.

Rev. George C. Horer, ex-'94, has removed from Wilkesburg to New Brighton to become pastor of the Baptist Church at that place.

Marshall Benn, '07, completed in June a course in forestry at State College, Pennsylvania and is in the employ of the Pennsylvania Department of Forestry.

## Tribute to Judge Reppert.

Judge E. H. Reppert, '77, has recently retired from the bench of Fayette county. In an editorial appreciation of his service, the "News Standard," of Uniontown, says:

"During the decade of his judicial term he never lost, forgot or surrendered his sense of citizenship; never allowed his innate Americanism to become submerged even temporarily in any feeling of exclusiveness growing out of elevation to high office; was always in intimate touch with that element of the community whose natural needs and hopes supply the binding tie of mutual interests, invite the supremacy of law, uphold the administration of good government, support the strength and dignity of a high moral purpose in all the interlocking relations of civic life, and underpin the whole with the genial comradeship of great heartedness."

"We speak from the heart, with sincerity and earnestness, because we believe that a true and prominent public servant, such as Judge Reppert has been, should be told a kindly word when his term of service ends. Just how the popular feeling stands toward him."

## Pitching Machine.

A novel demonstration of a new automatic baseball pitching machine was held Wednesday afternoon on the baseball cage at Harvard. This new piece of baseball apparatus is designed by its inventor, George L. Cahill, of Holyoke, to afford practice for the batters and to ultimately take the place of the string of pitchers who have been accustomed to do this work.

This machine is similar to a breech-loading gun. It consists of a solid, heavy tube, the size of a baseball, about five feet long, mounted on a stand, so that the barrel is about five and a half feet above the ground. When complete with its shield, which protects it and its operator from batted balls, the machine greatly resembles a masked battery.

The baseballs are fed into the gun at the breech and are expelled by compressed air, so regulated by a lever that swift or slow balls can be thrown at the pleasure of the operator. The most interesting and at the same time most striking feature of this baseball "gun" is the device which enables any kind of a curve or combination curve to be thrown.

There is, however, one difficulty in batting the balls thrown by this machine, as there is, of course, no wind-up motion preliminary to throwing the ball on the part of the "gun," as is the case with a human pitcher. The first batsman sees after the sound of the compressed air escaping is the ball hurtling toward him through the air, and until he becomes accustomed to it, this feature makes it puzzling to gaze the flight of the ball.

If this new machine proves to be a success, as the trials held at Harvard indicated that it would, it will undoubtedly be adopted by all the colleges because of its very evident advantage over the old system.

Two alone in the grand stand playing the old, old game; Whether the ball goes up or down To them it's about the same; For she doesn't care what the score is—

And he doesn't care, you see— For the stakes are hearts in the game that starts When Cupid is referee.

## W. U. P. Puts Up Excellent Game.

Continued from first page.

Lose shared the honors of goal-throwing, with Luther who took his place in the second half each one getting eight. Harris also played a fine game. Clausen's work at defense was of first-class order.

Lenthart's work also under the opponent's basket was worthy of mention.

For Lebanon Valley Leatham, who was substituted at center in the second half played a good game and secured two baskets in that short time.

Line-up and summary:—BUCKNELL: LEATHAM VALLEY O'Brien, Harris, forward. Oldham Lose, Butcher, forward. Rutherford Lenthart, center. Appenzeller, Leatham, O'Brien, guard. Guyer Clausen, McCullen guard. Wilder Goals from field—Harris 2, O'Brien 4, Lose 3, Butcher 3, Lenthart 1, Rutherford 1, Wilder 2, Appenzeller 1, Leatham 2, Goals from foul—Wilder 1, Referee, Turner, Williamsport.

**ACADEMY-FRESHMAN GAME.**

The Freshmen opened their basketball season Saturday night when they defeated the Academy five by a score of 28-13.

A delegation of fair roots from the Seminary and several of the college Freshmen were present to cheer their classmates to victory.

Prior to the opening of the game the candidates of the Freshman team held an election and chose Clausen, the clever "varley" guard, as permanent captain. The first year men showed fairly good form for their first appearance and had little difficulty in winning from their opponents.

In the first half the playing was fast and a number of clever plays were pulled off. The second half, however, was marred by unnecessary roughness and both teams were repeatedly penalized for offenses.

The game gave the Freshmen a chance to try out some of their new material and while the result was partially satisfactory, it showed the men somewhat weak in team work.

The shooting of Leach and Watkins was features of the Freshmen's play. Parry excelled for the Academy quintet.

The line-up:—FRESHMEN: Reddy, Baker, forward. Fenton Leach, Craig, forward. Parry Clausen, Rhoads, center. Dreher Watkins, Thatcher, guard. McCullen, guard. Steele Clausen, guard. Gwiner, guard. Goals from field—Leach, Watkins 3, Baker 2, McCullen 2, Rhoads 2, Fenton 3, Parry 2, Reddy, Clausen, Dreher. Goals from fouls—Parry, Referee, Harris, 10. Time of halves 20 minutes.

**ACADEMY:** Reddy, Baker, forward. Fenton Leach, Craig, forward. Parry Clausen, Rhoads, center. Dreher Watkins, Thatcher, guard. McCullen, guard. Steele Clausen, guard. Gwiner, guard. Goals from field—Leach, Watkins 3, Baker 2, McCullen 2, Rhoads 2, Fenton 3, Parry 2, Reddy, Clausen, Dreher. Goals from fouls—Parry, Referee, Harris, 10. Time of halves 20 minutes.

**ACADEMY vs. MILLERSVILLE.**

The Academy basketball team will play "Happy" Cooper's team from Millersville State Normal in the College Gymnasium on Saturday night.

The Academy boys were defeated by this same team at Millersville a few weeks ago and are determined to turn the trick. Millersville has since defeated the F. & M. Academy team, one of the strongest prep school teams in the state. Girls from the college and Seminary will be allowed to attend. Reserved seats free.

## TWO VIEWS.

There was once a man who wished to write a book. The title of the book was "Past and Present, or Is the World Growing Worse?" To secure data and statistics for his work, the would-be author visited a great metropolitan city.

The first person interviewed was the captain of a police precinct in the busiest part of the city. Is the World Growing Worse? To captain replied to the query of the writer: "Yes, indeed it is. In our district alone we have had thirty more arrests already this month than we had for the whole month last year. Not only are the criminals becoming more numerous, but more hardened. There were two yesterday from whom the third degree failed to bring a confession. The world is certainly growing worse."

The man with the note took then left for a mission noted for its good work among the slums of the city. He found the superintendent busy. "I don't know, perhaps the world is growing worse. To tell the truth, I never had time to stop to consider it. I am so busy trying to help these men here that I never think about mankind, but perhaps you're right, perhaps the world is growing worse, I don't know."

And the superintendent went on with his work. Do you think the he knew as much about it as the police captain?

"Who's Who in America" includes short biographies of men who have attained prominence in some form of leadership. Of the whole number given, only 31 received no education; 898 received a common school education; 1,245 had the training of the high school, and 4,810 graduated from college. These figures prove that, other things being equal, the college man, in the struggle for leadership, has 160 times the chance of an uneducated man, six times the chance of the product of the common school, and four times the chance of the graduate of the high school.

A State Freshman who desired to mark his laundry as a matter of identity, is said to have inscribed his name on one piece and to have marked the others ditto.

## ALUMNI

WHAT THE MEMBERS OF THE CLASS OF 1907 ARE DOING.

Probably no class that has ever graduated from Bucknell has scattered so widely so soon after graduation as the 1907 class. Indeed, so widely have the 1907 people become separated that not until this time has it been possible to secure even an approximate idea as to their present locations and professions. From Alaska to Florida, and from Vermont to Louisiana and Oklahoma are scattered the graduates of last June.

Many of the class have entered the teaching profession, and this calling has taken them to many parts of the country. H. D. Reese is teaching public school in Igloo, near Cape Nome in Alaska, a few miles from the Arctic circle. Miss Anna Galbraith, at the other extreme in latitude, is located in Deland, Florida, where she is engaged in teaching French in Stetson University. Four other ladies of the class are in the South teaching: Miss Ruth Jones, at Spellman Institute, Atlanta, Georgia; Miss Emma Youngman in Savannah, Georgia; Miss Francis Williams and Miss Margaret Lecher, at LeLand University, New Orleans.

Among others who are teaching, C. C. Wagner is located in South Dakota; W. M. August at East Hampton, Mass.; H. B. Adams, at Millersville Normal; Gordon Evans, at Sempron, where he is principal of the No. 13 grammar school; and James Grimmlinger, at Osceola Mills, where he is Asst. Principal; E. W. Whitney is principal of the schools in Weavka, Oklahoma.

Among other pedagogues in the class are: P. G. Cober, in the Connelville high school; W. C. Hulver, who is supervising principal at Easton; W. W. Baker, assistant principal at Hughesville; S. Homer Smith at Bucknell Academy, teaching Latin; H. G. Shively, instructor in Mathematics in the Centenary Institute, Hackettstown, N. J.; and W. W. Staver, in the Steelton high school.

The following girls swell the total number of pedagogues in this class to the surprising number of thirty-one: Mary Galbraith, in Slatington high school; Helen Olds, in the Johnstown high school; Ursula Farnley, in Mahoning City; Margaret Rowlands, in Homestead; Rebecca Shove, in Locust Valley, L. I.; Mabel Still, in the Kan. high school; Mary Stanton, in the New Berlin Seminary; and Mary Weddle, in the West Newton Academy.

Milton Gress, W. Dudley Haman and Frank Sulgelsky are also occupying teaching chairs. Chas. Stuplinger is principal of the Pleasant Mount, Wayne Co., high school; L. O. Manley is teaching in his home town at Canton.

Members of this class occupied in other callings will be given next week.

**A Reception.**  
Invitations have been received by members of the faculty from Dr. S. Lewis Ziegler, class of 1889, and wife, with card of Miss Weston enclosed, to a reception, Friday evening, Feb. 21, at 1625 Walnut Street, Philadelphia.

Thomas J. Morris, '00, and Mrs. Carrie E. Layton, of Newton, N. J., were married at the home of the bride's parents on Thursday, Dec. 26. Mr. and Mrs. Morris will be at home at 4375 Calumet Avenue, Chicago, Ill. Mr. Morris resigned last fall from his position as teacher in Shattuck School, Fairport, Minn., and is now with the Crowell Publishing Co., with offices in the Trinity Building, Chicago, Ill.

The men at the University of Chicago have rebelled at women wearing huge hats to class and sitting in the front rows.

## BUCKNELL DEFEATS TWO STRONG TEAMS

ALUMNI, 35-11; SWARTHMORE 29-9

Varsity Plays Greatest Ball of Season, and Has Little Trouble to Win from Opponents.

Bucknell had no difficulty in defeating the Alumni team on Thursday night as the score, 35-11, indicates. To those who expected a repetition of the close contests of former years with this team, the game was a disappointment. There were enough lively plays and spectacular shooting, however, to keep a high interest throughout the contest.

What the Alumni lacked in team work they made up in individual playing. Cockill was the star; both his dribbling and shooting were of a high order. Considering the fact that the men had not played together before, the playing of the entire team was good.

The Varsity forwards showed marked improvement over the W. U. I. game. Their passing, while not perfect by any means, was better than before, and showed the results of the hard practice of the week.

Loose returned to old form and shot five goals while in the game. Lenhart played well at center, and the work of the guards was of the same excellence.

The line-up follows: Bucknell, G. Leach, . . . Forward . . . . . W. Leach, . . . . . Forward . . . . . O'Brien, . . . . . Forward . . . . . Cockill, . . . . . Center . . . . . Lenhart, . . . . . Guard . . . . . G. Harris, . . . . . Guard . . . . . Clawson, . . . . . Guard . . . . .

Gomis, Cockill, 4, Lenhart, 6, Leach, 5, Smith, 2, Dutcher, 2, O'Brien, 2, G. Leach, Harris, Goals from fouls, Cockill, 2, Harris, 4, Referee, Turner.

Winning with ease two of the games which had been locked up as the hardest on its schedule, the Bucknell Varsity basketball team maintained its clean record of victories last week and finished in a style that makes the prospects for the State College contest tomorrow night look very encouraging. Both of the games were surprises from the fact that the victories came so easily. While the home team had hoped to defeat the Alumni, it had anticipated trouble with Swarthmore, but neither team proved dangerous. The Saturday night contest with the Quakers was especially gratifying to the Bucknell supporters, coming as it did on the eve of the big game with State, the old rival of the Orange and Blue. When seen after the game by a representative of the Orange and Blue, Captain Clement, of the Swarthmore team, expressed his opinion that Bucknell would defeat State on Tuesday. "It will be a close game, however," he said.

Swarthmore landed here on the tail end of its annual barnstorming trip up the state. The players, however, were apparently in excellent condition in spite of their travels and strenuous games of the week. On Thursday night they were defeated by State by a score of 34-22, but on Friday night won from Bloomsburg, 15-10. Bucknell was also in fine form after the Alumni game and both teams were on their mettle when R. Turner blew the whistle for the opening of the first half. The first five started off with a rush and ran the score up to eleven points before Dick basketed the ball for the visitor's first score. Captain O'Brien did brilliant work and was conspicuous in almost every play in the first half.

## COLLEGE COMEDIANS PERFORM THURSDAY

MELANGE OF MUSIC AND MIRTH.

Excellent Program of Songs, Skits, and Jokes Has Been Arranged by Manager.

The annual production of the College Minstrels will take place in the Lewisburg Opera House on Thursday night of this week. Rehearsals have been continued for several weeks, and on Thursday night the mirth-makers will be in fine form. The circle is practicing twice daily on catchy music arranged by Stolz, '08.

The end solos will be given this year by the two premiers, Gardner and Bakley. Parsons, "the man with the voice," will render his specialty, "Davy Jones' Locker." Other soloists are Fritz, Dewey, and Altitude.

The program for the Olio included among other things, a farce by Shrum and Wolfe, "Barflies the First," a mandolin and guitar number, and a cornet duet.

A list of singers and comedians taking part in the show follows: Interlocutor—R. W. Shrum, Jones—"Hail" Gardner, "Stoaty" Walters, "Red" Gayer.

Tanboos—"Dime" Bakley, "Dad" Hawk, "Bullies" Wolfe, Circle-Tenors, Fritz, Glas, A. house, Fetter, Lenhart, Schuler, Williams, Rascals, Dewey, Butcher, Shreve, Stolz, Way, McAllister, Cure, Parsons.

Business Manager—R. W. Shrum, Musical Director—H. C. Gardner, Pianist—P. M. Irey, Stage Manager—J. F. Sheehan.

President Harris Delivers Oration.

At a celebration under the auspices of the local encampments of G. A. R. and Sons of Veterans on Friday evening in Bucknell Hall, President Harris delivered an oration on "The Character of Abraham Lincoln." The speaker presented in a new light many interesting qualities in the character of the "Great Emancipator."

He dwelt on the many dignity of Lincoln, his wisdom and diplomacy during the trying times of war, the shortness of his public career as compared with the career of other of the world's prominent men, his kindly rule over his slaves, and his stand "for firmness in the right." The oration was appreciated by a large crowd.

Prof. Lindemann Addresses Students.

Prof. C. A. Lindemann delivered an address before the University in Bucknell Hall on Saturday morning. The subject, "Public Highways," was treated in a manner that was instructive and interesting to everyone present. A solo by Miss Gerhart was a part of the program.

College Bible Class.

In the College Bible class Dr. Harris spoke of "The covenant of God with Man" taking as a basis that one made with Noah after the flood. There is the covenant of nature or that of law, and the covenant of grace, better called the covenant of life. The covenant of nature, that which we now call natural law, is illustrated in the orderly succession of the seasons, in the succession of day and night. The bird in the fall is driven by instinct southward, and in keeping with the covenant of God as expressed in the bird's nature, there is a South to receive and nourish the bird during the winter. God is in nature, in life, in the earth, in the sky, as well as in the course of human history. "This do and thou shalt live," are the words of the covenant to man.

The covenant of grace or covenant of life is not for the indolent but a promise of aid to those who want to be helpful enough to obey the law.

Bucknell Debating League.

The debating league met on Wednesday and adopted the constitution as drawn up by the committee. Cole, '08, Carey, '08, and Haggerty, '09, were appointed a committee to arrange for a general debate among the members of the league.

Basketball Game WITH STATE COLLEGE

TEAMS WILL PLAY IN TUSTIN GYMNASIUM ON TUESDAY NIGHT.—GREAT GAME.

The basketball game with State College tomorrow night will probably be the hardest game in the local gymnasium this year. An unusual amount of interest attaches itself from the fact that it marks the formal renewal of relations with our old rival. Both teams have been playing championship ball all season, State losing but one game, to U. of P., the Intercollegiate champions, while Bucknell has come out ahead in all her contests. Comparative scores seem to indicate that the teams are evenly matched.

State's scores to date follow: State 40, Wyoming Seminary 11, State 39, W. U. 14, State 35, P. & M. 11, State 26, Delaware 19, State 19, Penn 28, State 28, Swarthmore 27, at Swarthmore, State 26, Swarthmore 22, at State, State 47, George Washington 4.

Bucknell Alumnae Meet.

The Philadelphia alumnae of Bucknell University met Wednesday at 1606 North Broad street for the annual luncheon. Nearly all the women are interested in civic movements, and there were interesting discussions on "Mothers' Clubs" by Mrs. Edwin Grace; "Juvenile Courts and Child Labor," by Miss Mary Haggis; "Women on Educational Boards," by Mrs. Frank Miles Day; "Public Schools and Playgrounds," by Mrs. I. H. O'Hara; "The League for Good Citizenship," by Mrs. Kirkbridge, and "Public Libraries," by Miss Kreuger.

These at the meeting were: Misses James T. S. Johnson, Robert Barker, Howell, Dewey, A. Cobb, W. A. Dolson, Chas. Barnes, Thos. Crass, Tustin, C. S. Sutter, M. B. Weir, Ell H. Eldridge, Jas. Willet, A. J. Rowland, Samuel Bolton, C. H. Walker, Dancy, S. A. Lovell, Clement Lewis, J. H. Weaver, H. Hopper, McVitty, R. S. Gall, Myrick, Misses Hannah Goodman, Elsie Payne, Day, M. Rowland, J. H. Chambers, L. Matthews, Clara Bell.

Students should keep in mind the fact that Judge J. B. Lindsey, the "boys' judge" of Denver, Col., will lecture here soon under the auspices of the Y. M. C. A. lecture course. To hear this man of national reputation is indeed a rare privilege, and Bucknell, which is fortunate enough to secure the opportunity, should be wise enough to grasp it. The problem of the "bad boy" is world wide, and Judge Lindsey has found a method of solving it. To the college student, then, who must meet this problem and others equally as important, his remarks will be especially interesting. Judge Lindsey should be greeted by a large audience when he comes to Lewisburg.

The annual appearance of the Bucknell Minstrel promises to furnish abundant fun and music for the college and town on Thursday night. This production, the only dramatic effort of the year on the part of the student body, deserves your encouragement and support. The best way to encourage other events of this nature is to support these we have. Attend the Minstrel.

**Sigma Chi Entertainment.**  
A reception was held at the Sigma Chi Hall on Saturday afternoon from three to five in honor of Rush H. Kross, Bucknell '06, and wife, of New York City. The following were guests: Miss Emma Zeller, of Pottsville; Miss Mary Lee, of Owego; Miss Castle, of Philadelphia; Miss Hoyer, of Williamsport; Miss Elizabeth Heinen, of Milton; Mrs. Nellie C. Marsh, Mrs. Herbert, Mrs. Craig, the Misses Hazel and Belle Craig, Shaffer, Stoughton and Spratt, of Lewisburg; Messrs. Goodman, of Philadelphia; Wm. N. ## BUCKNELL DEFEATS TWO STRONG TEAMS

Concluded from first page.  
The big forward seemed to have recovered from his slump of the past few weeks and had little difficulty in shooting goals. The play-nom and shooting of Harris was one of the features of the game. Besides playing a clever game on the defense, the Bucknell guard tallied four field goals, three of which were made on distant shots.  
The visitors played snappy ball. At times they worked of some superb passing but their team work was shattered by the impregnable defense of the Bucknell guards, and the basket when they did get a chance to shoot. At best they made a total of four field goals, two in each half, and a foul goal, while Bucknell called thirteen field goals and three from fouls. Bill and Abe were conspicuous in Swarthmore's playing. Griffin, the speedy Quaker center, also started out a clip that kept Lehart constantly on the move. His career was rather short lived, however, as he and the Bucknell center were disqualifed in the first half for rough playing and had to leave the floor. Captain O'Brien took Lehart's place and Butcher went in as at center for Swarthmore. The half ended with the score, Bucknell 19, Swarthmore 4.

In the second half Swarthmore struck up a little faster pace but only succeeded in tallying five more points. During this half Bill struck an iron post at one end of the floor. He was knocked out for a few minutes but pluckily finished the game. Harris was substituted for Captain Clement towards the close of the game and made the only score out of the several chances the visitors had for goals from fouls.  
One of the largest crowds of the season saw the game. The game ended with the final score, Bucknell 29, Swarthmore 9.

**Snow-Shoeing on Blue Ridge.**  
Through the courtesy of Mr. Chas. H. Eldon of Williamsport, Professor and Mrs. Davis recently enjoyed a most unique and fascinating afternoon on snow shoes. While this is a delightful pastime of the Canadians, this sport is rather uncommon about here. On Saturday the conditions were almost perfect, and after shoes had been replaced by lumberman's socks and necessaries, the snow shoes were laced on and then began a long steady climb over the fields and up the mountain side—reaching the summit of one of the foothills, Williamsport with all its beauty lay before the travelers, while the invigorating exercise in the clear cold air, and the beautiful mountain scenery set off by a deep blue sky made the experience one to be long remembered. On the way down, through the woods the trail of a bear was crossed.

Two very effective little plays were given in the schoolroom on Friday afternoon before a select number of guests. The cast in each case was made up of Dramatic Club members and candidates for membership.

The two plays, "Economic Boomerang," and "The Burglar," were given under the direction of Dana Bower, '08, and Helen C. C. '09, respectively, both of whom will be graduated in October this year. Congratulations are due to the two girls, to the several players, and to Miss Schlenger—the power behind the throne—for the charming success.

### ACADEMY NEWS.

Prof. Thomas has been away for a few days on a business trip.  
Bloom, Dewey, Hughes and Gwiner spent Sunday at home.  
Watrous, a former student at the Academy, called on friends on Saturday.

### Oratory Notes.

The question for the Junior Prize Debate this year will be, "Resolved, That a postal savings banking system should be organized by our government." This question will be discussed in Congress in connection with the general improvement of our banking system, and a bill for this purpose has already been introduced. Bucknell's debaters will present clearly both sides of this important subject.

The selection of Sophomores for honors in oratory will be made this week. As usual the gentlemen will confine their efforts to orations, several of the best speakers have already signified their intention to enter the contest, but the list is open for all.

Choice of the Junior orators will soon be made. In this contest original productions are given.

### DEUTSCHER VEREIN

#### TO PRESENT PLAY

"DER NEFFE ALS ONCLE."

German Comedy Will be Given in Opera House, Friday, Mar. 13.  
—Comely Synopsis.

The German play to be given under the auspices of the Deutscher Verein will come off in the opera house on Friday, March 13, 1908. It is Schiller's "Neffe Als Onkel," an adaptation of Plautus's "Menechmus."

The point of the comedy lies in the humorous situations brought about by the close resemblance of two characters. This theme has never failed to amuse an audience; in Plautus's "Menechmus," in Shakespeare's "Comedy of Errors," in Plautus's "Menechmus," in the weaker productions of the present day. The popularity of this type of comedy in German is attested by versions of the play of Plautus as early as the sixteenth century.

The characters of the play with the names of the actors are: Colonel von Dorsigny, Charles Elson; Mrs. von Dorsigny, Grace Royer; Sophie, their daughter, Beatrice Richards; Franz von Dorsigny, their nephew, R. W. Haller; Mrs. von Mirville, their niece, Olive Richards; Lornell, Sophie's intended, R. B. Morris; Valcour, a friend of the nephew, E. B. Woods; Champagne, the valet of the nephew, A. G. Ritter; Notary Public, H. B. Hedge; Police-Sergeants, H. B. Hedge and G. F. Ballist; Postilion, A. T. Poffenberger; Jarmine, a servant in the Colonel's house, A. T. Poffenberger; Postmen, G. F. Ballist and H. B. Hedge.

The play is divided into three acts, the substance of which follows:  
Act I.—Valcour has received an anonymous letter appealing a ransom of \$10,000 for the recovery of his house. The mysterious writer turns out to be none other than his friend Franz von Dorsigny, who, having fought a duel with his colonel, is taking refuge disguised as his uncle, whom he resembles in every particular, except that the latter wears a wig. Even his own sister, Mrs. von Mirville, fails at first to recognize him. She is the bearer of the distressing news that a match has been arranged between his cousin Sophie, with whom he is desperately in love, and Lornell, with whom his uncle is shortly expected to bring home, and whom Sophie has never seen in her life. At all hazards this must be stopped, and Franz's valet, Champagne, comes forward with the suggestion that his master should continue to impersonate the character of his uncle, and to report to his aunt the imaginary death of Lornell. At the same time a courier is to arrive with a letter from Franz, the nephew, offering his hand to his cousin. His aunt will accede, and Franz, as the uncle, will be called away on urgent business, leaving Mrs. von Dorsigny to arrange the preliminaries. The next day Franz is to appear in propria persona, the marriage will be performed, and the real uncle arrive with the sister of his choice, only to find the place already filled. These plans are at once carried out, Franz succeeds in hoodwinking his aunt, extracts a confession of love from Sophie, the letter arrives, and he is besides supplied with money from one of his uncle's creditors, with which he pays his debts. But they are suddenly interrupted by the appearance of the uncle himself, accompanied by Lornell. The ladies retire to interview the milliner, and the Colonel is thrown into a state of hopeless confusion by Jarmine, his valet, who hands him a receipt from

### College Bible Class.

In the college Bible class Dr. Harris spoke of the tradition of the "Nations," as found in the tenth chapter of Genesis. The Hebrew tradition found here explains the descent of the nations to them. All came from Noah through his three sons, Shem, Ham, and Japheth. Shem, the "renowned one" was the father of the nations of the east, of Elam, whence came the Hebrews, Ham, the "dark colored one," was the father of the Canaanites, the Ethiopians, and all those darker of skin than the Hebrew themselves. Japheth, the "scattered one," was the father of the nations spread out to the west, even to Spain.

But as all the traditions recorded in Scriptures, this one teaches a religious truth. The great idea set forth here is that all mankind is descended from one; therefore all are brethren and are to be treated as brothers. God is the God of the world and not alone of the Hebrews.

Lycoming County Club.  
The Lycoming County Club will eat a chicken and waffle supper at Mrs. Huth's on Wednesday night. All students of the University from Lycoming county are invited. The committee in charge are: Dawson, '08, Miss Myers, '08, and Miss Walters, '08.

**MINSTRELS PERFORM FOR ATHLETIC FUND**

GOOD PROGRAM RENDERED BEFORE LARGE AUDIENCE ON THURSDAY NIGHT.

Before a large audience in the opera house on Thursday night, the Minstrels presented their annual show and scored a decided hit. While the work showed a little hint of necessary haste in preparation, on the whole the program was smoothly carried out. From a musical standpoint, it is doubtful if it has ever been surpassed.

As end soloists, Gardner and Ealey were good and gave some fine local parodies. The end men all presented a good line of jokes and were funny in the right time, and often at the wrong time. On one or two occasions their antics interfered with the rest of the program. The solos of Parsons and Althouse were especially fine, as were also "The Rosary," by a quartette composed of Gibson, Schuler, Stoltz and Parsons, and "Kentucky Babe," the closing number of the first part, given by the entire circle.

In the olio, Gayer made the hit of the evening by his clever impersonations in an original sketch, "School Days." Wolfe played his part well in "Raffles" and kept the crowd in laughter. The musical numbers in this part of the program served as a diversion from the regular routine and were well received. A cornet duet, selections from "La Favorita," was well rendered by Alger and Loveland.

The report of Manager Shrum for the Minstrel Association has been audited and found correct by the Registrar. The report shows net proceeds of \$94.05, which amount will be turned over to the Athletic Association. The statement follows:

### JUDGE LINDSEY WILL

#### LECTURE NEXT MONDAY

"THE MISFORTUNES OF MICKEY"

Prominent Denver Jurist and Friend of Bad Boy to Appear in Y. M. C. A. Course.

Judge Ben B. Lindsey, of Denver, Colorado, will lecture in the Y. M. C. A. church, Monday night, March 9, under the auspices of the college Y. M. C. A. His subject, "The Misfortunes of Mickey," deals with the problem of the bad boy, to which Judge Lindsey has devoted more time and with which he has had more success than any man in the country.

In securing this man of national reputation on its course, the Y. M. C. A. has afforded the students a great privilege. The lecture was delivered in Williamsport this year before a crowded house. Judge Lindsey's work is more widely known than his lecture. The fact that his plan for dealing with the "boy problem"

Dr. N. C. Schaeffer, State Superintendent of Public Instruction, addressed the Way of Life Meeting in Bucknell Hall Sunday afternoon. His remarks were based on Christ's question to Peter, "Lovest thou me?" and the injunction, "Feed my lambs," showing how the Great Teacher indicated his followers to work, not merely to know. The aim of education is not knowledge but truth. The highest compliment ever paid the work of a teacher was "He makes me want to do good."

After chapel services this morning Dr. Schaeffer addressed the college on what schools and teachers can do to aid the peace movement. The speaker was an appointed delegate to a recent peace conference in New York City, and was well acquainted with all actions with regard to international arbitration. The address was instructive as well as interesting, and a large number of students profited by it.

Dr. John B. Probasco, '65, died suddenly on Tuesday at his home in Plainfield, N. J. After graduating at Bucknell, he studied medicine at the University of Pennsylvania and moved to Plainfield in 1870, where he had since been a leading physician.

State scored the first point on a free throw from foul. Herman threw the goal for the visitors, but Harris repeated the trick for Bucknell a minute later on an offense by the blue and white and tied the score.

For the first fifteen minutes of the half the two teams kept neck to neck. First State would be in the lead and then Bucknell and the score thus seemed locked and fast until near the end of the half when the orange and blue forged slightly ahead and finished the first period with the score Bucknell 10, State 7.

In the second half Captain O'Brien and his men started off at a clip that nearly swept the visitors from their feet. Three field goals were added to Bucknell's score before the State quieted attack and took a chance to pull down the lead. They in turn added three baskets and the close score again raised the excitement to a high pitch. The blue and white's defense weakened up a little towards the end of the half, however, and the Bucknell forwards basketed two more goals and put the game on ice. Final score Bucknell 20, State 13.

**SOPHOMORE VS. FRESHMEN.**  
The first year men furnished a genuine surprise for the basketball fans in general as well as the Sophomore class in particular by defeating the Nineteenth graders on Saturday evening by score of 18 to 16. As usual, college sentiment favored the elder class, for besides a year's experience together, they had Varsity title on their team in Harris, Bucher and Clark, upon whom nearly everyone but the optimistic Freshmen depended to land a victory for them.

The game was attended with the rivalry characteristic of the annual

#### A CLOSE AND EXCITING GAME

Varsity Keeps Up Wining Streak And Defeats Third Strong Team in a Week.

Bucknell played in great form against State College last Tuesday night when it defeated its old rival in the fastest and most closely contested game of the season by a score of 20-13. It was the eighth straight victory for the orange and blue quintet and a clean record for the season is now practically assured.

A crowd which filled the Tustin gymnasium to overflowing witnessed the game and gave the Bucknell players a rousing reception upon their appearance on the floor for the preliminary practice. None the less enthusiastic, however, were the cheers given the State College men who followed a few minutes later. Excitement was at its highest tension when Referee Turner threw up the ball at center and started the game.

The playing was fast and furious from the beginning and both teams kept up the pace almost constantly.

State scored the first point on a free throw from foul. Herman threw the goal for the visitors, but Harris repeated the trick for Bucknell a minute later on an offense by the blue and white and tied the score.

For the first fifteen minutes of the half the two teams kept neck to neck. ## Intercollegiate.

The action of the football authorities of Princeton and Cornell in not scheduling a football game for next year has raised a storm of protest from the undergraduates of both institutions.

A California student who permitted the publication of an article about the University of California girls smoking cigarettes, was disvested of his clothes and covered with fly paper.

As a result of the efforts of Professor Brander Matthews and Professor Calvin Thomas, of Columbia University, the trustees and university press of the institution have decided to adopt some 250 of the 300 simplified spelling forms.

At the University to Nebraska the editor-in-chief of the "Daily Nebraskan" receives five hours credit for his work upon that paper, the managing editor three hours, and each reporter one hour.

Rev. Thomas Henry Sprague, class of 1897, will lecture in Baltimore on March 24. His subject will be "From Summer's Glow to Winter's Snow." W. A. Lanning, '92, is teaching History in the Tarrantum high school.

one of his nephew's creditors." Act II—"Mrs. von Mirville promises to get her brother out of the dilemma he has fallen into by the arrival of his uncle. The Colonel is more mystified than ever by Valcour, who, believing him to be the nephew, announces that his (Franz) colonel was not after all killed in the duel, and that he will endeavor to patch up the affair. Sophie now enters and thanks her father for his supposed consent to her union with Franz. She is left alone with Lornell, who hears from her the extraordinary intelligence that he is dead, and that she loves and is about to marry her cousin, and leaves her with the object of seeking an interview with the uncle. Matters are further complicated in a meeting between the Colonel and his wife, each of whom believes the other to be slightly wrong in the head. Even Champagne himself is taken in, but the Colonel is now beginning to see matters in a clearer light. Mrs. von Mirville assures both Franz and Champagne that all will be well, and leaves upon the entry of Lornell, who, in his turn, mistakes Franz for the uncle, and expresses his willingness to give up Sophie in favor of her cousin. But in the joy of his heart Franz betrays himself. Lornell is however firm in his purpose, and declares that he has fallen in love with Franz's sister, Mrs. von Mirville, at first sight, and each promises to help the other in his suit. Franz now announces to his sister the conquest she has made, adding that he has informed Lornell of the hopelessness of his suit, she having resolved never to marry again. The Act closes with a soliloquy by Champagne, who declares his intention of reporting an imagined quarrel between Lornell and Franz, disguised as his uncle, in order to get rid of the uncle for a few days."

Act III—"The uncle evidently expects trouble between the two al actors, but assures Lornell that all will be right in the end. Presently two sergeants of police enter at the instigation of, and accompanied by, Champagne to arrest Franz for putting his garbion without leave, as well as to keep Lornell under their supervision, and thus prevent a duel. Of course the uncle is again taken for the nephew, and the police refuse to accept an explanation. Even the drunken postilion recognizes him as the young officer he had just brought from Strasburg. The Colonel submits to the inevitable, and consents to enter the post-chaise, after being assured that Lornell will at once use his influence to set matters straight. Champagne now tells Mrs. von Mirville what he has done, and urges her to use all despatch to unite the two cousins. Mrs. von Dorigny is astonished to see her nephew, who appears in person, as she is to hear of her husband's unexpected departure, which the clever Champagne explains by his having been suddenly despatched on an important mission to St. Petersburg; but she will not hear of the marriage until a letter reaches her from her husband from the first station. The notary now arrives with the marriage contract in response to a summons from the Colonel and Mrs. von Dorigny, being persuaded to view it as a confirmation of her husband's consent to the union of Franz and Sophie, joins their hands and gives her blessing. To the surprise of all, the Colonel suddenly appears with Valcour, who has had the order for Franz's return to his garbion rescinded and unconsciously fetches back the uncle instead, who still insists on his daughter's marriage with Lornell. The latter appears and fulfills his promise to give up Sophie to Franz, demanding the hand of Mrs. von Mirville. The Colonel abuses Champagne as the cause of all the trouble, but in the end is obliged to submit to circumstances and give his consent to the double union."

underclass combats. The Sophomore

rosters held the bleachers at the east

end of the gymnasium, while the

Freshmen occupied those at the

west end. Excitement ran high as

the game progressed, for at no time

in the game was there a difference

of more than four points. The Sophs

had a shade the better of the first

half, the score at the end being 9

to 8 in their favor. In the second

half the play was fast and furious.

The Freshmen seemed to have gain-

ed a fresh wind during the intermis-

sion and played hard from the start.

As the end was fast approaching with

the Freshmen in the lead, the cheer-

ing of both sides was almost deafen-

ing.

The timekeeper's whistle finally an-

nounced the game over and the vic-

torious warriors off the floor.

The game was a good exhibition.

Both teams deserve credit for the

showing they made. So evenly were

they matched that the outcome of

another game would be a matter of

sheer speculation. For 1910 Captain

Butcher played a star game, making

three of the five field goals made

by his team. Harris' six goals from

fouls were a good contribution to

the final score as well as his good

defensive work. For the Freshmen,

Leach was the leading tallier, se-

curing four field goals. Clausen as

usual, played a strong defensive

game and showed good headwork in

the way he handled his team.

## RECORD OF VICTORIES REMAINS UNBROKEN

### BASKET-BALL SEASON CLOSES

By Defeating Gettysburg and Franklin and Marshall on Trip, Bucknell Keeps Up Reputation.

The Varsity basketball team did not allow their trip to break the season's record of victories and returned with two more to their credit. Gettysburg and Franklin and Marshall were both defeated on their home floor in rough and exciting games, the first by the score of 17-15 while the latter lost 20-17.

The game at Gettysburg on Friday night was the harder of the two. The Varsity was handicapped by the small floor, which placed the guards at a decided disadvantage in the clutching. It seemed that every few seconds the ball was out of bounds. This did not eliminate fast work, however, and the game was one of the most exciting on the Gettysburg floor this year.

Gettysburg was the first to score. During the first half the lead alternated from one team to the other, and kept the spectators in a continual doubt as to the outcome. Toward the end of the half the ballfield boys forged ahead and ended this period with score 11-7 in their favor.

The playing at the beginning of the second half was not so rough and witnessed some excellent passing and team work. Soon Bucknell secured the lead, which she held by careful guarding until the end of the game. The final score standing 17-15. Ten fouls were called on each team, from which Harris shot three goals and the Gettysburg man six. Lenhart was the star for Bucknell. Not only did he secure three baskets, but his work in the second half in breaking up the passing of the opposing team was fine and stopped many shots. O'Brien was injured near the close of the game and Butcher took his place.

The score: Bucknell. McCarrall . . . . . Forward . . . . . O'Brien. Breitenreiter . . . . . Forward . . . . . Lyte. Fiskus . . . . . Center . . . . . Lenhart. Lantz . . . . . Guard . . . . . Harris. Snyder . . . . . Guard . . . . . Clausen.

Goals from field, Breitenreiter 3, Fiskus 2, Lenhart 2, O'Brien, Lyte, Harris, Clausen. Goals from foul, Fiskus. Time of halves, 20 minutes.

The second game, while not against so hard a team as the first, was won by a close score. The Varsity players were somewhat crippled from the hard game the night before, while F. and M. showed a great improvement over their playing here early in the season. They were the first to secure a goal and maintained a lead during the first half. The second half started with the score 11-8 against Bucknell. They soon returned to form, however, and outplayed their opponents in every stage and won in the end by the score of 20-17.

Nearly all the goals were obtained on long and difficult shots. Harris excelled in this department, securing four. Lenhart shot a spectacular goal in the second half from the center of the floor. Butcher was substituted for O'Brien in part of the game. The referee seemed to find considerable fault with Bucknell's playing and called seventeen fouls to six against F. and M. Had Watt been as good in shooting goals from offense as was Harris, the game might have gone the other way.

Score: Bucknell. Lyte . . . . . Forward . . . . . F. and M. Lantz . . . . . Forward . . . . . Gottshall. O'Brien . . . . . Forward . . . . . Watt. Butcher . . . . .

Goals from field, Gottshall 3, Watt 2, O'Brien 2, Lyte 2, Harris 2, Clausen 2. Goals from foul, Fiskus 2, Lenhart 2, O'Brien 2, Lyte 2, Harris 2, Clausen 2. Time of halves, 20 minutes.

The production of the German play, "Der Nette Als Onkel," by members of the Deutscher Verein, was witnessed by a large crowd in the opera house on Friday night. The different characters were well interpreted and well acted, so well in fact that the story was clear even to those who had but little knowledge of play. The participants showed themselves clever actors as well as excellent students of German.

For their painstaking efforts in learning the parts and holding rehearsals during nearly four months, the members of the Verein in the play deserve great credit. Professor Reimer, to whose careful training much of the success of the production is due, is to be congratulated on the work of his pupils.

The parts were taken as follows: Oberst von Dorsigny—Charles Elson. Frau von Dorsigny—Grace Royer. Sophie, ihre Tochter—Beatrice Richards. Franz von Dorsigny, ihre Nette—R. W. Haller.

Frau von Mireille, ihre Nichte—Oliver Richards. Lormeuil, Sophies Brautigam—R. B. Morris.

## DEBATERS WILL TRY OUT FOR INTERCOLLEGIATE

### IN BUCKNELL HALL, WEDNESDAY.

Six Men Will Be Elected by the Members of the League to Participate in Second Preliminary.

The first preliminary debate for the choice of speakers to represent Bucknell in the triangular contest with Gettysburg and Lafayette will be held on Wednesday night of this week in Bucknell Hall. According to the constitution adopted at the last meeting of the Bucknell league, every member of the league is eligible to enter this preliminary. The question to be debated is: Resolved, That the United States should adopt a system of responsible cabinet government. This is the same question debated by Gettysburg and Lafayette at the first contest of the series.

The constitution of the local league provides that from the contestants of Wednesday night the members of the league shall vote to select six men who shall be eligible to enter the second preliminary. The next debate will take place early in the Spring term, when judges will select the three men to meet the Gettysburg team. To make this system a success it is necessary that each member pay his dues and be present on Wednesday night to vote.

### College Bible Class.

Dr. Harris spoke of the "Dispersion" connected with the incident of the "Tower of Babel," as recorded in Genesis 11:8 and 9. The story of the dispersion of the nations is a story of the tendency in human nature toward stability. The people intended the tower which they started to build as a bond of union lest they should be scattered abroad. Had the plan been carried out development would have stopped to a great degree, as it has for centuries among the Chinese. But God's purpose for man from the beginning was that he should go out and subdue the earth and his purpose is set forth here in the Hebrew tradition of the confusion of tongues. We believe that God did cause the dispersion and scattering of people over the earth and the question of means is of little importance. It is the movement of people, who take with them all this knowledge, and combine it with that of other peoples; it is this fulfilling of God's purpose for man that has made possible a great civilization.

### LITERARY SOCIETIES.

**Eupelia, March 20th.**

First preliminary for the selection of debaters to represent Eupelia in the inter-society debate:

Resolved, That immigration should be forth restricted by an literacy test. (Open to Freshmen and Sophomores.)

Four debaters will be selected at this contest and from these four a selection of two will be made in the second preliminary at the beginning of the Spring term.

### Theta Alpha.

The address by Dr. Perrine on "What Constitutes an Able Debater," which was to have been given last week, was postponed to Friday night of this week.

### 1910 Holds Class Meeting.

The Freshman class held a meeting in the Chemical Laboratory Thursday afternoon and elected the following athletic officers: Manager of baseball team, Miller; Captain, Arnold; Manager of track team, Wood; Manager of tennis team, Green.

## PROF. BYRON W. KING GIVES INTERESTING AND HELPFUL ENTERTAINMENT.

### ON WEDNESDAY NIGHT BYRON W. KING, PH. D., PRESIDENT OF THE KING SCHOOL OF ORATORY, PITTSBURGH, GAVE AN ENTERTAINMENT IN BUCKNELL HALL UNDER THE AUSPICES OF FRILL AND FROWN.

As an example of the various branches of dramatic art, the entertainment could not have been surpassed. In his sudden changes from the humorous to the pathetic and from comedy to tragedy the speaker had the entire audience always with him; Shakespeare was interpreted with the same skill as was Riley. Near the close of the regular program Dr. King gave some imitative sounds that proved him a wonderful master of the human voice. The girls of Frill and Frown and Miss Schillinger are to be congratulated on securing this entertainment.

Two Alumni Write Articles. Of the many magazine articles written by L. E. Theiss, '02, none have been more timely than the one entitled, "A Little Mother to the Convict," in the March number of the Delinquent. In this splendid discussion of the work of Mount Ballington Booth, the author brings out the possibility of converting the prison prisoner respectively, into the reformatory and self-respecting citizen. It is an article well worth reading.

A second production of Mr. Theiss appears in the March number of Good Housekeeping, under the caption of "Cheap Clothing an Extraneous." In the preparation of this article, the New York Sun reporter was ably assisted by his wife, Mary Barthol Theiss, '04, who like her husband is a gifted and pleasing literary.

### UNDERGRADUATES IN ELOCUTION WILL RECITE

EXHIBITION OF STUDENTS IN MISS SCHILLINGER'S DEPARTMENT ON FRIDAY.

On Friday evening, March 20th, at seven o'clock, an undergraduate elocution recital will be given in the Institute schoolroom. All boarders in the Woman's Buildings and a few guests from town are being invited to attend. The following program is to be rendered:

Nellie Stevens: Widow's Light-Brown.

Allie Platt: Sisterly Scheme—Bun-der.

Grace Royer: Little Karl—Ella Wheeler Wilcox.

Hattie Wilson: An Abandoned Elopement.

Doris Whitney: Marriage of the Flowers—Smith.

Grace Smith: The Debutant—Phelps.

## POLITICAL CLUBS.

The Presidential election and general political activity over the country this year will arouse in American colleges more interest in national politics. Already political clubs are being organized. Cornell and Brown have their "Hughey Clubs," Yale her "Tutu" and "Democratic" and "Republican" clubs are being formed in nearly every institution. The Orange and Blue recently received a communication from the head of the organization of College Democratic Clubs relative to the establishment of such a club at Bucknell.

As a general thing college men do not take an active interest in politics. They read the papers, discuss the Presidential possibilities in literary societies, and perhaps debate on some of the agitated questions of the day, but there the interest ends. They seem to look at a campaign from the outside, as though they were spectators instead of participants. This is a mistake. If there is a knowledge which a college graduate should possess more than any other, it is a knowledge of the workings of political parties. This knowledge cannot be obtained by merely watching. There must be an interest, a feeling in the student that he is a part of the voting system. In that way the practical side of national politics will be learned along with the class-room work.

"Snit" is a college term, used with a special significance near registration time; you know what it means, so it needs no explanation. But it is often roughly applied to a study student. "Snit" does not have when it really belongs to the reference to the case or difficulty with which a certain course is prepared; it has to do more with the purpose the student had in mind in selecting that course. The easiest course in the curriculum is not a "snit" for the student who takes it because he needs that particular subject. Neither will that student loaf in his work during that term. On the other hand, the loafer will make a "snit" of the most difficult subject. So the term really applies to the student rather than to the subject.

Bucknell will not participate in the Track Meet at Harrisburg on May 30.

An examination of the last annual catalogue shows enrolled in the University students from sixteen different states and territories and from five foreign countries. In numbers, Pennsylvania naturally leads. New Jersey comes second with fifty-two, while New York is represented by twelve. Maryland has seven, Delaware three, Indiana, Virginia and Ohio each two. The following states and territories are represented by one each: Texas, Rhode Island, West Virginia, Nebraska, District of Columbia, Connecticut, New Mexico and Wyoming.

## EDITORIAL COMMENT.

Judging from the lineup in our game with F. and M. as reported in the Press, one might think that Bucknell's quietest came from Southern Italy. Leubart's name, e. g., is spelled "Lunhart," and Loe's label is corrupted "Losa."

Bucknell will accommodate State with a return game in basketball, also unable to do so in basketball. Our nine goes to State College May 2, meets the State team on the Athletic Field May 23.

Enough students attended court last week almost to warrant the statement that Bucknell is primarily a law school.

The following is a copy of the new Yale song which won the prize of \$300.00 offered by John O. Heald for the best original Yale song. The words are by W. B. Hooker, and Seth D. Bingham composed the music. The name of the piece is "Mother of Men: Mother of Men, grow strong in giving Honor to them thy lights have led— Rich in the toil of thousands living, Proud of the deeds of the thousands dead; We who have felt thy power, and know thee, High in our hearts enshrined enthroned thee, Mother of Men—Old Yale! Spirit of Youth, alive, unchanging. Under whose feet the years are cast— Heir to an empire, ranging over the future and the past— Then, when our fathers led before us, There, when our sons unborn shall hail, Praise we to-day in sturdy chorus, Mother of Men—Old Yale!

Y. M. C. A. VIEWS A  
SUCCESSFUL YEAR

## ENCOURAGING REPORTS GIVEN.

By Various Committees at Last Meeting of the Year—Special Efforts With Regard to Northfield.

The regular business meeting of the Y. M. C. A. was held last Thursday evening. At this meeting reports of the committees were read—special interest was the report of the Bible study committee which reported nine Bible study groups formed, one hundred and twenty-eight enrolled in Bible study and an average attendance for two months of eighty-six.

The president in his report said that the policy of the past year had been the extending of Christian principles and Christian living among the college men. That in carrying out this policy progress had been made, the credit for which was due to the active interest of the Cabinet and Association members, but that although the Y. M. C. A. had advanced during the year still it had but begun to do the work which ought to be done and which shall be done.

After urging the members of the Association to support the new officers and Cabinet, the retiring president turned the meeting over to the new president, John H. Mathias. Mathias briefly outlined the policy for the coming year. The work of the Association, he said, will be to deepen Christian life and to reach the unconverted. He read the names of the members of the new Cabinet. It was also urged that every man who could possibly get to Northfield should make a special effort to do so this year. A delegation of a score or more is expected to represent Bucknell at the conference this summer.

## Elocution Recital.

The two plays given on Wednesday afternoon and the elocution recital given on Friday evening in the Institute schoolroom were well attended and enthusiastically received. Frill and Frown undoubtedly held bright prospects before it in having as candidates for membership such apt students of drama and elocution. The intense interest which Frill and Frown take in these studies and the marked enthusiasm with which the members infuse all the new students is a growing element in the school and one to be encouraged. Miss Schlinger is to be congratulated not only as the able exponent of the methods and principles in drama and elocution but as a constant impetus in the work.

The gymnasium exhibition which followed the recital on Friday night was exceedingly interesting and gratifying to all those who were present. The grace and agility with which the members of the class performed their dexterous maneuvering and difficult feats was surprising when one considers that they have had but one term of training. They will continue their work next winter term.

## Girls Organize Tennis Club.

On Saturday afternoon a Tennis Club was organized of all those in the Woman's College building who are interested in the game. About sixty names were entered upon the membership list. The following officers were elected: Pres., Helen Tiffany, '08; Vice Pres., Myrtle Walkinshaw, '09; Sec., Sara Ray, '10; Treas., Mary Henderson, Institute. A business committee and a committee of by-laws were appointed. A business manager will be elected later.

Basket-ball Team Makes Good Record Winning  
Every Game on The Schedule This Season

The basketball season of 1908 from every standpoint was one of the most successful Bucknell has ever had. To win every game on the schedule is a record to make any college proud and one of which few institutions can ever boast. When we realize that our opponents include the best basketball teams in the State, the glory is all the greater. The record for the season follows:

Bucknell 46, Susquehanna 22.  
Bucknell 43, Villa Nova 7.  
Bucknell 42, P. & M. 9.  
Bucknell 16, W. U. P. 14.  
Bucknell 52, Lebanon Valley 15.  
Bucknell 36, Alumni 11.  
Bucknell 29, Swarthmore 9.  
Bucknell 64, Keuka 19.  
Bucknell 35, Delaware 10.  
Bucknell 17, Gettysburg 15.  
Bucknell 29, P. & M. 17.

An examination of scores gives Captain O'Brien and his men a total of 420 points scored to 164 by their opponents. The number of field goals obtained by each player is as follows: Lose 43, O'Brien 29, Lenhart 19, Harris 25, Clausen 8, Butcher 36, Leach 10, Lyte 12, Clark 4, Gibney 1, McCullen 1. The points obtained from fouls were Harris 31, Lenhart 7, Butcher 3.

It is difficult to form any opinion as to the individual work of the players. The strength of the season's five lay in the total sacrifice of individual playing for team work. By such playing the long list of victories was possible.

Captain O'Brien proved himself a worthy leader of a champion team.

## Harris Elected Captain

J. C. Harris, '10, of Salem, N. J., guard on this year's basketball team, on Saturday was elected captain for next year.

## Tri-Deltas Entertained.

Mrs. Joseph Wolfe entertained Delta Delta Delta at a very delightful party on Saturday evening. The chief feature of the entertainment was a contest in fitting Deltas together from pieces of nondescript strips of paper. "Peg" Webb, '09, won the prize for completing the largest number of Deltas in the given time.

He secured 29 goals from field and was strong in passing. He did his best work against the strongest teams on the schedule; his five baskets in the Swarthmore game and his all-around playing against State are examples of what "Pat" can do when compelled to.

In goals from the field, Lose, captain of last year's team, was the star. His number of baskets, 43 for a total of 86 points, is a record for 12 games. The main feature of Lose's work, however, was its consistency. There was not a game in which he did not get at least one goal.

Lenhart, another ex-captain, was more than a match for all of his opponents at center. His weight and strength did not interfere with his speed and skill in shooting. Bucknell rooters did not see Lenhart's best work. The Gettysburg game was practically won by the excellent guarding under the goal of the "big fellow." His total number of baskets for the season was 19.

The feature of the season's work, however, is in the playing of the guards, Harris and Clausen. Out of the total of 164 points scored by opposing teams, but 46, or 23 field goals, were scored by forwards, so carefully were they guarded. In three games, two of which were with State and Swarthmore, the opposing forwards did not secure a basket, one in a game was all three other teams were allowed. Besides his excellent point-gaining of the team, his 34 goals from fouls added to 25 from field goals give him a total of 84 points. Clausen excelled in guarding and clever passing, and could be relied upon for a goal when the time came.

Another player deserving of note is Butcher. Although classed as a substitute this clever forward played in all but two games of the season and made his presence noticeable by 36 goals from the field and 3 from foul. It was a source of comfort to the orange and blue supporters to know that there was "reserve strength" at hand in case one of the regular men be hurt. Lyte, Clark, and Leach also distinguished themselves while they were in the game and assure us that there will be plenty of material with which to fill the two vacant places on the team next year.

The schedule as arranged by Manager Innes was all that could be desired and the report will no doubt show a financial gain for the season. The few disappointments were promptly filled, so that there were practically no open dates. For securing the game with State College in the middle of the schedule special credit is due.

No review of the basketball season would be complete without some comment on the work of Referee Turner, of Williamsport. The way he officiated in every game and general fairness to all was such that attracted notice in the papers of other colleges. No player was quick enough to conceal roughness or offense, and the games were not drawn out by unnecessary delays, so frequently the fault of the official. His work was satisfactory with Bucknell and his opponents.

## Anatomical Demonstration.

Prof. Charles Hillard, a graduate of Jefferson Medical College, Philadelphia, gave an anatomical demonstration using his own body as a subject, in the lecture room of the Chemical Laboratory on Friday afternoon. The demonstration consisted of dissecting joints of the body and exercise of certain involuntary muscles over which the lecturer seemed to have complete control. Prof. Hillard has appeared before all the large medical schools in this country and Europe. The wonderful exhibition was witnessed by a large crowd of University students and physicians from near-by towns.

St. Patrick's Day at Sem. St. Patrick's Day was fittingly observed by the Senior girls at a dinner party on Tuesday evening. The "wearing of the green" was revived with a vim and even the table flaunted the same commonly despised shade with a grace seldom equalled.

SENIORS DEFEAT  
TWO UNDERCLASSES

## IN ROUGHLY CONTESTED GAMES.

The Week's Games Gave Nineteen-  
Eight Undisputed Right to Cham-  
pionship Title.

Class supremacy in basketball was settled for the year, last week beyond the shadow of a doubt when the lucky bunch of Seniors defeated the Sophomores and Freshmen on Tuesday and Thursday nights respectively. The underclassmen after a creditable struggle in both games merely bowed to the inevitable. At the outset of each game it was nip and tuck for the advantage, but before the first half was over it could be seen clearly that the superior team work of the Seniors backed by their weight, was going to win out. In both games roughness was the general characteristic. The three teams were anxious to land the inter-class championship and their anxiety showed itself in this way. In this department also the Seniors excelled. Had the referee been as strict as he was in the Varsity games, both contests would have been converted into goal-throwing exhibitions. As it was the champions were penalized for eleven offenses in one game and eight in another. The Freshmen were a close second in roughing it up. Although only five fouls were called, the official could have multiplied that number many times and still have been lenient.

For the Seniors Capt. Niple started in both games. He played a hard fast game throughout both contests and scored five field goals in each game. Lenhart also gave a good account of himself. His phenomenal shooting was one of the features in the Sophomore game. Lose was there with his usual clean consistent game. For the Sophs Clark was the leading taller, getting five out of the seven field goals made by his team. Harris played a fine defensive game and helped the score along by throwing five goals from fouls. Butcher played a good game but was so closely guarded that he failed to get a field goal.

For the Freshmen, Capt. Clausen was the star of the evening. He gave a splendid exhibition of dribbling, outplaying all on the floor in this respect. He also threw two field goals from near the center of the floor. Leach and Craig played a good hard game as well.

## IS THIS A "JONAH" WEEK?

This week is at once the culmination and the test of the entire work of the term. It is examination week. To some students it is a week of cramming and "cold towel application," while to others it is a week of battles which they are eager to fight. To which do you belong?

In order to answer this question it is only necessary to review the term's work, which after all is part and parcel of the examination. If the class work has been satisfactorily done day by day, if the student has grown with each recitation and has mastered principle after principle in logical order—then the examination is nothing to be abhorred. A real student looks forward to an examination as a means to determine for himself his power and efficiency, rather than a burden imposed upon him by "the powers that be."

## CESSATION OF HOSTILITIES.

"Spring Recess" are the words by which the catalog denotes the three days rest now forced upon us. Not that we need a rest, but it gives us a little time to have our books rebound, those that were worn out during the term. The entire college will welcome this recess. To the Senior it will give a few spare hours to devote to that thesis. The Juniors can spend the time very profitably on that condition in Vergil. The Sophomores will invest in a little benzine and clean the paint off that old overcoat. The Freshman, bless his little soul, will go home and once more lie down to pleasant dreams without his door barricaded or a club under his bed. The purpose of a vacation is really to provide a change for everybody. The Freshman gets some sleep and the Senior begins to study.

Those who live near enough to Lewisburg to pay their washerwoman and get home before the recess is over, more joys await. Think of a whole night's sleep without the sound of a slamming door or a half hourly reminder from a clock above your head. Then perhaps there will be macaroni only once a day instead of twice, and you won't be able to tell the day of the week by what you had for dinner. But you are home, and everything seems different there

because—well, because it's home. Good bye; hope you spend a pleasant Sunday and get back on time.

## College Bible Class.

Dr. Harris continued his discussion of the "dispersion" which took place at the tower of Babel. A homogeneous people speaking one language and therefore looking at the world in one single way, would not have been a benefit to mankind. This unity was the aim of the tower of Babel and when that aim was defeated which provided for a dead unity, differentiation of races began. Although it has been the differences in races that have caused the wars and conflicts, still it has been this same difference that has been the means of progress. Barren of language and race prevent widespread stagnation and have been made possible the Reformation and the beginning of science.

Although this unity of the tower of Babel has prevented a deeper unity was made possible, a unity not of death and fear but of life and love. The world is a globe. People from the cradle of the races spread in all directions but now have finally met again. Each nation has been a chosen people. Each has had its peculiar function to fulfill. Now with their different ways of looking at the world they each contribute their share to truth and this combination of the different views is the harmony and unity of progress which the dispersion made possible.

The following books have been added to the library during the term: Smith's Legislative Handbook, Report of the 12th Regt. of Pa. Vols., American Ethnology (Smithsonian Reports No. 33), Report of the Librarian of Congress 1907, H. W. Shoberg, Pennsylvania Mountain Stories, Sam. W. Alberton, Practical Farming, Wm. H. Crawshaw, Making of English Literature, W. H. Mallock, Aristocracy and Evolution, Catalogue of Princeton University, D. G. S. A. 1905.

## Literary Societies.

Eupha Literary Society joined with Theta Alpha on Friday night and listened to an excellent address by Dr. Perrine on "What Constitutes an Able Debater." Before the address the two societies elected officers for the Spring term as follows:

EUPHIA.  
President, Kershner, '08.  
Vice President, Smith, '10.  
Secretary, Hodge, '11.  
Treasurer, Barnes, '11.

## Indoor Contest.

At an athletic contest on Saturday afternoon the following events were pulled off:  
Potato race, won by Green, '11.  
Running high jump, won by Dutton, Academy, height, 5 ft. 2 in.  
Throwing goal with foul, won by Stein, Academy, with 8 out of possible 10.

The students of Amherst College after two nights' discussion of the summer baseball question, by the majority sports managers and coaches, voted Saturday, 278 to 65, that "men be allowed to play the so-called summer baseball."

The management of the Y. M. C. A. wish to thank the people of Lewisburg and patrons in general for the way in which they supported the efforts to give a clean, high grade course of entertainments. It speaks well for the people of this community to have helped to make an undertaking of this kind a financial success in spite of the wonderful coincidence of other entertainment shows. For the next year's course we wish to solicit your hearty cooperation, feeling confident that it will equal if not surpass the present one.

1908 Wins Championship.  
The two class games last week finished the series for the season's championship. The two games remaining on the schedule, the Junior-Freshman and Senior-Junior have been called off. The final standing gives the championship to the team representing 1908. This team, which also won the cup two years ago and has lost but two games in four years, is composed of Lose and Niple, forwards; Lenhart, center; Gibson and Hawk, guards. The percentages and standing of the teams in this series is:

	W.	L.	P.C.
Seniors	2	0	1.000
Freshman	1	1	.500
Sophomore	1	2	.333
Junior	0	1	.000

**Gymnasium Contest.**  
There were four entries in the contest for the Gymnasium "B" on Friday afternoon. After viewing the work of Hoffman, '11, Sweet, '11, Hayes, '08, and Green, '11, the judges, Prof. Wolfe, Prof. Thomas and Prof. Meyer, awarded the insignia to Hoffman.

Edith Kelly, '05, is home from Blairsville College where she holds a position as instructor in German and French. Miss Kelly has received a leave of six months' absence from her school and will sail on Saturday to travel in Europe and study in the Universities of Berlin and Paris.

The Philadelphia Record contains the following concerning Rev. Frank Anderson, pastor of the First Baptist Church, Millville, has received an invitation to become the national secretary of the world-wide Baraca Union. While the salary is higher than he is now receiving, his duty as a pastor is not done, and he will decline the invitation.

E. W. Saylor, '07, was in town last week.  
There is a strong probability of athletic relations being resumed between Harvard and Penn. in the near future.

## ATHLETIC AGREEMENT WITH STATE COLLEGE FOR A PERIOD OF TWO YEARS.

Executive Committee of Athletic Association meets with Advisory Board of State College.

It is hereby agreed by and between J. M. Wolfe and E. M. Helm, for and on behalf of the Executive Board of the Bucknell University Athletic Association, and H. R. Hingley and P. O. Hay, for and on behalf of the Faculty Athletic Committee of the Pennsylvania State College, and their successors respectively for the period covered by this agreement as follows:

FIRST. This agreement is to remain in effect until April first 1910, and is to be self-perpetuating for a period of two years thereafter unless objected to by one of the institutions concerned, before April first 1910.

SECOND. Beginning with the Spring of 1908, there shall take place the following athletic contests between teams representing Bucknell University and the Pennsylvania State College:

(a) A football game to be played in State College, Pa. on the first Saturday in November, 1908, and in Lewisburg, Pa. on the first Saturday in November, 1909; and a game in each of said places on alternate years thereafter.

(b) Two baseball games in 1908 and two in 1909 and two games each year thereafter; one of said games to be played each year in State College and one in Lewisburg; the dates of said games to be arranged by the managers of the respective teams.

(c) Two basketball games in 1909 and two in 1910 and two games each year thereafter; one of said games to be played each year in State College and one in Lewisburg; the dates of said games to be arranged by the managers of the respective teams.

THIRD. (a) No person shall be eligible to play in any of the above mentioned games who has not been duly registered as a bona fide student in the institutions concerned within thirty days from the beginning of the college year. This agreement is to take effect from the date of this agreement.

FOURTH. (a) For each of the above mentioned football games there shall be three officials appointed by the Central Board of Officials.

(b) For each of the above mentioned basketball games there shall be competent and neutral officials to be selected by the home team. Notice of such selection is to be given to the visiting team at least twenty days before the date fixed for each game.

FIFTH. (a) The expenses of all officials are to be paid by the home team. (b) Each team is to pay its own traveling and local expenses.

(c) In the case of basketball games, each home team agrees to pay to the visiting team, on or before the conclusion of each game, the sum of fifty dollars (\$50).

(d) In the case of the football games played in Lewisburg, the home team agrees to pay to the visiting team, on or before the conclusion of said game, the sum of three hundred dollars (\$300); provided, however, that in case of rain sufficient to mat-

## Alumna Appointed Curator of New Educational Exhibit.

The Division of Education in the Pennsylvania State Museum at Harrisburg was formally opened to the public on April 1. This State Museum sprang into existence under Governor Pennypacker, who was impressed at the St. Louis Exposition with what Pennsylvania has to show the world, and the Division of Education is the first to announce its completion.

The exhibit comprises collections showing the work of the schools of Pennsylvania from the kindergarten to the university; from the institutions for the blind to the Indian schools; from public parks, playgrounds and play gardens to the hospitals for the insane. Nothing has been overlooked, and it is wonderful how much of real educational interest there is gathered into the four walls of the old quarters of the State department.

Miss Alice M. Zierden, Bucknell, 1900, of Dubois, was placed in charge of this division about a year ago and to her is due much of the credit for its early completion.

Opening Games.  
The Varsity baseball team opens the schedule this week with two games away from home, one with St. Mary's on Friday, and one with the Naval Academy on Saturday. The squad will leave for Maryland on Thursday.

Dr. Harris Will Lecture.  
President Harris will deliver a lecture before the Daughters of American Revolution in Bucknell Hall tonight at eight o'clock. The general public is invited.

## FOOTBALL SCHEDULE IS MADE PUBLIC

CONTAINS TWELVE GAMES, FOUR AT LEWISBURG AND EIGHT AWAY

The football schedule for the season of 1908 has been approved by the Advisory Committee and President and submitted by the Manager, E. R. VanWhy, '09. Nearly all the important games of last fall are retained, and good substitutions have been made for those teams that were dropped. Susquehanna, Delaware, and George Washington University are met for the first time in football, the last named being Thanksgiving game.

Four games will be played in Lewisburg and these with the interclass contest and the game at State College will make practically six home games.

The schedule follows:

Sept. 19—Varsity Scrubs at Lewisburg.

Sept. 26—Susquehanna, at Lewisburg.

Oct. 3—Pennsylvania at Philadelphia.

Oct. 10—Gettysburg at Lewisburg.

Oct. 17—Delaware at Lewisburg.

Oct. 24—Western U. of P. at Pittsburg.

Oct. 24—Sophomores, vs. Freshmen at Lewisburg.

Oct. 31—Lafayette at Easton.

Nov. 7—Penn. State at State College.

Nov. 14—Dickinson at Carlisle.

Nov. 21—Swarthmore at Swarthmore.

Nov. 28—George Washington at Washington, D. C.

New Assistant in Chemistry.

Alexander Sherwood, '10, has been appointed assistant in the Department of Chemistry, vice J. Clyde Hostetter, '08, who has left for the University of Chicago, where he will take up special work this term.

## "DIPPY" SMITH TO COACH BASEBALL

### MANAGEMENT ACTS WISELY

Ex-captain Arrives on Saturday and Will Take Charge of Team at Once

The management of the baseball team has secured the services of Paul G. Smith, '05, as coach for the season. This is the first time the graduate system of coaching has been tried in baseball, and the first coach of any kind that this branch of athletics has had in four years. The new coach arrived on Saturday and will begin work at once.

Smith is one of the best all-around athletes Bucknell has ever produced. He played on the football, basketball and baseball teams, was captain of the basketball team during his Junior year and played a star game at second. Since graduating he has played professional ball with the Uniontown team of the P. O. M. league where he was a favorite. During the winter he plays basketball with the Harrisburg Collegians. His experience and knowledge of the game will be of great help to this year's new team.

## College Bible Class

Dr. Harris spoke of the introduction of a new element in civilization of which the migration of Terah and his race from Ur of the Chaldees, 550 miles northwestward to Haran was the beginning. This idea which was to be the new element in civilization was the idea of one great, good God who rules the universe. The Semitic race was the genius for morality and religion and it was this family of this race that was to be the agency to develop this idea of a single God. The family of Terah was taken out and kept separate for this purpose or had they remained in Ur or Haran the principle which they were to establish would have been levelled down to the standard of the neighbors. But they went out on the plains and their descendants lived there 99 years before they settled down on the shore of the Mediterranean, that centre of civilization. Here the nucleus was preserved, then the times when the Jews banded into idolatry, sifted by captivity in Babylon, for about two thousand years, when it began in Christianity to be spread over the whole earth.

## Vacation Dances.

The local chapter of Kappa Sigma gave its annual dance in the armory on Thursday night, March 26. The affair was successful in every way and was attended by a number of out-of-town guests.

On the same night Sigma Chi gave a very pretty informal in their halls. On Tuesday night of last week another dance was given by a number of students, which was attended by nearly fifty couples. D. A. Steele '08, and H. L. Hunter, '09, were the committee in charge.

## "Way of Life."

The Way of Life Meeting on Sunday afternoon was addressed by Prof. Phillips on the subject "Is the Church Growing?" In a clear and forcible manner the Professor showed that growth was a change of form, while clinging to the same underlying principle, and that the church was experiencing this growth. Dr. Harris announced the speakers for the next four meetings as follows:

On the 12th, Professor Milton G. Evans; on the 19th, Mr. T. J. Rawlinson; on the 26th, Hon. A. W. Johnson; on May 3rd, Professor Lindemann.

## Former Institute Student Dies

at Her Home in Siam.  
Word was received in Lewisburg that Miss Nina Pihan, a graduate of Bucknell Institute, class of 1904, died in Siam, of tuberculosis. Miss Pihan was a niece of Hans Adamson, M. D., a former Bucknell student, and for many years a physician in Bangkok, Siam. Miss Pihan had many warm friends here who are pained to learn of her death.

After graduation, Miss Pihan spent two years in the Alameda County training for nursing. Feeling some what ill there she thought the climate of her native country would improve her condition, so she sailed for Siam in October, 1903. She was preparing herself for work in the hospital of her uncle, Dr. Adamson, in Bangkok, Siam.

The following extract from a letter received in Lewisburg, tells of Miss Pihan's death. The letter was written by Mrs. Snyder:  
"Soon after her arrival in Siam, Nina became quite ill and was taken to Klong Bankset by her father. In Dec., 1907, a year later, she was brought down from Klong Bankset to Bangkok, and after a few days at her father's home, where she remained until her death, which took place Dec. 30th. Her body was laid to rest in the Protestant cemetery. Dr. Dunlap conducted the service in both English and Siamese. The funeral was largely attended and there were many beautiful flowers. The disease developed more rapidly than anyone expected. She was on her feet two weeks before her death. Her father and mother nursed her very tenderly themselves."

## DR. MILTON C. EVANS TO DELIVER ANNUAL SERMON

BEFORE THE CHRISTIAN ASSOCIATION IN BAPTIST CHURCH SUNDAY, APRIL 12.

On next Sunday morning at the Baptist church will occur the annual sermon before the Christian associations of the University. Dr. Milton C. Evans, Dean of Crozer Seminary will deliver the sermon. Dr. Evans represents the leaders in theological thought in Pennsylvania and in the East, so Bucknell will be greatly honored with his presence. It is to be hoped that every student in the University will take advantage of this rare privilege.

Dr. Evans will also speak at the "Way of Life" meeting in Bucknell Hall in the afternoon and probably in the evening again at the Baptist church.

## Intersociety Debate.

The two literary societies will hold preliminaries for the inter-society debate on Friday night of this week. In Theta Alpha the question for discussion is, Resolved, That suffrage should be restricted by an educational qualification. Eupelia candidates will debate the question. Resolved, That an international board of arbitration with compulsory powers should be established.

## Eupelia Preliminaries

The first preliminary for the inter-society debate was held in Eupelia on Friday night. Only three contestants were entered. Sholl, Hodge and Barnes, all 1911, and these are eligible for the second preliminary next Friday, from which the team will be chosen.

## Next Sunday before the College Bible Class.

Dr. Harris will talk on Abraham, or the Place of Great Men in History.

## SPRING TERMS.

This doesn't have any connection with the few weeks of school between now and Commencement. It's the usual custom to begin each school term with a little sermon on "Conscientious Studying," or "Evils of loafing," but the Religious Editor was busy last week, and the staff man, who writes the editorials on "Coming Back on Time," hasn't returned from his vacation. The school will likely suffer without that sermon, but it cannot be helped. Perhaps it will be finished by next week in the meantime, there are spring terms, and there are spring terms. There's the term "Play Ball" and all that goes with it. Tennis, terms, "love-thirty" and "ready-serve" will soon be flying as freely as the balls themselves. There are terms you use when you step on a brick in the pavement, under which the spring-chaw has revealed a miniature fountain. A term which formerly was used quite frequently, but which is becoming obsolete is "skipping." Did you ever hear of it? Then there are other terms, "commencement," "Senior vacation," cap and gown, and the rest. You will know what those mean some day. At the end come the term marks the thoughts of which "must give us pause," but there, we are overstepping the limits; the Religious Editor is on a vacation.

## L'AGENDA REPORTS.

The promise of Manager Claypoole of the 1907 L'Agenda to give a financial report in full at the end of the year is an innovation that will be welcomed not only by the Junior class, but by the whole college. The only L'Agenda reports the college ever gets a glimpse of are those of unsuccessful managers, which are somewhat depressing in their effect. A good, cheery statement of a prosperous manager will go a great way toward restoring smiles and credit in the college and business worlds. But there are other reasons why such a report should be given. In the first place, it does not seem fair that the L'Agenda should be the only publication or organization in the hands of the student body about which there is absolutely nothing known. Uncertainty may arouse curiosity and interest, but it may also

arouse suspicion. Fortunately, the characters of managers elected have been such that would not allow this, but we cannot always depend on fortune. Far be it from our purpose, however, to make this a basis of our remarks or an excuse for a report; this "fair play" argument concerns the class, and not the university in general. What does concern the school is the knowledge and experience such a report would afford. The L'Agenda is not a money-making scheme, and as the university grows, it should be the aim of each editor to make his volume an improvement on the one before. How far he may reach out and attempt new things depends on how much information the manager sees fit to give him. It is obvious that the editor is handicapped by the lack of a report of the former manager. Manager Claypoole is to be congratulated for being the one to begin the new plan.

A noticeable feature of the football schedule just announced and one for which Manager Van Why is to be commended is the fact that nearly all the games are with colleges of our size and standing. There can be no real interest taken on the part of the students in games with universities much larger in attendance than our own, where we are always certain of defeat. Such games may be good practice contests, for the big team. What the Bucknell supporter wants are games with colleges of equal rank and standing, where a victory will mean something, and where a defeat will be no disgrace.

The current issue of the "Brown and White," Lehigh, contains the following: "Bucknell will not participate in the State Intercollegiate Track Meet at Harrisburg on May 30, although one of the colleges instrumental in starting the project."

How does it sound to you?

Reserve Schedule.  
Assistant Manager Haggerty has arranged the following schedule for the Reserve basketball team:  
April 25—Belleville Academy, at Lewisburg.  
May 2—Belleville Academy at Belleville.  
May 16—Lock Haven N. S., at Lock Haven.  
May 29—Lock Haven N. S., at Lewisburg.  
Two more out-of-town games will likely be arranged for April 19 and May 9.

## ATHLETIC AGREEMENT WITH STATE COLLEGE.

Continued from first page.  
erally reduce the gate receipts, at said game, the home team shall be required to pay only two hundred dollars (\$200) to the visiting team. Any disagreement arising under this provision is to be settled by a committee consisting of one official representative from each institution and the referee of the game.  
(e) In the case of the football game played in State College, the home team agrees to pay to the visiting team on or before the conclusion of the game, the sum of two hundred dollars (\$200).  
(f) In the case of the baseball games, each home team agrees to pay to the visiting team, on or before the conclusion of each game, the sum of one hundred (\$100); provided, however, that in case that any of said games is not played on account of rain, the home team shall pay the visiting team only thirty dollars (\$30).

Plans for Northfield.  
An effort will be made this year to have Bucknell represented at Northfield by at least twenty men. Heretofore the delegations have been comparatively small, and as a result the inspiration and training that the convention at Northfield affords has been much limited in its scope and influence. There are few colleges ranking with our own in regard to numbers that send as few delegates as we, and it is the desire of the committee in charge that Bucknell shall this year make as good a showing as possible among the college delegations.

The character of the convention, which is held for ten days beginning June 27, at Northfield, Mass., is not generally known. The main purpose of the gathering is for the moral and religious instruction of college men, and the mornings and evenings are generally devoted to that end. The men who address the assemblies are among the best thinkers and speakers in the country, the leaders of the bible and mission study classes are experts in their line, in fact the whole convention has an atmosphere of intellectual activity, as well as of morality and religion with which any college student may profitably come in contact.

Athletics plays no small part in the convention. Baseball games between the colleges; tennis tournaments, track meets fill the afternoons. The Connecticut River affords fine swimming and boating, and the hills unsurpassed for beauty and grandeur, give a limitless number of places for the student to stroll. There are few who have attended the Northfield convention who do not say that it was one of the best ten days of their life in every sense of the word, and worth the time of any college student, no matter who he may be.

The committee is endeavoring to enlist a sufficient number of men that Bucknell may have a whole lot of going. The following committee has been appointed, any one of whom may be interviewed on the matter: Fetter, '09, chairman; Jones, '09, Lawrence, '11, Payne, '09, Poffenberger, '09, Haggerty, '09, Palmer, '10, Veite, '10, Rhodes, '11.

**Intercollegiate Outlook**  
With the winter indoor track season practically over, the attention of the intercollegiate world is turning towards the dual meets of the coming spring, the intercollegiate and the trials for the Olympic games more than two months off. E. R. Bushnell of the Philadelphia Press has compiled a revision of the table of point winners now possessed by the various colleges and universities represented at the games last year. The table:

College.	1907.	Points	Points
Pennsylvania	33	15	17
Michigan	29	18	11
Yale	23	11	12
Cornell	15	11	4
Princeton	10	6	4
Syracuse	8	3	5
Harvard	7	4	3
Dartmouth	6	1	5
Amherst	5	0	5
Williams	2	0	2
Johns Hopkins	1	0	1

At a great many schools the graduating class elects sometime prior to Commencement a permanent class secretary. It is the duty of this officer to keep a roll of the class, note every change of address and place of business, to keep track of deaths, to collect newspaper clippings concerning different members, in short to be a sort of alumni catalog for his class. He is aided by the different members of the class, who notify the secretary of every change of address, and send him from time to time any item of interest about a member of the class. On the other hand, if a member wishes to learn the address of a classmate, he writes to the secretary. In case of class reunions, the secretary has charge of the arrangements, and knows where every member can be located. The Senior class will have a meeting soon; would it not be a good plan to elect a permanent secretary at that time?

### College Captains.

The following is a list of the baseball captains for the coming season in the leading colleges: Amherst, Palmer, first base; Princeton, Harlan, left field; Georgetown, Simons, manager; Massachusetts, "Aggies," Cobb, pitcher; Cornell, Helman, shortstop; Villanova, Savage, third base; Holy Cross, Barry, shortstop; Brown, Raymond, catcher; Tufts, Atwood, catcher; Williams, Harmon, first base; Wesleyan, Smith, first base; Pennsylvania, Fennell, pitcher; Yale, Jones, catcher; Penna. State, Croe, shortstop; Harvard, Leonard, third base; Columbia, Young, catcher; Dartmouth, Glaze, pitcher; Lafayette, Peters, first base; Michigan, Sullivan, catcher.

### Weight Contests.

At the weekly athletic contest held on Saturday afternoon, the following events were pulled off: Throwing Discus, won by McAllister, '11, distance, 89 ft. Second, Grandfield, '09. Putting 16 lb. Shot, won by McAllister, '11, distance, 35 ft. 6 in. Second, Piersol, '08, distance, 29 ft. 5 in. Throwing 16 lb. Hammer, won by McAllister, '11, distance, 86 ft. 10 in. Second, Grandfield, '09, distance, 68 ft. 7 in.

Intersociety Teams Selected. The Literary Societies held their final preliminaries on Friday night, and as a result the following were chosen for the intersociety debate: Theta Alpha-Tyson, '11, and Hamlin, '11; Euphonia-Hodge, '11, and Sholl, '11. The debate will be held at an early date.

## ALUMNI NEWS.

W. W. Senn, '03, is a practicing physician at Munson, Clearfield Co. Rev. A. O. Stevens, '91, is pastor of the First Congregational Church at Elkhorn, Wis.

H. M. Kelly, '88, Professor of Biology, Cornell College, Iowa, is taking a graduate course in Zoology at Harvard.

McCauley, '05, who will graduate from Auburn Theological Seminary this spring has accepted a call to a Presbyterian church in Buffalo, N. Y.

### Coming Wedding.

Invitations are out for the wedding of Miss Elizabeth Chamberlain Wagner and Mr. J. Frederic Sige, '03, to take place at the home of the bride in Watertown on Tuesday evening, April 28th. Sige is a member of the Phi Gamma Delta fraternity.

### Engagement Announced.

The engagement of Rev. Frank Anderson, '01, pastor of the First Baptist Church of Millville, N. J., and Miss Clara Bergen, of Paterson, N. J., has been announced. The wedding will take place in June. Miss Bergen is now a student at Vassar College.

### For Baby's Amusement.

Prof. William Frear, '81, discussed in Harrisburg the eighty-three kinds of breakfast foods that he recently tested for the government. "None of them were very good," said Professor Frear. "The taste test in most cases, was pleasure rather than work. To make work out of it would be to act like a little boy I know in Bellefonte."

"This little boy's mother went, the other day, to a reception, leaving the baby in Jimmy's care. With an injured look, Jimmy said on her return: 'Mamma, I wish you wouldn't make me mind baby again. He was so bad that I had to eat two mince pies and half the fruit cake to amuse him.'"

### Two Games This Week.

The Varsity opens the home schedule on Thursday of this week with the football game. This team won from Dickinson on Saturday and earlier in the season held Princeton to a 5-3 score. They should give the Varsity a hard game.

The second game of the week will be on Friday, with Gallaudet, a team of deaf mutes from Washington, D. C. Both games will be called at 3.15.

### Butt Wins Cup.

The cross-country run on Thursday afternoon for the cup offered by Trainer Hoskins was won by Butt, '10, in the excellent time of 15:49 for the three-mile course. Clauson, '11, came in second. Other participants finished in the order named: Terrell, Lawrence, Hodge, Payne, Leisher, Pangburn, Street, Middle, McDonough and McAllister did not finish.

### Informal Dance.

Delta Theta Upsilon gave a delightful informal dance in their rooms on Tuesday evening. The Imperial Orchestra furnished the music. Among the out of town guests were: Misses Katherine E. Helmen and Rebecca M. Clinger, of Milton; Miss Mabel M. Browning, of Oriskany; Miss Myra C. Powers, of Chicago.

### Intercollegiate.

N. Y. U. Frosh. have the election of attending daily prayers or writing a semi-monthly theme on some religious or moral question.

Michigan's musical comedy presented by the dramatic club, of Michigan, cleared over \$2,000 on the season which consisted of four performances.

A Society for Flunkers, the prime requisite for membership being a failure in some study or expulsion, is the latest organization to be effected at Ohio Wesleyan. The organizers have been looking over all records for distinguished alumni who are qualified and have sent invitations to join to Vice President Fairbanks, Bishop McDowell, Dr. Frank Gunsaulus, Senator Foraker, and Mayor Brand Whitlock, of Toledo.

## Easter Music.

The choir of the Baptist church will present the cantata, "Christ the Victor," by Dudley Buck, on Easter Sunday evening. The cantata is one of the high class productions of this author and has excited the interest of music lovers of this vicinity. The choir, under the leadership of Paul G. Stolz, '08, has been rehearsing since Christmas, and is well prepared to execute this difficult work. The two choruses, "Easter Dawn," and the "Epilogue," are especially fine and are excellent evidence of the author's skill in compositions involving contrapuntal movements. The rendition requires forty-five minutes. The chorus is composed of: Sopranos, Misses Gerhart, Lawshe, Bower, Haack; Altos, Mrs. Phillips, Misses Webb, Giffen; Tenors, Messrs. Peter, Schuler, Grimes, Waters; Basses, Parsons, Manchester, McAllister, Stolz.

## BASEBALL TEAM WINS ONE AND LOSES ONE

EASILY DEFEATS GALLAUDET

But Drops Hard and Close Game to Ursinus.—Batting Shows Improvement in Second Game.

Bucknell was defeated by Ursinus on Thursday by the score of 3-2. The team showed that it is still weak in batting, and only secured two hits. Northrup pitched an excellent game, struck out twelve and did not pass a man. The seven hits secured off his delivery were scattered and generally came after an error on a play that would have retired the side.

Snyder at short and Pitcher Horton were the stars for Ursinus. He sides pitched a good game, the latter secured two of his team's hits. For Bucknell, Clark put up a good game in center-field, retiring the side in one inning on three difficult flies. Dewire also made a good catch in left. The batting of Captain Sheehan, who is out of the game with a sprained ankle, was sadly missed.

The Varsity had little trouble in the second game of the week and defeated Gallaudet 16-1. Carey was in the box for Bucknell and had the visitors shut out up to the seventh inning, when he eased up a bit and a single and a triple scored the visitors' only run. Bucknell showed improvement both at the bat and in the field.

Leach started the scoring in the first inning with a two-bagger, coming around on a swat of like dimensions by Clark. The latter scored on a single by Dewire. In the third hits by Niple and Northrup made another run. Hawk, safe on an error in the fourth, came in on another two-base hit by Leach. A hit by Northrup scored Clark in the fifth. Errors and hits gave two runs each in the sixth and seventh, while in the eighth seven brought the Varsity's total up to sixteen. A number of new men were given a try-out in the latter part of the game and showed up well.

### Way of Life Meeting.

Mr. Frank W. Rawlinson, an alumnus of the class of 1893, and a graduate of Rochester Theological Seminary, now professor in the Baptist College at Shanghai, China, addressed the Way of Life meeting in Bucknell Hall on Sunday afternoon. His remarks were full of interesting statements of people and conditions of the Celestial Empire and were enjoyed by a good-sized audience. Mr. Rawlinson took as his subject, "The Mongolian's Burden," first his physical burden, second his mental burden, and third his moral burden. "We must help China bear these burdens," the speaker said; "we cannot bear the whole burden; China herself must bear the heavier part, but we must bear a share. We must supply leaders in all lines of work for her advancement, but China herself must and will supply the great body of workers."

**Relay Races at Philadelphia.**  
The Fourteenth Annual Relay Races given by the University of Pennsylvania, will be held this year on Saturday, April 25, on Franklin Field, Philadelphia. Invitations have been sent to all the leading educational institutions in the country, and with fair weather the meet should be one of the most successful ever held. Last year over 200 scholastic and college teams entered, and 1500 competitors' tickets were necessary to supply the large number of athletes that competed in the different events. Every intercollegiate Eastern and Western champion, who was in college last year, with but one exception, competed in the special events. Bucknell will not send any team to compete in the meet this year.

**West College Association.**  
There will be a meeting of West College Association Tuesday evening at 9 o'clock in Y. M. C. A. Hall.

## FIRST-YEAR MEN WILL DECLAIM ON FRIDAY NIGHT

PROGRAM OF DIFFICULT AND INTERESTING SELECTIONS HAS BEEN ARRANGED.

One of the most difficult, though not less pleasing, contests in declamation will be given in Bucknell Hall on Friday evening, the 24th, by members of the Freshman class. The high grade of the selections combined with the talent of the speakers will make an exhibition which will be a credit to the class and to the college. Under the direction of Professor Avinger special music has been provided to render the evening still more pleasing.

The following are the selections and the speakers:  
The Man for the Crisis, George P. Shields, Oil City.  
Constantations and the Lion, Fred McAllister, West Pittston.  
The Modern Cain, Eldredge D. Durrell, Reading.  
The First Indorsement, Louise Miller, Montrose.

A Mother's Day, Gretchen Radack, Titusville.  
Miss Rivenberg, who was chosen as one of the speakers will not be able to take part owing to the death of her mother.

A sport which will be useful to any healthy man until he is sixty is much more valuable college sport than any twenty-three. The moderate, generally available, and long available sports are also much more wholesome than the violent sports which only a few can endure, and these few only while they are young.

## JUNIORS DEBATE ON COMPULSORY ARBITRATION

IN ANNUAL PRIZE CONTEST

Convincing Arguments Presented in an Able Manner by Three Contestants Friday Night.

The annual debate for Junior prize was held in Bucknell Hall on Friday evening. Those taking part were: Stanley H. Rolfe, Nanticoke, Pa.; Charles C. Fries, Reading, Pa.; Charles S. Roush, Winfield, Pa. The question, Resolved, That boards of arbitration with compulsory powers should be established to settle disputes between employers and wage earners, was debated in an able manner.

Rolfe, who opened the question on the affirmative, held that compulsory arbitration was legal, and that the proposition could not be rejected on grounds of unconstitutionality. Fries cited examples to prove that it would work beneficial results and held that it would not interfere with personal liberty. Roush, for the negative, argued that the desired relation between employer and wage earner was one of friendship, and that this could not be brought about by compulsion.

### President Elliot on Athletics.

The annual report of President Elliot, of Harvard University, made last week contains some views on college sports in general and football in particular, in which views a great amount of interest has been manifested by the colleges of the country. President Elliot sets forth his argument under what he calls "The Exaggeration of College Sport."

His most significant recommendation is that the number of intercollegiate contests should be reduced to two in each sport during any one season. He declares football "the college sport most popular with spectators and newspapers, is the least useful of all games, because a smaller proportional number of students are fit for that sport than for any other." He goes on to say that "neither the bodily nor mental qualities which characterize football players are particularly serviceable to young men who have their way to make in the intellectual callings. Football toughness is not the kind of toughness most profitable in after life."

In regard to rowing he says "the most successful sport at Harvard, as regards bringing out many competitors for honors in the sport is rowing; and it has been abundantly proved that the interest in rowing can be fully maintained on two intercollegiate competitions in the year."

In his views on athletic sports as a whole he declares "the exaggeration of athletic sports in schools and colleges remains a crying evil, and there are no clear signs that any effective remedy is taking effect. The strong tendency of the highly competitive, violent games is to reduce the proportion of boys and young men who play them, and to impede the universal development of wholesome sports accessible to all."

A sport which will be useful to any healthy man until he is sixty is much more valuable college sport than any twenty-three. The moderate, generally available, and long available sports are also much more wholesome than the violent sports which only a few can endure, and these few only while they are young.

**Phi Psi Dance.**  
Phi Kappa Psi gave an informal dance in their halls on Saturday night.

### College Bible Class.

Prof. Phillips addressed the College Bible Class Friday as his subject the "Resurrection of Jesus." He spoke (1) of the place of the resurrection in the early Christian Church. Paul's Gospel was based on the fact of resurrection and it was the central thought of his teaching. This event marked the turning point in the lives of the apostles and formed the keynote of the teaching of the early Christian Church. He spoke (2) of the nature of the resurrection. It was the intention of the writers of this account to present a real fact in history and the narratives of the resurrection are as trustworthy as any other part of the Gospels. The whole New Testament is on the side of the resurrection being an objective reality. He spoke (3) of the significance of the resurrection. For the early apostles it was not this fact that a man had risen that was of importance, but that Jesus and all that that name had implied to them lived again. From this resurrection there are two lessons of abiding value: (1) that the good is eternal and will ultimately triumph over evil, (2) that it is God's attitude toward men, his intention to have right triumph over evil.

**Mass Meeting.**  
A movement was inaugurated at a mass meeting of students last Wednesday night to secure a special train for the students who will go with the baseball team to the College on May 2. On that date the Varsity meets State in baseball and tennis and the Reserve baseball team plays Bellefonte Academy at Bellefonte. Manager Hayes announced that a special train could be secured provided a crowd of one hundred be guaranteed. A committee was appointed at the mass meeting to canvass the different dormitories to secure this number of promises.

**DECLAMATION CONTEST BY THIRD FORM ACADEMY**  
GIVEN IN BUCKNELL HALL ON SATURDAY NIGHT.—SPEAKERS PERFORM WELL.

The annual third form Academy contest in declamation was held in Bucknell Hall on Saturday evening, April 18th. The pupils of Miss Schellhammer acquitted themselves in a creditable manner, and all were heartily applauded. The program follows:  
To The Lions, George Haines, Vinfield.  
The Victor of Marougo, Russell L. Hamblin, Lewisburg.  
The Close of the Battle of Waterloo, Harold Shaffer, Lewisburg.  
Ghosts, H. Gandy Pawling, Bucknell.  
Against Whipping in the Navy, James F. McClure, Lewisburg.  
Claudius and Cinthia, Andrew M. Lowry, Dewart.  
Tam O'Shanter, John MacCulloch, Piquette.  
Capture of Quebec, Sterling Post, Dalton.  
The Debating Society, Walter Pennington, Millville, N. J.

**Baseball Rules.**  
Practically no change of any importance was made in the baseball rules by the powers of the American and National Leagues this season. It was agreed that the words "except the pitcher" in section 4 of rule 14 should be stricken out. This will mean that the pitcher must not discolour a new ball by rubbing it on the ground. The definition of a sacrifice hit was enlarged to take in a caught fly on which a runner scores.

**Second Preliminary.**  
On Tuesday night at 9 o'clock in Bucknell Hall another preliminary will be held to select a third man for the University debating team. This second contest was made necessary by the resignation of a member of the team chosen at the last preliminary. The candidates will all uphold the negative of the question submitted by Gettysburg for the league contest, Resolved, That the United States should establish a system of postal savings banks. The candidates are limited only by the eligibility rules of the league.

## DR. WAYLAND HOYT MAKES REGULAR VISIT HERE

LECTURES BEFORE UNIVERSITY

Popular Platform Orator Instructs and Delights Three Large Audiences Last Week.

Rev. Wayland Hoyt, D. D., LL. D., of Philadelphia, delivered three excellent lectures before the University last week, the first on Tuesday night, and the others on Wednesday and Thursday nights. All the lectures were well attended and made the speaker more popular than ever with Bucknell audiences. The lecture on Tuesday night was on "Some Splendid Traits." Dr. Hoyt using as an example the life of David Livingstone.

He spoke first of Perseverance through hard and hostile circumstances. Livingstone used to work in a factory from six in the morning until eight at night, attended night school until ten, and then studied until midnight. In this way he learned his Vergil and Horace before he was sixteen years of age.

The second trait is Devotion to Duty. Character is every day life. Livingstone allowed nothing to interfere with his duty.

The last trait is Faith. Faith is assent of the intellect and consent of the heart. In several most trying and dangerous circumstances Livingstone's faith in God was so strong that he faced almost certain death.

On Wednesday morning at 8:15, Dr. Hoyt told of some "Personal Reminiscences of Henry Ward Beecher." Lincoln once said that he considered Henry Ward Beecher the greatest American in his generation. Mr. Beecher has also been eulogized as the most monumental man since Shakespeare. His personality was winning, sympathetic, powerful. He was a strong advocate of physical health and in his own life practiced what he preached. He never made special preparation for his sermons, but rather persistent, large, general preparation, so that he could at any time draw on this broad general preparation for special occasions. He was a close observer of life about him, and whenever he got hold of a new fact in science he studied it until he thoroughly understood it and could apply it in his work. His mental alertness is shown by his speech in Liverpool, the greatest triumph of human oratory in human history. Self sacrifice was not the least trait of Mr. Beecher's life.

"Public Speaking" was the subject at 11:15, and was divided as follows:  
1. Attitude of speaker before he speaks. The speaker should be nothing and do nothing before he speaks which will tend to weaken what he says.  
2. Important things for the man speaking. The speaker's voice should be the best possible, musical and winning, not repellent. The enunciation should be clear and distinct. The voice should tell forth only what is worth telling. Never preach opinion, always conviction. Opinion is conviction in the making. Keep your workshop processes to yourself.

**Second Preliminary.**  
On Tuesday night at 9 o'clock in Bucknell Hall another preliminary will be held to select a third man for the University debating team. This second contest was made necessary by the resignation of a member of the team chosen at the last preliminary. The candidates will all uphold the negative of the question submitted by Gettysburg for the league contest, Resolved, That the United States should establish a system of postal savings banks. The candidates are limited only by the eligibility rules of the league.

## TRACK PROSPECTS.

There has been circulating among different colleges of the state the report that Bucknell will participate in the intercollegiate track meet at Harrisburg on May 30, and nearly all these statements are accompanied by the comment, "although instrumental in inaugurating the movement." That there is no much credit in such a report we must admit. A loyal alumnus expressed the right spirit last week in his desire to see his Alma Mater represented by offering to pay the expenses of one man to that meet at Harrisburg. Bucknell is no "quitter" and all honor to R. W. Thompson '04, for his effort to uphold her reputation.

The opinion of the students seems to be "representation, win or lose," and they are right; such spirit means victory in the long run, and shows an interest in track at least. But we need an active interest. Do you suppose for an instant that the track authorities would hesitate to send a team to Harrisburg if there were enough material presented to form that team? American scholars at Oxford bring back reports that there is scarcely a student at that University who does not take some active part in track athletics. If such were the case, but then what's the use of supposition? If the students would transform some of their spirit into energy the results would be more concrete and Bucknell would not be lacking representatives at Harrisburg.

On Friday last we had two contests, the contrast between which is peculiarly significant. In the afternoon a goodly crowd of fans shivered on the hill during the baseball game while in the evening a handful of listeners patronized the Junior Debate. In a community of average intelligence this would scarcely pass without notice, but in a community where mental attainments are supposed to be paramount the unbalanced interest in drawn to the oblivion of brain is a matter of vital concern. This disinterest is not a solitary case, but is a fair example of the trend of college spirit in general. It is pathetic to admit it but nevertheless we have to face the bare conclusion that the average collegian has more regard for the condition of the gridiron and diamond than for the power and importance of the platform.

An inter-fraternity council at Brown is endeavoring to start a reform in the rushing system and has presented a plan for the consideration of the different fraternities. The main purpose of the plan is to effect a postponement of the rushing season from the first term to the latter part of the college year. The evils of the present system, according to the Daily Herald, are three: "too hasty choice of fraternities and of fresh-man delegations; distractions of the mind of the freshman from the more important interests of college during the first and most critical term of his college year; too early segregation of the Freshman class into fraternity groups. The plan drawn up by the council proposes to confine all rushing to the second week of the spring term. If the plan is adopted its success will be watched with interest by other colleges.

## COMMUNICATION.

The Orange and Blue invites signed communications on topics of timely interest, but does not hold itself responsible for the sentiments expressed therein.

## Editor Orange and Blue:

It's not often that your columns are graced with a complaint from the corner of St. George and Sixth, but that the "coeds" have no complaints, but because they are a little backward in airing them. And though this may be but a "voice crying in the wilderness," if the voice is heard and heeded by the proper persons, we are content.

To speak plainly, these proper persons are the Freshman girls. Now there is no code of upperclass rules governing the "coeds"; the new girls are allowed to act about as they please. There is a custom, however, which says that in marching out of college chapel services in the morning, the Seniors shall leave first and the other classes follow in order. This, as we have said, is just a custom, but it has been a custom long enough to make violations of it noticeable and even disagreeable. How the Senior girls feel about it we don't know; perhaps they are too polite to mention it. But we Junior girls if we don't know how it feels to have some little Freshman girl step in line in front of us, we do know how it looks, so we are expressing a complaint for our minor complaint. (We may be Seniors ourselves some day.) '09.

## Senior Class Play.

The Senior class play committee has decided to present a farce in three acts, entitled, "Dandy Dick." The play was written by A. W. Pinard and produced first at the Court Theatre in London in 1887, where it achieved immediate popularity. It has been played in America with Miss Ada Rehan in one of the leading parts. The characters and scenes are English and the plot extremely funny. Those selected for the different parts are: R. W. Shrum, B. R. Savage, M. B. Whitney, R. B. Morris, E. R. Manchester, R. M. Steele, J. R. Stratton, Miss Anna Stage, Miss Dana Bower, Miss Jean Hopwood, Miss Mae Jones.

## Gettysburg and Susquehanna.

The baseball schedule calls for two home games this week, one on Wednesday with Gettysburg, and one on Friday with Susquehanna. As to comparative scores, the opponents seem to have a slight advantage. Gallaudet lost to Bucknell and Gettysburg by the same score, but the latter defeated Ursinus 3-0. Susquehanna, with Kauffman, a former Academy student, in the box, defeated Ursinus on Friday, 3-2. Both games will be called at 3.30. These are the last games in Lewisburg for two weeks.

### ORANGE AND BLUE CAPTURES TWO GAMES

GETTYSBURG AND SUSQUEHANNA

Varsity Has Little Trouble To Defeat These Two Teams.—Northrup Stars.

The Varsity walked away with Gettysburg last Wednesday on the home field. The visitors simply could not locate Northrup, and only secured two hits. Gettysburg had to leave after the first part of the sixth inning to catch a train.

Lantz started to bat for Gettysburg and struck out. Rocky followed with the same fate. Himes hit a foul fly to Niple, Loveland hit an easy one to pitcher and died at first. Leach struck out and Niple reached first on a hit but died at second. No runs.

J. Jenkins fanned, so did McCarroll and McAllister hit an easy fly to Leach. No runs.

Clark hit a grounder to third base and failed to reach first. Dewire singled to left field and went to second on a fumble. Northrup hit to shortstop and Dewire went to third on the out and scored on a passed ball. Philson popped a fly to second. One run.

Hellman, Davis and Ehrhart fanned for Gettysburg. No runs.

Hawk sent a hot grounder to shortstop but was safe on a high throw. Leach and scored on Leach's rippling two-bagger to left field. Niple singled to left field, scoring Leach. Clark hit to pitcher who fumbled. Niple taking third. Dewire ending the inning by hitting to first base. Two runs.

Northrup filed to centre. Philson drew a base on balls. Hawk hit a fast three bagger to centre scoring Philson. Leach singled to left field scoring Hawk. Two stole second. Loveland was thrown out at first. Leach got in the way of one of Ehrhart's inshoots and took first. Two runs.

Clark hit to third base but first baseman missed it. Clark going to second. Dewire sent a high one to centre field which looked good but Hellman made a star catch of it. Clark going to third and scoring on Northrup's fly to centre. Philson hit an easy one to pitcher and was out at first. One run.

W. Jenkins was substituted and got a single to right field. Ehrhart struck out and Jenkins and Hellman worked a double steal successfully. Lantz hit to Loveland who cut off Jenkins at home. Rocky struck out. No runs.

Hawk had time to get a short single to right field when Gettysburg left the field to catch a train.

### ANNUAL SOIREE GIVEN BY FOURTH YEAR CLASS

"THE MAGIC SLIPPER."  
Students of Institute Present Pretty Play, an Original Adaptation from the Story of Cinderella.

The Soiree given annually by the Fourth Year Class of the Institute was held on Saturday evening and may be forthwith entered upon the record of the most pleasing success of the season. The play was "The Magic Slipper," a new and elaborate presentation of the charming story of Cinderella, adapted by the girls themselves and retouched by their instructor, Miss Shillingler. Fantastic lights cast upon the scenes, a brilliant display of costumes, and quaint songs interspersed through the play, all were features that combined to the general delightful effects. The Fourth Year Class is composed of nine members, as follows: Emma Clement, Dora Hamer, Bessie Condit, Ernestine Hyatt, Bertha Pfeiffer, Elizabeth Stiefel, Lucile Savidge, Annetta Stahl, Myra High. A few members from the underclasses assisted them in the completing of the cast. Following are the Dramatic Personnel and the program of the evening: Cinderella—Elizabeth Stiefel, Prince Adolph—Lucile Savidge, Godmother—Myra High, Lady Allspice—Annetta Stahl, Baron Allspice—Bessie Condit, Dorinda Allspice—Ernestine Hyatt, Bertha Allspice—Dora Hamer, Lord Chamberlain—Bertha Pfeiffer, King of No Man's Land—Emma Clement.

Queen of No Man's Land—Anna Drehschlag, Lord Dizzy—Ethel Royal, Lord Hum Drum—Doris Whitney, Lady Sparkle—Hattie Wilson, Lady Dazzle—Olive Long, Lord Film Flam—Ethel Royal, Lord Do Little—Pearl DeVoe, Lady Merryman—Lois Brown, Lady Hurry—Margaret Gretzinger, Fairies—Misses Wolfe, Rodie, Varol, Grotzinger.

The Programme.  
Danish March from Hamlet, Miss Metcalf.

Act 1.—Sitting room of Baron Allspice.  
Murmuring Zepphys, Miss Delrich, Act 2.—Ball Room in castle of King of No Man's Land.

Act 3.—Same room next morning.  
Krakowlak—Frysiniger, Miss Chappell, Act 4.—Baron Allspice's drawing room. Chevaleresque—Goldner Miss Craig.

As usual at the conclusion of the play the class held a short reception for the guests of the evening.

John B. Warfel, Ex-'06.  
John B. Warfel, ex-'06 died at Lancaster on April 18, aged 77 years. After leaving Bucknell, he graduated from Columbia Law in 1897 and was admitted to the Lancaster Bar the same year. In 1897 he was appointed assessor of the Ninth Internal Revenue district by President Johnson, and since 1899 he had been continuously a member of the Lancaster School Board and was several times its president.

He was elected a State Senator on the Republican ticket in 1899 and re-elected twice. He was a Mifflinville State Normal School trustee since 1872, and in 1876 was a Republican Presidential elector. For years he was president of the Howard Devoient Society and the Society for the Prevention of Cruelty to Animals and a trustee of the Home for Friendless children, the Stevens Industrial School and the Long Asylum for Women.

**Way of Life Meeting.**  
A. W. Johnson, Esq., addressed the the Way of Life meeting in Bucknell Hall on Sunday afternoon on the subject "The Law as a Life Work." His remarks were divided into (1) Benefits to the lawyer himself, in the way of forming a strong, manly character, and creating a comprehensive mental discipline and power, (2) The duties of a lawyer to sustain the Constitutions of the state and nation, and of fidelity to both court and client, (3) The lawyer's contribution to the State in making its laws and constitutions and serving in office. A solo by Colt R. Hoechst formed the musical part of the meeting.

**College Bible Class.**  
Dr. Harter spoke of Abraham and Melchizedek as recorded in the 14th chapter of Genesis. This chapter of Genesis does not belong to either of the main narratives of the books of Genesis but is part of the same old tradition. It presents Abraham in a new light, that of a chieftain leading his warriors to battle in a just cause. Here is an instance of justifiable war. Amraphel, now thought to be identical with Hammurabi, whose code of laws has been lately discovered, had captured Abraham's brother, Lot, and Abraham fights to rescue him. On his return from the successful battle the King, Melchizedek meets him as priest, blesses him, Melchizedek is called King of Salem which is thought to be identical with Jerusalem or Jerusalem at that time tributary of Egypt.

**Large Audience Hears Freshman Declamations**  
DIFFICULT SELECTIONS WERE RENDERED IN FINE STYLE BY THE CONTESTANTS.

On Friday night the public was given the first opportunity of learning what the class of 1911 can produce in the way of elocution and oratory. The members of the class who entered the contest for the Freshman Declamation prizes gave their selections before a large audience in Bucknell Hall. The contestants all won hearty applause for their careful interpretation. The program was rendered as given last week.

The work of Shields was marked by its clearness. McAllister had a selection full of action and handled it well. Miss Miller interpreted her selection in a fine manner and held the interest of the audience throughout. Durrell showed up to advantage in a difficult speech. Miss Radack presented the only bit of humor in the evening's program and gave a natural description of "A Mother's Day." A piano solo by Miss Ethel Strauss, of the School of Music, won hearty applause.

Clark hit to third base but first baseman missed it. Clark going to second. Dewire sent a high one to centre field which looked good but Hellman made a star catch of it. Clark going to third and scoring on Northrup's fly to centre. Philson hit an easy one to pitcher and was out at first. One run.

W. Jenkins was substituted and got a single to right field. Ehrhart struck out and Jenkins and Hellman worked a double steal successfully. Lantz hit to Loveland who cut off Jenkins at home. Rocky struck out. No runs.

Hawk had time to get a short single to right field when Gettysburg left the field to catch a train.

### ALL ROADS LEAD TO STATE COLLEGE ON SATURDAY

A SPECIAL TRAIN SECURED.  
Large Delegation will be Present to cheer Bucknell Teams to Victory.

On Saturday Bucknell will journey to State College in a body to witness these strong teams try conclusions with three worthy opponents. The lapse of time between the last baseball game with State and now seems only to have heightened the interest which Central Pennsylvania usually took in these contests, and word comes that the delegations from Williamsport, Milton, Sunbury, and other towns will be as big as in the days of old. Spirit in college is high and a good crowd will stand by the teams, who or lose.

A special train will leave Lewisburg Saturday morning at 7:30 o'clock; returning, will leave State College at 7:30, arriving in Lewisburg in plenty of time to allow out-of-town visitors to take trains on either railroad. A low rate of 1.50 for the round trip has been secured for this special train and Manager Hayes will sell tickets at this week.

In the forenoon the Reserve baseball team will try to avenge the defeat of last Saturday at the hands of Bellefonte Academy at Bellefonte. The game will be called at 10:15.

The Varsity Tennis Team will meet the State team this morning. Bucknell will likely be represented by last year's strong team, Harris and Mauchens. The annual "flag rush" between the Sophomores and Freshmen of State will take place in the morning.

The game in the afternoon will begin at 2:30. While State is represented by a strong and experienced team, and has the advantage in this respect, Bucknell supporters are confident that the coaching of "Dippy" Smith will make them evident in the hard contests. So far as comparative scores go, the teams seem to be evenly matched. According to the agreement drawn up between the two teams, Lenhart and Dewire will be ineligible to play, the former having played football four years, while Dewire was out of college the first two terms teaching. Their work will be missed, but it is hoped that Captain Sheridan will be able to get in the game again this week, which will partly make up for the loss of the other two. Admission to the game will be 25 cents. Mr. Jack Evans, of Bath, Pa., will umpire.

**Seniors and Juniors Win.**  
Two matches in the Interclass series for the tennis championship were played last week, resulting in victories for the Seniors and Juniors. On Tuesday Hatter and Webster, representing 1908 won from the Junior team, Owens and Wilson, 6-4 and 6-3. On Thursday Pottinger and Owens for the Juniors, defeated the Freshmen, Kendall and Lowry, 6-2 and 6-3. Today the Seniors played the Freshmen and on Thursday the Juniors meet the Sophomores.

**Theta Delta Tau Dance**  
The Sophomore fraternity, Theta Delta Tau gave their annual dance in the Armory Tuesday evening. Campbell's orchestra furnished the music. About twenty couples were present. Among the guests out of town were: Miss Godcharies, Miss Helene, the Misses Bound, Miss Chapin, Milton; Miss Vance, Winfield; Miss Savidge, Sunbury; Miss Hummel, Selinsgrove; Miss Painter, Muncy.

### THROWING DISCUS SATURDAY AFTERNOON.

Rain interfered with the weekly try-out of track candidates on Saturday afternoon, yet some good time was made and prospects for a good team begin to brighten. Terrel showed up well in the quarter and half mile and Lenhart broke the college record for the Discus Throw, hurling it 195 feet 7 inches. The high jump was stopped by the rain with Bloom and Dutton the first place at 5 feet and 4 1/2 inches. The results are given below.

100 yd. dash—McAllister, 1st, 19.3 sec. Weinstein, 2nd.

80 yd. dash—Terrel, 1st, 2 min. 15 sec. Lawrence, 2nd.

## VARSITY LOSES TWO GAMES ON TRIP

LEHIGH WINS FIRST GAME, 9-2

Second Results in Five Inning Victory for Seton Hall by a Score of 6-2.

The Varsity completed a rather disastrous baseball trip during the week, losing both games. The team was not in the best of form in either game, and errors were frequent and costly. A total of ten hits made off four pitchers and eight errors spells the first defeat. Lehigh could score in only three innings, but enough men went around the bases in the seventh, on a base out to nine, while two, was the best Bucknell could accomplish. Northrup started to pitch the game, but was forced to retire in the first inning, owing to an injury received while trying to touch a runner out at the home plate. Carey, his success or lasted for three innings, and Dewire for three more, while finally, Niple was shifted to the box from third and finished the game.

The winners scored three runs in the first on a base on balls, a hit, and two errors. In the fourth they scored five on two hits. Their last run came in the seventh, on a base on balls and an error. Bucknell scored one run each in the third and fourth. Loveland got a hit and came around on misplays by Lehigh's infield. In the next, Clark scored on singles by himself and Lenhart and a sacrifice by Carey. Leach played well for the Varsity, accepting eight chances without an error. Loveland was also strong, both in the field and at the bat.

Seton Hall was the victor at South Orange, N. J., in the second contest of the week; score, 6-2. The game was played in a drizzling rain and was finally stopped at the end of the sixth inning. Bucknell scored one in the first after two were out. Dewire was passed, Leach followed with a single to left, and Dewire was out trying to make third on the hit. Leach stole second, and reached third on an error on a throw to catch him off the base. A sacrifice fly to center by Niple scored the run.  
In the second inning, four singles and an error gave Seton Hall three runs, and in the fourth two singles Continued on third page.

## INTERESTING LECTURE ON IMPORTANT SUBJECT

CROWDED HALL HEARS NOTED BANKER AND TRAVELLER TELL OF INDIA.

With the eyes of the world now turned upon India by rumors that it may in the near future seek independence from England, the lecture about that country delivered by Mr. Joseph Moore, Jr., A. M., F. R. G. S., of Philadelphia, in Bucknell Hall last Friday night proved of timely interest. A large and appreciative audience heard the lecture.

Mr. Moore is well known as president of the National Bank of North America, Philadelphia. He has spent much time in travel, especially in the Orient, and his address last Friday night was tinged with a number of personal experiences of interest. His lecture began with the boarding of an Indian steamer at London and the speaker carried his audience with him on the trip across the Mediterranean to Alexandria, through the Suez canal and across to Bombay, touching upon many of the points of interest enroute. The lecture dealt chiefly with the larger cities of India, the people, and their customs. One feature of the lecture were the excellent views, which were thrown upon the canvass with great plainness.

After the lecture, Registrar and Mrs. W. C. Gretzinger gave a reception in Mr. Moore's honor to the members of the faculty.

### Interclass Track Meet.

The annual interclass track meet will be held on the Athletic Field on Friday afternoon, beginning at 4 o'clock. 1910 won the meet last year and will have a strong team again this year. The material in the Freshman class has showed up well in training and will make the upper classes hustle. Of those who made points in the meet last year, the Seniors have three in college now, the Juniors one, and the Sophomores twelve. The Varsity training table for track candidates will begin this week.

### Lawn Party

A unique lawn party at which ice-cream, candy, and peanut stands, a fish pond, and fortune teller's booth will be the main features is to be given on the Woman's College campus for the benefit of the Y. W. C. A. The date has not yet been set. Watch for the posters and be ready to come.

## ANNUAL CONTEST OF SOPHOMORE CLASS

ORATIONS AND RECITATIONS WILL BE PRESENTED ON FRIDAY NIGHT

Members of the Sophomore class selected for the annual contest will present an excellent program in Bucknell Hall on Friday night. Selections from some of the greatest American orators, and from others of lesser note, especially adapted for delivery, will be given by men of the class. Accompanying them will be a program of difficult recitations by women of the class. Although several of the speakers won laurels last year, the newcomers will make them work hard to retain them.

Music for the evening will be furnished by pupils of the School of Music. A list of speakers with their selections follows.

War—Sumner—Geo. Campbell Fetter, Reading.

The National Flag—Beecher—Emmanuel Warnkesed, Landingville.

True Grandeur of Nations—Sumner—Max Conrad Wiant, Connellsville.

John Brown—Simons—C. Park Edmunds, Mill Village.

A Call to Arms, (1861)—Edith Allen—Louis James Yette, Philadelphia.

The Dangers of Centralization—Grady—Elmer Billingsfelt, Woods, Reading.

Engineer Connor's Son—Dromozole—Mait Swasey Cathart West Pittston.

The Saving of Thomas Jefferson—Donnelly—Mabel Elizabeth Johnson, Mt. Carmel.

Pomp's Story—Trowbridge—Amy Julia Park, Mountdun.

The Polish Boy—Stephens—Corra May Wright, Factoryville.

1910 L'Agenda Committee

The following have been appointed on the Literary Committee of the "1910 L'Agenda" by Editor-elect H. B. Hedger: W. W. Pangburn, chairman; H. E. Roser, I. N. Earle, E. S. Hartshorn, F. H. Palmer, N. R. Quinton, M. C. Wiant, E. B. Woods, Ethel Watkins, Elizabeth Stage, Jane Chapman, Florence Stauffer, Bertha Gels.

Way of Life.

Prof. C. A. Lindemann addressed the Way of Life meeting in Bucknell Hall on Sunday afternoon. The professor spoke on the different "Selves," and the importance of reconciling and unifying these under one "self."

Versatile weather, combining a mixture of sunshine, rain, and snow, tempted over a hundred Bucknell students to State College for the big baseball game on Saturday and then trifled with their enthusiasm by turning loose a down-pour which not only soaked many of the ardent "fans" to the skin, but added insult to injury by making the athletic field at State unfit for pulling off the contest.

Starting off in the early morning with a foreboding cloudiness, the weather took a sudden shift just before train time. Warm sunshine and blue skies replaced the clouds, and, undecided, excursionists shed raincoats and umbrellas and made a hurried dash for the station. It was a merry, enthusiastic crowd which filled the four coaches of the special train when it pulled out of the Lewisburg station a few minutes after ten o'clock. Everyone was in good humor and the typical Bucknell spirit was predominant.

Half an hour after the train had started the sun hid its face as if ashamed of its trickery. The gray curtain of the early morning again spread itself across the sky. Such was the beginning of the weather vane which presented a continuous performance throughout the day.

A brief two hours wrought a remarkable change in the elements. The same merry crowd which had left Lewisburg at ten o'clock wrestled in sunshine and spring teogony was unloaded at Lemont at noon in a cold, driving rain. There was a hurried scramble for carriages, followed by a drive of three miles through the rain to State College. Arriving at the little college town, a hungry, shivering army of students stormed the hotels and restaurants. At two o'clock the weather scenery was again shifted and clearing skies and sunshine coaxed a large number of spectators to the athletic field. A wait of an hour while the officials of the two teams were deciding to play or not, brought another change and spectators were sent scurrying to cover by a flurry of snow and hail.

After a consultation Captain Sheehan of Bucknell, and Captain Cree of State, decided to call the game off on account of the muddy field, which made playing impossible. This announcement was a disappointment to the students of both colleges. The State men had planned for a gala day and despite the threatening weather were out in full force. The State College band was also on hand and helped to enliven the drooping spirits of the disappointed "fans". The visitors spent the remainder of the afternoon inspecting the college buildings and the return trip to Lewisburg was made in the evening without special incident.

Although disappointed by the postponement of the game, the orange and blue supporters thoroughly enjoyed the trip to State and returned without their ardor dampened in the least by the elements. In spite of the fact that Jupiter Pluvius scored a shut-out in the baseball game, Bucknell has some consolation in the fact that their Varsity tennis team won from the State team in the first set of tournament doubles by a score of 6-3. Harris and Manchester represented Bucknell while Walls and Waddell played for State. Rain prevented the finishing of the contest.

### BASEBALL ENTHUSIASM.

There is no necessity to call your attention to the fact that the cheering at the past few baseball games has been the next thing to silence. Fellows who would faint if they were caught unprepared in the classroom, sit there on the hill and listen to a yell start and stop for want of motive power, and yet their sense of honor is not touched. We cannot say that there is no interest taken in baseball; probably no other sport is more popular with the students. But the general idea seems to be that the players are running around on the grass and sliding through the dust and mud for the sole enjoyment of the spectators on the hill. This idea may be true in professional baseball, but it surely cannot be applied to the game as college play it. The team plays for the honor of the college, a man honor that is just as much yours as theirs.

Four years ago the Williamsport Tri-State team was here for one of the Commencement games. Of course, everyone expected Bucknell to be beaten, and their expectations were realized up to the eighth inning when the score stood 8-0 in favor of the professionals. During this whole period, however, the cheering was as strong as it would have been had only one point separated the two teams in the score. In this eighth inning the Bucknell supporters, many of whom were alumni back for Commencement, stood on their feet and cheered each player in turn as he stepped to the bat. Well, at the end of the game the score was 9-8, and Bucknell won. Perhaps its carrying it too far to say that those nine runs were the result of a few cheers; perhaps. We might think so if this were the only case of its kind. Ask anyone who saw this game with Williamsport. Ask some of the alumni if they saw any instances of this kind when they were in college. If such spirit was aroused in a game with the professionals, what may it not have been in an intercollegiate contest?

The moral of the story is that Dickinson comes here Saturday with a strong team, and the Varsity will have to hustle to win. Another moral is that State College will be here in a few weeks with another strong team and four hundred organized rooters. Will they out-cheer us? We

can't tell until we know how the Bucknell rooters can cheer, and thus far this spring we have had no way to find out. Will the same be true during Commencement week? For the sake of the feelings of the alumni, let us hope not. Let us commence on Saturday, wipe off that "what's the use?" expression, and yell as though we meant it.

### Sigel-Wagner

At the home of Mr. and Mrs. J. H. Wagner, Watonsville, on Tuesday night, Elizabeth Chamberlin Wagner was married to J. Frederick Sigel, '09, of Milwaukee. Curtis Wagner, ex-'08, was best man, and Dickson Stauffer, '06, of Scuttsdale, and E. P. Griffiths, '04, of Pittsburg, were ushers. A number of Bucknell alumni and undergraduates were among the guests. Those present from here were: H. C. Gardner, '08, W. H. Bertin, '08, E. R. Manchester, '08, M. B. Whitely, '08, B. R. Savidge, '08, V. B. Luchinger, '08, H. B. Hunter, '09, S. G. Riffe, '09, F. H. Fritz, '09, G. N. Wilkinson, '09, F. W. Kramer, '09.

### Establish Chapter at State.

The local chapter of Phi Delta Sigma, the upperclass fraternity, installed a Pennsylvania Beta chapter at State College on Friday night. Thirty-one were initiated, after which a banquet was held at Hotel Brockerhoff, Bellefonte. Fifteen were present from Bucknell, and S. H. Schoch, '06, acted as toastmaster.

The following fraternities are represented in the organization at State: Phi Sigma Kappa, Phi Gamma Delta, Sigma Alpha Epsilon, Phi Kappa Sigma, Beta Theta Pi, Sigma Chi, Kappa Sigma, Phi Delta Theta.

### Bucknell Wins at Rochester.

In a recent bowling tournament at Rochester Theological Seminary, the Bucknell five, composed of Pease, '06, Robbins, '05, Riggs, '07, Whitely, '07, and Griffiths, '07, won every game played. Their opponents were teams representing Brown and Denison. In the interstate tournament, Riggs, '07, rolled the highest tournament score of the season.

### Seniors Decide on Memorial.

The Senior class met in Bucknell hall on Tuesday and discussed plans for the class memorial. The memorial committee had recommended that the class erect brownstone pillars at the sixth street entrance to the campus, near the Chemical Laboratory, and after some discussion this plan was adopted. While somewhat similar to the memorial at the University entrance, those pillars will not be an exact reproduction of those erected by the class of 1905. As the University increases in size and buildings, the sixth street entrance will become more prominent, and 1905 is fortunate in that the spot has not been taken by former classes. Plans for the memorial are now being made and it is expected that the contract will be let in a few days.

### Smith Returns.

The management of the baseball team announces that Paul G. Smith, '05, will return this week to resume his work with the team. Smith left the first of the month to report at Albany with the New York State league, but fortunately for Bucknell, he will be able to stay here for a while, at least. His presence will greatly strengthen the team for the hard games during the next few weeks.

### Tennis Results.

The only tennis match played during the week resulted in a victory for the Sophomores over the Juniors. On Friday on the "Sterry Widow" court, Terril and Abraham, for the Sophomores, defeated the Junior team, composed of Pettef and Owens, 6-3, 4-6, 6-4. Today the Seniors play the Sophomores and on Tuesday the meet between the two under classes will be played.

The Mohammedan University of Cairo, Egypt, is celebrating the thousandth anniversary of its foundation.

## WOMAN'S COLLEGE LOCALS.

Ursula Parnley, '07, spent Saturday visiting friends here. Dean and Mrs. Edwards were guests at dinner on Friday night. Josephine Hankins, '09, and Helen Cliber, '09, shopped in Williamsport on Saturday.

Mrs. Thomas Sames, Mrs. W. G. Russell, Mrs. Dettre, and Mrs. Hartz, all of Norristown, visited Olive and Beatrice Richards, '08, on Friday. A very amusing little play entitled "The Mere Man," was given in the school room on Tuesday afternoon. This was the last in a series of plays given by candidates for membership in Frill and Frown, preliminary to the election of members. The play was given under direction of Anna Stage, '08.

Professor Lindemann conducted one of his famous "tramps" over Mount Montour and Blue Hill on Saturday. Those in the party were Nala Webb, '09, Edith Corlies, '09, Jane Chapman, '10, Sara Ray, '10, Ruth Safford, '11, Margaret Curtis, '11, Winifred Curre, '11, Norella Rivenburg, '11, Bessie Condict and Bertha Pfeiffer, Institute, '09.

**College Bible Class.**  
Dr. Harris spoke of the "Solemn Promise of God" to Abraham as recorded in the 15th chapter of Genesis. The covenant of God with man is of two kinds: (1) the covenant of law, (2) the covenant of grace. The covenant of law is the promise written in the constitution of man and animals. The bird has within it the instinct to fly south in the autumn and in keeping with the covenant as a complement to the instinct there is a south to receive the bird. "This do and thou shalt live," is the promise. Transgression of the moral law written in man's being tends to destroy the moral and spiritual nature. But all fail to keep the covenant of law and God who is not only just but merciful has given us the covenant of grace. This covenant does not release one from responsibility in regard to the law but promise aid in the keeping of the law. "A man shall reap what he sows" is the covenant of law but the covenant of grace promises help in the right "sowing." The covenant with Abraham was the covenant of grace.

## DICKINSON DEFEATED IN WELL-PLAYED GAME

### B. U. OUTCLASSES OPPONENTS.

Game was a Pitcher's Battle, but the Varsity Hit at Right Time.—  
Dawson Fields Brilliantly

At last a Bucknell Varsity baseball team has been able to take a game from Dickinson. In a game of fast fielding and timely hitting we took the Carlisle collegians into camp 3 to 1 on Saturday. Both pitchers were in fine shape and pitched excellent ball, but the home team bunched their hits with the visitors errors and won. Dawson in right field for Bucknell, gave a brilliant exhibition of fielding. Twice he went over the running track and pulled down what seemed good, safe drives. Clark's stick work was also a feature.

In the first Grimm hit to Sheehan. Beauchamp tried to Dawson and Frye tried one to Niple but failed to make it. No runs.

For Bucknell Dewire struck out. Leach was safe on an error. Niple hit to pitcher who tried to head Leach off at second, but Shipman missed it. Sheehan popped a fly to short stop and Clark sent an easy grounder to the same place and failed. No runs.

Cook hit a grounder that got through Sheehan, but Dawson by fast fielding nailed him at first. Sliske sent a grounder to Niple and failed at first. Tobias struck out. No runs.

Hawk hit to third but failed to make good. Northrup made it because first baseman was off the bag when he arrived there. Loveland struck out and Dawson hit to pitcher. No runs.

Long popped a fly to Leach. Shipman tried a hot liner to the same place. Houseman drew a base on balls. Grimm made first on Leach's error and Beauchamp ended it with a fly to Loveland. No runs.

Dewire tried one to second. Leach sent one of the same kind to short stop and Niple drove a fly to center field. No runs.

Frye put one over the track but Dawson gobbed it up. Cook was thrown out at first by Niple. Sliske singled and Tobias struck out. No runs.

Sheehan singled. Clark bunted and beat it out. Hawk hit a fly to pitcher. Northrup sent a long one to center field and in an effort to catch Clark off first Shipman made an overthrow. Sheehan scoring and Clark going to third. Loveland gave the right fielder a fly. One run.

Long hit to Loveland but made first. Shipman died Niple to Sheehan. Houseman rapped out a pretty double and Long scored. Grimm gave Northrup a fly and Beauchamp tried a longer one to Clark. One run.

Dawson drew a base on balls. Dewire sacrificed. Leach singled, scoring Dawson. Niple fled to center and Sheehan to third. One run.

Niple made a poor throw and Frye took first. Cook was also safe on Leach's error. Sliske struck out. Tobias also fanned. Long sent a fly to Dewire. No runs.

Clark hit safe. Hawk sacrificed. Northrup hit a grounder to second. Loveland drove a safe one to right field and Clark scored. Dawson knocked a fly to center. One run.

Shipman was out Niple to Sheehan. Houseman singled. Grimm tried one to Sheehan but failed and Houseman was cornered off second. No runs.

Dewire hit a grounder to Shipman. Leach and Niple both gave catcher foul flies.

### College Bible Class.

Dr. Harris spoke of the story of Abraham and Ishmael. He said that there were two ways to explain these stories. First there may have been an historical personage, the founder of the nation and these legends grew up about him, not necessarily historically true but always true to the character of the hero. Second, the hero may have been created entirely in the popular imagination. Here was a people kindred in language, customs, etc., and it was natural to infer that they came from a common ancestor, therefore in their traditions one is created taking his name from the tribe.

In the case of Abraham we believe that there was such a man living about 2000 B. C. who was the beginner of a new epoch in human history. The story of Ishmael may or may not be historically true but it is true to the conditions of the times, for it coincides with the provisions in the code of Hammu Rabi. The story is probably an attempt on the part of the Jews to show their own superiority over the other Semitic peoples whom they claimed were descended from Ishmael the son of Abraham by a bond-servant while they themselves were the descendants of Isaac the son of Abraham by his wife Sarah.

We must judge Abraham in this connection not only by the absolute standard of perfection but also by the standard of the times, in the light of his training.

## ELOCUTION STUDENTS IN ANNUAL CONTEST

MEMBERS OF THAT DEPARTMENT IN INSTITUTE RECITE SATURDAY NIGHT.

On Saturday evening, May 9, the annual elocution contest, entered into by a few of the advanced students in elocution, was held in Bucknell Hall. The fact of the contestants being all pupils of Miss Schilling, whose untiring and always fruitful efforts are so well known in college and town circles, insured an audience that well nigh taxed the Hall beyond its utmost capacity. The program served both to deepen pleasant remembrances of past similar programs and to add a few enjoyable impressions of its own. The varying character of the different numbers, and the diverse manner of presentation among the several performers maintained an unflagging interest and attention on the part of the audience, and each successive number elicited increased applause. The only sensation other than pure enjoyment throughout the whole audience was probably the perplexity of the judges in their difficult task of choosing the contestant most worthy of the prize. The excellent performance of the Misses Mulford, Di-trick and Craig at the piano must by no means be overlooked. The program follows:

March—Miss Mulford.  
Overture—My Mas, Mendelssohn—Misses Dietrich and Craig.

The Children's Hospital—Tennyson—Helen Sturt, Elmer, N. Y.

The Widow's Christmas—Trowbridge—Clara Collins, Scottsdale, Pa. Bills against Money—Margaret Cameron—Verna Houk, Lewisburg.

Closest Scene from Hamlet—Shakespeare—Ethel Royal, Camden, N. J.

Valise Brillante—Op. 34, No. 1—Chopin—Miss Mulford.

Mrs. Bean's Courtship—Belmont—Hazel Bodine, Merchantville, N. J.

The Reluctant Mob—Hugo—Lucile Savidge, Sunbury.

The Angel and Shepherds—Lewis Wallace—Hattie Wilson, Philadelphia.

## GETTYSBURG DEBATES HERE FRIDAY NIGHT

### FOR CHAMPIONSHIP OF LEAGUE.

Bucknell will Argue Against Establishing System of Postal Saving Banks.

On Friday evening of this week in Bucknell Hall the team representing Gettysburg in the intercollegiate debating league will contest with Bucknell team on the question, Resolved, That the United States should establish a system of Postal Saving Banks. The time for the debate will be 8 o'clock, and the admission will be twenty-five cents.

This is the second debate of the series in the triangular league, composed of Lafayette, Gettysburg, and Bucknell. The first contest was held at Easton on March 6, when Gettysburg won from Lafayette. The debate on Friday night will decide the championship of the league for the year 1908. The question stated above was submitted by Gettysburg and Bucknell chose to defend the negative.

The Gettysburg team is composed of S. F. Snyder, '09, C. S. Bream, '09, and W. C. Waltemeyer, '08. Bucknell will be represented by J. F. Hummer, '08, C. P. Hilgry, '08, and C. L. Bromley, '08.

### A Creditable Piece of Work.

A subject that has attracted examination, interest and remark on the part of all who have kept their eyes open in the Library for the past two weeks is the detailed sketch of the whole town of Salisbury, Pa., and its surroundings, drawn by Myrtle H. Walkinshaw, '09. It can be safely stated that all the criticism which the work has provoked during its exhibition has been favorable to the artist. And criticism has not been scant; the piece is too striking for that; it is worthy of close observation and study, and deserving of sincere commendation. Miss Walkinshaw has worked out the sketch with her characteristic accuracy and painstaking care; and the production remains something other than a mere plan. It is more than suggestive of an artist's hand. Miss Walkinshaw completed the sketch during a visit to Salisbury last summer. The sketches making a similar sketch of her home town, Greensburg, during the coming summer. Throughout her college course she has been a close student of art and will be graduated this year from the Bucknell School of Art.

### Intercollegiate Tennis.

Two intercollegiate tennis tournaments will be played here this week. On Friday afternoon at 3 o'clock, the Varsity will meet the Franklin and Marshall team and on Saturday morning Dickinson will be here. Both tournaments will be held on the "Merry Widow" court on Seventh St. Admission to each tournament will be 15 cents, including reserved seat; to holders of season tickets, 10 cents, including seat.

### Track Meet Tomorrow

The Interclass track meet postponed from Friday on account of the rain, will be held on Tuesday afternoon at 3 o'clock. A large number of entries have been received and the contest will be a warm one.

### Important Meeting.

The Bucknell Debating League will meet in Eucopia Hall, on Wednesday evening, at nine o'clock. A full attendance of the members is desired.

## Commencement Speakers.

At a meeting of the College Faculty last week the following members of the Senior Class were appointed as Commencement speakers:

Winfield Scott Booth, Philadelphia. Ralph Womelsdorf Haller, Reading. John Earl Hummer, Titusville, Pa. Robert Bruce Morris, Rebersburg. Will Carleton Sprunt, Picture Rocks. Robert McCurdy Steele, Brockwayville.

### Lawn Fete.

On Friday, May 15, from 3:30 to 5:30 p. m. the Y. W. C. A. will hold a lawn fete on the Women's College campus. The patronage of all is most urgently solicited. Ice cream, cake, and candy will be on sale. The fortune teller's booth and the fish pond too will be by no means minor features. Now will be the time to tread the forbidden precincts at the foot of the hill. Come and bring your friends and have a good time.

### Senior Elected County Superintendent

Victor E. P. Starkman, a member of the present Senior class, was elected superintendent of the public schools of Bedford county on Tuesday. The position is an important one and is quite an honor for Starkman. There were five candidates for the office.

## SOPHOMORE ORATORS CONTEST FOR PRIZES

TEN MEMBERS OF CLASS GAVE VARIOUS AND INTERESTING PROGRAM

Before a large audience, members of the Sophomore class chosen for the annual oration contest gave their selections in Bucknell Hall on Friday night. The ten contestants acquitted themselves in fine manner, and received hearty applause. A number of the selections were adapted by the speakers from long orations and lectures, and the whole program evidenced good taste on the part of the orators.

A feature of the work of the speaker, in spite of the fact that the men had spent two years under the same course of training, not two presentations were alike, but each scored a triumph in his particular way. The same could be said of the work of the women of the class. The difference in selections and speakers made a varied and interesting program.

Two prizes are offered in this annual contest, one for men and one for women. The winners of Friday night will be announced at commencement.

The opening march was played by Miss Chappell, '11. A feature of the evening was a clarinet solo by Miss Mohring. The program was rendered as published last week.

### Bucknell Alumnae Club

The Bucknell Alumnae Club meets in the Institute parlors, Tuesday evening, May 12, at 7:30. A full attendance is desired. This is the annual business meeting for the election of officers.

### S. A. E.'s Meet at State

A district convention and banquet of the Sigma Alpha Epsilon fraternity was held at State College on Friday of last week. Delegates were present from about twelve chapters from different colleges in this state and New York. E. R. Jones, '08, represented the local chapter.

## PRIZE OFFER OPEN TO COLLEGE MEN

### ANNOUNCEMENT FOR NEXT YEAR

Offering Cash Prizes for Articles on Topics Relating to Commerce and Industry.

The fifth annual offer of prizes for papers on topics relative to commerce and industry, made by Messrs. Hart, Schaffner and Marx, of Chicago has just been announced. These prizes are offered each year in order to arouse an interest in the study of these topics, and to stimulate those who have a college training to consider the problems of a business career. The competitors are divided into three classes. Class A includes any American without restriction; in this class a first prize of \$600 and a second of \$400 will be given. Class B includes only those, who, at the time the papers are sent in, are undergraduates of any American college; the prizes are \$300 and \$200. One prize of \$500 is offered in class C, composed of those who have not had an academic training.

A new rule in the contest this year is that the competitor is not confined to subjects mentioned by the Committee; but any other subject chosen must first be approved by the Committee. The subjects suggested for those who have had an academic training are:

1. German and American methods of regulating trusts.  
2. The logic of "Progress and Poverty."

3. What are the ultimate ends of trade-unions and can these be gained by any application of the principles of monopoly?

4. In view of existing railway progress, should the United States encourage the construction of waterways?

5. Is it to be expected that the present and recent production of gold will cause a higher level of prices?

Competitors are advised that the studies should be thorough, expressed in good English, and although not limited as to length, they should be needlessly expanded. They should be inscribed with an assumed name, the class in which they are presented, and accompanied by a sealed envelope giving the real name and address of the competitor. If the competitor is in Class B, the sealed envelope should contain the name of the institution to which he is studying. The papers should be sent on or before June 1, 1909, to J. Lawrence Laughlin, Esq., The University of Chicago, Chicago, Illinois.

### Swarthmore Abolishes Football

Through the action of the faculty and the alumni athletic advisory committee, it is altogether probable that Swarthmore College will abolish all intercollegiate contests in football and basketball. The announcement was made to the student body on Friday that the action had been recommended to the Board of Managers. The new plan effects only football, and confines intercollegiate contests to tennis, lacrosse and track athletics. As it does not go into effect until Jan. 1, 1909, the football schedule of this fall will be played.

**College Bible Class.**  
Dr. Harris spoke of the "Solemn Promise of God" to Abraham as recorded in the 15th chapter of Genesis. The covenant of God with man is of two kinds: (1) the covenant of law; (2) the covenant of grace. The covenant of law is the promise written in the constitution of man and animals. The bird has within it the instinct to fly south in the autumn. The dog has within it the instinct to follow his master. This is a complement to the instinct there is a south to receive the bird. "This do and thou shalt live," is the promise. Transgression of the moral law written in man's being tends to destroy the moral and spiritual nature. But all fail to keep the covenant of law and God who is not only just but merciful has given us the covenant of grace. This covenant does not release one from responsibility in regard to the law but promise aid in the keeping of the law. "A man shall reap what he sows" is the covenant of law but the covenant of grace promises help in the right "sowing." The covenant with Abraham was the covenant of grace.

## DICKINSON DEFEATED IN WELL-PLAYED GAME

B. U. OUTCLASSES OPPONENTS.

Game was a Pitcher's Battle, but the Varsity Hit at Right Time.—  
Dawson Fields Brilliantly

At last a Bucknell Varsity base ball team has been able to take a game from Dickinson. In a game of fast fielding and timely hitting we took the Carlisle collegians into camp 3 to 1 on Saturday. Both pitchers were in fine shape and pitched excellent ball, but the home team bunched their hits with the visitors errors and won. Dawson in right field for Bucknell, gave a brilliant exhibition of fielding. Twice he went over the running track and pulled down what seemed good, safe drives. Clark's stick work was also a feature.

In the first Grimm hit to Sheehan. Beaucamp filed to Dawson and Frye tried one to Niple but failed to make it. No runs.  
For Bucknell Dewire struck out. Leach was safe on an error. Niple hit to pitcher who tried to head Leach off at second, but Shipman missed it. Sheehan popped a fly to short stop and Clark sent an easy ground-er to the same place and failed. No runs.

Cook hit a grounder that got through Sheehan, but Dawson by fast fielding nailed him at first. Siske sent a grounder to Niple and died at first. Tobias struck out. No runs.  
Hawk hit to third but failed to make good. Northrup made it because first baseman was off the bag when he arrived there. Loveland struck out and Dawson hit to pitcher. No runs.

Long popped a fly to Leach. Shipman tried a hot liner to the same place. Houseman drew a base on balls. Grimm made first on Leach's error and Beaucamp ended it with a fly to Loveland. No runs.

Dewire tried one to second. Leach sent one of the same kind to short stop and Niple drove a fly to center field. No runs.  
Frye put one over the track but Dawson exhibited it up. Cook was thrown out at first by Niple. Siske singled and Tobias struck out. No runs.

Sheehan singled. Clark bunted and beat it out. Hawk hit a fly to pitcher. Northrup sent a long one to center field and in an effort to catch Clark off first Shipman made an overthrow. Sheehan scoring and Clark going to third. Loveland gave the right fielder a fly. One run.

Long hit to Loveland but made first. Shipman died Niple to Sheehan. Houseman rapped out a pretty double and Long scored. Grimm gave Northrup a fly and Beaucamp tried a longer one to Clark. One run.

Dawson drew a base on balls. Dewire sacrificed. Leach singled, scoring Dawson. Niple filed to center and Sheehan to third. One run.  
Niple made a poor throw and Frye took first. Cook was also safe on Leach's error. Siske struck out. Tobias also fanned. Long sent a fly to Dewire. No runs.

Clark hit safe. Hawk sacrificed. Northrup hit a grounder to second. Loveland drove a safe one to right field and Clark scored. Dawson knocked a fly to center. One run.  
Shipman was out Niple to Sheehan. Houseman singled. Grimm tried one to Sheehan but failed and Houseman was cornered off second. No runs.

Dewire hit a grounder to Shipman. Leach and Niple both gave catcher foul flies.

## College Bible Class.

Dr. Harris spoke of the story of Abraham and Ishmael. He said that there were two ways to explain these stories. First there may have been an historical personage, the founder of the nation and these legends grew up about him, not necessarily historically true but always true to the character of the hero. Second, the hero may have been created entirely in the popular imagination. Here was a people kindred in language, customs, etc., and it was natural to infer that they came from a common ancestor, therefore in their traditions one is created taking his name from the tribe.

In the case of Abraham we believe that there was such a man living about 2000 B. C. who was the beginner of a new epoch in human history. The story of Ishmael may or may not be historically true but it is true to the conditions of the times, for it coincides with the provisions in the code of Hammurabi. The story is probably an attempt on the part of the Jews to show their own superiority over the other Semitic peoples whom they claimed were descended from Ishmael the son of Abraham by a bondswoman while they themselves were the descendants of Isaac the son of Abraham by his wife Sarah.

We must judge Abraham in this connection not only by the absolute standard of perfection but also by the standard of the times, in the light of his traditions.

## ELOCUTION STUDENTS IN ANNUAL CONTEST

MEMBERS OF THAT DEPARTMENT IN INSTITUTE RECITE SATURDAY NIGHT.

On Saturday evening, May 9, the annual elocution contest, entered into by a few of the advanced students in elocution, was held in Bucknell Hall. The fact of the contestants being all pupils of Miss Schilling, whose untiring and always fruitful efforts are so well known in college and town circles, insured an audience that well nigh taxed the Hall beyond its normal capacity. The program served both to deepen pleasant remembrances of past similar programs and to add a few enjoyable impressions of its own. The varying character of the different numbers, and the diverse manner of presentation among the several performers maintained an unflagging interest and attention on the part of the audience, and each successive number elicited increased applause. The only sensation other than pure enjoyment throughout the whole audience was probably the perplexity of the judges in their difficult task of choosing the contestant most worthy of the prize. The excellent performing of the Misses Mulford, Dietrich and Craig at the piano must by no means be overlooked. The program follows:

March—Miss McLeod.  
Overture—Ruy Blas, Mende'sohn—Misses Dietrich and Craig.  
The Children's Hospital—Tennyson—Helen Sturt, Elmer, N. Y.  
The Widow's Christmas—Trowbridge—Clara Collins, Scotland, Pa.  
Bills against Money—Margaret Cameron—Vella Houk, Lewisburg.  
Closest Scene from Hamlet—Shakespeare—Ethel Royal, Camden, N. J.  
Valse Brillante—Op. 34, No. 1—Miss Mulford.

Mrs. Dean's Courtship—Belmont—Hazel Bodine, Merchantville, N. J.  
The Reluctant Mob—Hugo—Lucile Savidge, Sunbury.

The Angel and Shepherds—Lewis Wallace—Hattie Wilson, Philadelphia.

## GETTYSBURG DEBATES HERE FRIDAY NIGHT

FOR CHAMPIONSHIP OF LEAGUE.

Bucknell will Argue Against Establishing System of Postal Saving Banks.

On Friday evening of this week in Bucknell Hall the team representing Gettysburg in the intercollegiate debating league will contest with Bucknell team on the question. Resolved, That the United States should establish a system of Postal Saving Banks. The time for the debate will be 8 o'clock, and the admission will be twenty-five cents.

This is the second debate of the series in the triangular league, composed of Lafayette, Gettysburg, and Bucknell. The first contest was held at Easton on March 6, when Gettysburg won from Lafayette. The debate on Friday night will decide the championship of the league for the year 1908. The question stated above was submitted by Gettysburg and Bucknell chose to defend the negative.

The Gettysburg team is composed of S. F. Snyder, '09, C. S. Broom, '09, and W. C. Waltemeyer, '08. Bucknell will be represented by J. F. Hummer, '08, C. P. Hight, '08, and C. L. Bromley, '08.

## A Creditable Piece of Work.

A subject that has attracted examination, interest and remark on the part of all who have kept their eyes open in the Library for the past two weeks is the detailed sketch of the whole town of Salisbury, Pa., and its surroundings, drawn by Myrtle H. Walkinsaw, '09. It can be safely stated that all the criticism which the work has provoked during its exhibition has been favorable to the artist. And criticism has not been scant; the piece is too striking for that. It is worthy of close observation and study, and deserving of sincere commendation. Miss Walkinsaw has worked out the sketch with her characteristic accuracy and painstaking care; and the production remains something other than a mere plan. It is more than suggestive of an artist's hand. Miss Walkinsaw completed the sketch during a visit to Salisbury last summer; she purpose making a similar sketch of her home town, Greensburg, during the coming summer. Throughout her college course she has been a close student of art and will be graduated this year from the Bucknell School of Art.

Two intercollegiate tennis tournaments will be played here this week. On Friday afternoon at 3 o'clock, the Varsity will meet the Franklin and Marshall team and on Saturday morning Dickinson will be here. Both tournaments will be held on the "Jerry Widow" court on Seventh St. Admission to each tournament will be 15 cents, including reserved seat; to holders of season tickets, 10 cents, including seat.

**Track Meet Tomorrow**  
The interclass track meet postponed from Friday on account of the rain, will be held on Tuesday afternoon at 4 o'clock. A large number of entries have been received and the contest will be a warm one.

## Important Meeting.

The Bucknell Debating League will meet in Euclid Hall, on Wednesday evening, at nine o'clock. A full attendance of the members is desired.

## Commencement Speakers.

At a meeting of the College Faculty last week the following members of the Senior Class were appointed as Commencement speakers:

Winfield Scott Booth, Philadelphia. Ralph Womelsdorf Hagler, Reading. John Earl Hummer, Titusville, Pa. Robert Bruce Morris, Rebersburg. Will Carleton Sprunt, Picture Rocks. Robert McCurdy Steele, Brockwayville. John Raymond Stratton, Pottsville. Miss Helen Marr Forrest, Lewisburg. Miss Margaret Ellen Kalp, Mifflinburg.

## Lawn Fete.

On Friday, May 15, from 2:30 to 5:30 p. m. the Y. W. C. A. will hold a lawn fete on the Woman's College campus. The patronage of all is most urgently solicited. Ice cream, cake, and candy will be on sale. The fortune teller's booth and the fish pond too will be by no means minor features. Now will be the time to tread the forbidden precincts at the foot of the hill. Come and bring your friends and have a good time.

## Senior Elected County Superintendent

Victor E. P. Harkman, a member of the present Senior class, was elected superintendent of the public schools of Bedford county on Tuesday. The position is an important one and is quite an honor for Harkman. There were five candidates for the office.

## SOPHOMORE ORATORS CONTEST FOR PRIZES

TEN MEMBERS OF CLASS GAVE VARIED AND INTERESTING PROGRAM

Before a large audience, members of the Sophomore class chosen for the annual oration contest gave their selections in Bucknell Hall on Friday night. The ten contestants acquitted themselves in fine manner, and received liberal applause. A number of the selections were adapted by the speakers from long orations and lectures, and the whole program evidenced good taste on the part of those in charge.

A feature of the work of the orators was the individuality of each speaker. In spite of the fact that the men had spent two years under the same course of training, no two presentations were alike, but each scored a triumph in his particular way. The same could be said of the work of the women of the class. The difference in selections and speakers made a varied and interesting program.

Two prizes are offered in this annual contest, one for men and one for women. The winners of Friday night will be announced at commencement.

The opening march was played by Miss Chappell, '11. A feature of the evening was a clarinet solo by Miss Mohring. The program was rendered as published last week.

## Bucknell Alumnae Club

The Bucknell Alumnae Club meets in the Institute parlors, Tuesday evening, May 12, at 7:30. A full attendance is desired. This is the annual business meeting for the election of officers.

## S. A. E.'s Meet at State

A district convention and banquet of the Sigma Alpha Epsilon fraternity was held at State College on Friday of last week. Delegates were present from about twelve chapters from different colleges in this state and New York. E. R. Innes, '08, represented the local chapter.

## PRIZE OFFER OPEN TO COLLEGE MEN

ANNOUNCEMENT FOR NEXT YEAR

Offering Cash Prizes for Articles on Topics Relating to Commerce and Industry.

The fifth annual offer of prizes for papers on topics relative to commerce and industry, made by Messrs. Hart, Schaffner and Marx, of Chicago has just been announced. These prizes are offered each year in order to arouse an interest in the study of these topics, and to stimulate those who have a college training to consider the problems of a business career. The intercollegiate debate with

Gettysburg on Friday night deserves

and needs the support of the entire

university. As a general rule it

is a difficult matter to get a large

crowd to attend a debate, intercolle-

giate or otherwise. This has been

the case not only at Bucknell at for-

mer debates, but at all other colleges

where they have been tried. At pres-

ent, however, there seems to be a

change working in favor of more

contests of this kind. Several inter-

collegiate and interscholastic leagues

have been formed in Pennsylvania, in-

cluding nearly every college of pro-

minence. Bucknell belongs to one of

these leagues and should do her part

toward supporting it. In whatever

light we may view the present action

against athletics, we must admit that

utterances like those of President

Elliot, of Harvard, have had and will

have their effect. The number of

intercollegiate athletic contests is

bound to decrease, and their places

will be taken to a certain degree by

contests in debating and oratory. Al-

though it is not the case now, we pre-

dict the time when as much interest

will be manifested in an intercolle-

giate debate as in a football game

with an old rival. Give Bucknell a

good start in the new regime by your

support in this the first intercolle-

giate debate in two years.

## EVERY MONDAY DURING COLLEGE YEAR

## JUNIOR CLASS

## PUBLISHES L'AGENDA

PLACED ON SALE ON THURSDAY.

Book is Credit to Class and Board of Editors—Presents a most Neat Appearance.

The "L'Agenda," the college annual published this year by the class of 1909, was placed on sale on Friday by Business Manager, A. B. Claypool. It has already had a large sale.

The book is the regular size, bound in maroon with white lettering, the class colors, and presents a very neat appearance. The engraved cuts of individuals and groups are plain and printed on good paper. A number of the zinc etchings are done in colors, an innovation that adds greatly to the attractiveness of the book.

As to its make-up and material, Editor G. N. Wilkinson has displayed a great deal of ability and good taste. The different departments are given their usual place and are separated without destroying the unity of the whole book. A new feature is a list of all the existing chapters of national fraternities represented at Bucknell. In the athletic department are the names of wearers of the varsity insignia and those to whom the numerals "1909" have been awarded.

In the literary department, an article on class memorials is interesting as well as instructive.

G. N. Wilkinson  
Editor in chief 1909 L'Agenda.

from its historical point of view. It gives a story of the evolution of the class memorial from the more humble beginnings up to the present time. The poetry in this department is good, as are also the jokes and knockers. The articles "The Clock Speaks," "Preparing for the Reception," "A Prep Trick" are clever and well written.

Special mention is deserving the artists, M. S. Hallman, Frances Chaffee and Myrtle Walkshaw. This year's Junior class is fortunate in possessing such talent among its own members, and their work is a feature of the book. Attention is drawn to the etchings in colors representing the four classes, the Institute cut, also in colors, the cut at the end of the book, taking in the entrance to main College, and the one introducing the Y. M. C. A. department. All these features go to make up a book that is valuable in every respect and should be possessed by every undergraduate and alumnus.

The Junior exhibition of oratory is to be held in Bucknell Hall on Friday evening at eight o'clock.

## BUCKNELL WINS THE INTERCOLLEGIATE DEBATE

HER REPRESENTATIVES DEFEAT THE GETTYSBURG TEAM HERE ON FRIDAY NIGHT.

Awarded the unanimous decision of the judges in the intercollegiate debate against Gettysburg at Bucknell hall last Friday night, the Bucknell debaters won the championship for 1908 in the triangular debating league, comprising Bucknell, Gettysburg and Lafayette colleges.

The debate was second and deciding one of the series, Gettysburg having won from Lafayette in the first contest held at Easton on March 9.

The Gettysburg team defended the affirmative side of the question—Resolved: That the United States should establish a system of Postal Savings Banks. The negative side was taken by Bucknell. Both teams presented striking arguments revealing financial conditions in this and other countries.

In opening the debate the Gettysburg speakers argued that there is a crying need in the United States, especially in the Northwest and South, for more depositories for the savings of the masses. They suggested as a remedy the establishment of postal savings banks in the money order post offices of the country, arguing that places of deposit would then be within reach of all.

By establishing such a system, the affirmative declared that it would benefit the government, in that the national debt could be apportioned among the American people and the vast amount of interest kept in circulation on this side of the Atlantic that the people would be benefited by being educated to save and at the same time to be assured of absolute security; that the national banks would be benefited by the creation of emergency funds from the surpluses growing out of the large amount of savings that would be collected by the government.

The Bucknell debaters met their opponents in every argument. They declared that the crying need for places of deposit for savings is not general but is confined to the South and Northwest; that the present banking system is meeting these needs as they arise; and that the conditions do not warrant the saddling of a burden on the entire government to give the sparse populations in some of the nation's "fence corners" better banking facilities. In rebutting the argument of security, the negative presented statistics showing that the losses to the bank depositor are a mere trifle compared with losses in other business investments; and that the present system

## Freshmen Win Interclass Meet

The annual Interclass Field and Track meet was held on University field last Thursday afternoon and proved to be one of the best meets held here for some time. As usual the Freshman class came off with the highest number of points, the Sophomores second, and the Seniors third.

Some of the events were very closely contested. In the finish of the 100-yard dash, McDonough and McAllister were only separated by inches. In the quarter-mile and half-mile runs, Lawrence and Terrill made things interesting by contesting for the pole. It so happened that the pole man won in each event. Lenhart, who did not enter in the hammer throw, broke the college record, throwing it 125 feet 10 inches.

The summary:

**Field Events.**  
100-yard dash—McDonough, '10, McAllister, '11, Weinstein, '11, Breinclair, '10. Time, 19.25 seconds.  
200-yard dash—Weinstein, '11, Green, '11. Time, 22.5 seconds.  
440-yard dash—Lawrence, '11, Terrill, '10, Clausen, '11. Time, 56.45 seconds.  
Half-mile run—Terrill, '10, Lawrence, '11, Clausen, '11. Time, 2 minutes 18 seconds.  
One-mile run—Butt, '10, Pangburn, '10, Fairchild, '11, Leshner, '11. Time, 5 minutes 6 seconds.  
Two-mile run—Payne, '09, Butt, '10, Hodge, '11, Street, '10. Time, 11 minutes 58.25 seconds.  
120-yard hurdle—Lenhart, '08, Owens, '09, Sweet, '11, Fackley, '10. Time, 17.45 seconds.  
220-yard hurdle—Owens, '09, Hayes, '08, Green, '11, Breinclair, '10. Time, 29.25 seconds.

**Track Events.**  
Broad jump—Sweet, '11, Dawson, '10, Rich, '10, Smith, '10. Distance, 18 feet 7 inches.  
High jump—Hallman, '09, and Smith, '10, Thatcher, '11, Hilton, '11. Distance, 5 feet 2.34 inches.  
Hammer throw—Fetter, '09, Edmunds, '10. Distance, 79 feet 1 inch.  
Discus throw—Baldwin, '08, Fetter, '09, Wolfe, '11. Distance, 99 feet 1 inch.  
Shot put—Lenhart, '08, Clarke, '10, McAllister, '11, Baldwin, '08. Distance, 40 feet 1 inch.  
Pole vault—Thatcher, '11, Shields, '11, Hilton, '11, and Hayes, '08. Distance, 8 feet 7 inches.  
Summary of points—Seniors, 29½; Juniors, 25; Sophomores, 41; Freshmen, 53½.

## DICKINSON TURNS TABLES AT CARLISLE

WINS 10 INNING CONTEST, 3-2.

Varsity Takes Game from Millersville State Normal Saturday, by the Score of 4-1.

Dickinson turned the tables at Carlisle on Thursday by defeating Bucknell 3-2 in a ten-inning game. Both pitchers twirled a fine game and had excellent support. Bucknell was in the lead at the end of the eighth when the Carlisle boys scored one and made the playing of an extra inning necessary. The tie was broken in the tenth on a base on balls and a single.

Clark played a star game in center. Captain Sheehan also put up a strong game, and he sprained his ankle sliding home and was forced to retire. Ferguson taking his place. Frye and Cook lead at the bat for Dickinson.

The time of year has arrived when the student begins to count up his year's expenses and wonder how he happened to run over his allowance by such a generous margin. Naturally he begins to think that the proverbially great man who went through college paying his own expenses and holding down the valedictorian's chair at commencement, is a fake. The fact is getting a degree is cheaper today than ever before but going to college is expensive. In other words essential expenses are coming down while the price on the trimmings is rising. Formerly a college education meant excellence in classics and mathematics, but today it means a knowledge not only of the vastly extended curriculum but also a training which enables a graduate to take a high place anywhere in our complex life. He is expected to adjust himself to his best social standards, to uphold his reputation as a member of the best dressed class of men in the country and above all to be a good fellow. All this takes money, and much more than our fathers paid for tuition and essentials. No wonder the modern collegian has to pull hard on his parental purse; it is only a natural outcome of our increasing tendency toward complexity. Now undoubtedly a student can go through his four years very cheaply by applying himself to his studies alone, but in doing so he is unfitting himself rather than preparing for usefulness in modern life. Not that he must necessarily be a "sport"—a notion which unfortunately prevails rather extensively—but that he should strike the golden mean between sporting and spending and grinding and economizing.

Bucknell needs the support of every rooter at the game with State on Saturday. A mass meeting has been called for Tuesday night; come out. Come out to the game, too, ready to yell. If you wish to take away, leave her with a suitable chaparrone until after the game, and you go down with the boys and root.

Next week's issue of the "Orange and Blue" will be a "Northfield" number. In addition to the regular news articles setting forth the advantages of a trip to Northfield and the Annual Students Conference there will be given. The number will be in charge of President John H. Mathias and the Northfield committee of the Y. M. C. A.

## Interclass Baseball

A series of interclass baseball games has been arranged under the supervision of the college Y. M. C. A. The first of the series will be played Thursday, May 26, between the Juniors and Freshmen. The second game will be between the Seniors and the Sophomores on Tuesday, June 2.

Should the Freshmen and Sophomore teams win their respective games with the upper-classes, the regular Freshman-Sophomore game will decide the class championship. Otherwise another game will be played, the date to be arranged later.

Admission to these games will be fifteen cents. Everybody out. Proceeds for the benefit of the Northfield fund.

## Glee Club Organized

An organization of College Glee and Mandolin and Gullar clubs was effected Thursday night by members of this season's Musical Circle and others interested. F. H. Fritz, '09, was elected manager and P. M. Way, '10, secretary of the combined clubs. Paul G. Stolz, '08, and F. K. Gibson, '09, were chosen leaders of the Glee and Mandolin clubs respectively. It is the purpose of the club to arrange trips and entertainments during next year.

## DICKINSON TURNS TABLES AT CARLISLE

Excluded from first page. Play in which Carey, Loveland and Ferguson figured. Carey pitched a good game, being especially effective when men were on bases and his meat runs. Whitmeyer also pitched a steady game, and only allowed the collegians five hits.

Millersville got their one run in the first inning, but after that were never dangerous.

## BUCKNELL WINS THE INTERCOLLEGIATE DEBATE

Continued from first page.

is adequate so far as it has to do with educating the masses to save their earnings.

One of the main points at issue was what should be made of the vast amount of money collected by the government should the system be established. The negative argued that the present national debt is not large enough to absorb all the deposits; that other profitable investments could not be had with absolute security; and that the government would take a burden upon itself in guaranteeing interest to its many depositors. Other points made by the negative were that the proposed system would be against the economic interests of the country and that it would threaten the political freedom of the people. An exceptionally strong and brilliant rebuttal won the debate for Bucknell.

Hon. H. M. McClure, president judge of the Seventeenth District, presided at the debate. The judges were Mr. J. H. Morgan, of Dickinson College; Mr. J. H. Fritzell, of State College; and Mr. George B. Milnor, superintendent of schools of Lycoming Co. Music was by Miss Ruth Bottorff.

The members of the victorious Bucknell team were: J. F. Hummer, '08, Chester P. Higby, '08, and Charles L. Bromley, '08. Gettysburg debaters were: S. F. Snyder, '09, C. S. Bream, '09, and W. C. Waltmeyer, '08.

**WOMAN'S COLLEGE LOCALS.**

Frances Cronin, Inst., is suffering from an acute attack of quinsy.  
Miss Goshart spent Wednesday night at her home in Danville.  
Elizabeth Lengel, Inst., spent the week-end at her home in Reading.  
Mrs. Catherall, of West Pittston, spent the past week with her daughter, Miss Catherall, 10.  
Delta Delta Delta were entertained by Phi Gamma Delta in their fraternity halls on Thursday afternoon.  
Pi Beta Phi were entertained very delightfully by Mrs. Wm. C. Grotzinger at her home on Friday evening.  
Mrs. N. G. Dickson, of Akron, O., spent Saturday and Sunday visiting her daughter, Winifred Dickson, 10.  
Frances Claffee, of Towanda, who was visiting her, spent Friday night at Muncy.  
Miss Faith Thompson, of Philadelphia, was the guest of Delta Delta Delta over Sunday.  
Miss Dyer, Secretary of the Young Women's Christian Association in Pennsylvania, New Jersey and Delaware, called on the Bucknell Y. W. C. A. on Tuesday.  
Miss Anna Wolfe, Inst., has been obliged to return to her home in Harrisburg on account of sickness in her family. She expects to return in the Fall to complete her course.

**ACADEMY LOCALS.**

Pugh was home over Sunday.  
The Academy was defeated by the Milton A. A. at Milton on Saturday by a score of 10-2. The game was played in a drizzling rain.  
On Saturday morning on the local diamond the Academy team defeated the Mifflintown team by the decisive score of 15-0. The feature of the game was the pitching of Hoyer for the Academy.

**Lawn Fete.**

The lawn fete, scheduled for Friday, May 15, from 3:30 to 5:30 p. m., was held at the appointed time, though not at the appointed place. The lawn was left to its fate while the fete was carried on under the welcome roof of the Institute schoolroom. As much of spring as possible was brought in in bunches of lilacs and violets, but all the clouds were left outside. In one corner of the room a fish and shell contest was held, but no one stopped before them failed to get a bite and few failed to return for a second bite. The fortune tellers' booth was courted by an insistent stream of inquirers for their fate, but evidently none were apporportioned so dismal and drear a fate as the "lawn" had been left to, for they all emerged from behind the magic screen with sunny countenances and continued to hail the passing ice cream and cake trays. Y. W. C. A. netted quite a neat profit through the kindness of the patrons whose spirits were not to be dampened by a wet lawn and who contributed to making the Lawn Fete a success in spite of forbidding circumstances.

**Alumnae Club.**

At the monthly meeting of the Bucknell Alumnae Club in the Institute Palace on Tuesday evening the following officers were elected for the ensuing year: President, Agnes Riley, Inst. '01, Vice President, Sarah E. Judd, Inst. '95, Col. '02, Secretary, Frances Scott Wilcox, Col. '02, Treas. Ruth A. Shorkley, Inst. '02, Col. '05.

**STATE SHUT OUT****IN GREAT GAME****VARSITY SCORES THREE RUNS**

In Pitcher's Battle between Northrup and Mittinger—Sensational Fielding on Both Sides.

Bucknell spirit triumphed over State skill on Saturday when the Orange and Blue defeated its old time rivals in the closest and most sensational game of the season by a score of 3-0. Confident of victory, the State team came here backed by its brilliant record on diamonds of big colleges this season. Bucknell could boast of no such great achievements as its opponents, but the men, instilled with a spirit that has over been conspicuous in all victories that stand forth most brilliantly in the college athletic annals, went into the game determined to do their best. The score shows how well they did it.

The contest marked the formal resumption of athletic relations between Bucknell and State after a breach of six years and the intense interest was manifest in the record-breaking crowd which turned the hill into a scene of gaiety. A small delegation of State rooters occupied the bleachers while the Bucknell students several hundred strong, were massed on the hillside, where aided by the Lewisburg band, they cheered their team to victory.

whose brilliant work brought victory to the game itself was one of the best that has been played here for years. Both teams were on their mettle and almost every inning was marked by a sensational play of some kind. The State men showed themselves worthy of the reputation acquired by their victories over Cornell and other big college nines this season. Their playing, however, could not exceed that of Bucknell. Every man played like a veteran and the whole team worked together with a wonderful smoothness. With the two teams so evenly matched, the brunt of the battle fell upon the pitchers. Mittinger, State's best twiler, was in the box for the visitors. He pitched a clever game but was excelled in every stage of the contest by Northrup, the Bucknell colors.

State was dangerous only in the first two innings. Cree walked in the first, stole second and was sacrificed to third by Coulson after McCarty had gone down on a foul fly to Sheehan. Hirschman was hit by a pitched ball and stole second. Workman hit to Northrup and retired the side.

Harvestick started off the second with a single to centre, was advanced to second on Voorhees' bunt which the latter beat out at first and stole third. With two men on the sacks and none out, Northrup struck out the next three batters, the last of whom was Captain Cree, one of State's heaviest sluggers. Jake repeated the trick in the fourth, when Workman, Harvestick and L. Voorhees fanned the air. In the seventh Ferguson attempted to stretch a two-bagger to left into a triple but a quick return by Dawson cut him off at third.

With three men on the bases in the first and third innings, Bucknell was unable to get a man across the rubber. Loveland drew a base on balls and Leach was safe on Mittinger's overbrow, which gave each of the runners an extra base. Nye hit to short and Loveland was caught between third and home. Mittinger passed Sheehan and filled the corners. Clark struck out and Mittinger and Hirschman retired Northrup at first.

**Student Delegations at Northfield Conference****Conference Proper.**

Much as can be said for the athletic and social life at Northfield, the greatest value of the conference is gained from the morning and evening meetings. In these gatherings you hear leaders of men; men of great calibre and breadth of thought; thoroughly up-to-date and above all sincere. These men discuss practical, live questions, questions which meet a man in his every day life, and questions which every man must answer.

There are three meetings in the morning:  
1st. Bible Study—Offering a number of different courses.  
2nd. Mission Study—Offering courses in home and foreign problems.  
3rd. General Conference. This meeting is addressed by some prominent

**Northfield Entertainment.**

On Friday evening, May 29, the students of Bucknell and the citizens of Lewisburg will have the opportunity of listening to one of the best musical and literary treats of the year, the concert being given in Bucknell Hall under the auspices of the Northfield committee.

The entertainment will be given by the best Bucknell talent that can be secured. Besides vocal and instrumental solos and readings, the Glee Club will sing and the Mandolin and Guitar Club will render a few of its popular selections.

The Baptist choir, under the leadership of Prof. Stolz, has consented to give the choruses of the Easter cantata, "Christ the Victor." The college quartette has been engaged. This last attraction is worth the whole price of admission.

Reserve Friday night for the concert and help give Bucknell a large representation at Northfield.

**Recreation.**

One must not suppose that because it is a Y. M. C. A. conference that every moment of the time is given to religious meetings. Not so every afternoon is given over to recreation. Baseball games, tennis tournaments, cricket matches, tramps a field and track day, bathing and a Fourth of July bonfire are some of the permanent numbers of the Recreation Program, while each year has a number of special "stunts" to vary the monotony for those who attend regularly.

Probably of those mentioned above the Fourth of July celebration stands for the climax of enthusiasm. In the early evening the different delegations gaily adorned in their college colors, some with hoods, others sashes and armbands, march into the

Obstacle Race.

Round Top Meeting

man who has a message and can deliver it effectively.

The evening meetings begin with a service at sunset on Round-top, in the beautiful out of doors. Here, looking out upon one of the most beautiful valleys in Mass., in a spot made sacred by the grave of D. L. Moody, life work problems are discussed. Men from all parts of the world tell how some of the finest blood of our country is being given for the sake of bringing light to the heathen. Besides, Missions, Christian Journalism, Medicine, Teaching, Y. M. C. A. Secretary.

Following the close of college each year comes the great Students Conference at Northfield, Mass., where hundreds of students gather under the most successful Christian workers in the world. This conference besides being a great spiritual help to the men who attend as delegates, is also a means of comparing the religious atmosphere of the different colleges, for the number of delegates sent to the conference is regarded as the best evidence of the religious life of each institution.

No one at Bucknell, whether he has been actively engaged in Christian work or not, likes his college to be classed inferior to the colleges of our own standing in this respect. Yet as we compare the size of our delegations to the Conferences, with the other colleges we are forced to the back ground. Yale sends over a hundred men; Harvard forty; Princeton and Pennsylvania fifty to sixty. But these are out of our class. When State College, Dickinson, and Gettysburg have been sending an average of fifteen men Bucknell has been sending two, three and once as many as four. Worse than that—when Bucknell sent two delegates there was not a "prep" school in Pennsylvania represented with as few men, and in most cases, the "preps" were represented by a much larger delegation.

Now Bucknell is not below the average college in religious life. Where she does lack is in having men who are unwilling to sacrifice personal interests for the sake of the work. The summer is a time for precocious rebirth and the old maxim—"Make hay while the sun shines"—rules supreme. But may we not appeal to every man who is at all interested in Christian work at Bucknell, to make the sacrifice this year and become one of the largest delegations ever sent by our college to Northfield? Stop looking for excuses. Why should you not go? A splendid outing, a beautiful trip, a helpful conference and above all a new zeal fired with enthusiasm for the work at your college.

Does this appeal to you?

## STATE SHUT OUT IN GREAT GAME.

concluded from first page  
Loveland walked again in the third, was sacrificed to second by Leach and advanced to third on Nipple's hit which went through Workman. Sheehan died at first. Clark was hit by Mittinger and the sacks were full again when Croe gathered in Northrup's short fly over short and retired the side. A two-bagger to left by Hawk was the only feature of the fourth. The side was retired in order in the fifth and sixth.

The big rally came in the "lucky seventh." Dawson walked and advanced to third on an overthrow by Mittinger on Hoffman's bunt. Hoffman stole second. Loveland sacrificed on a bunt to Mittinger and Dawson slid to the plate for the first run of the game. Catcher Vorhies dropped the ball and then threw wild to second. Hoffman reached home for the second run. Nipple kept up the jubilee by a timely single and circled the bases on Sheehan's drive to the railroad tracks. Clark was hit but was forced out at second by Northrup's grounder to Croe. Three runs.

The victory was all that was needed to revive the enthusiasm of days of old and the long pent-up enthusiasm gave vent Saturday night in one of the biggest demonstrations that has aroused Lewisburg in recent years.

Earned run, Bucknell. Two-base hits, Hawk, Ferguson. Sacrifice hits, Croe, Coulson, Hirschman, Leach, Sheehan. Left on bases, State 7, Bucknell 8. Stolen bases, Croe, Hirschman, Haverstick, L. Vorhies, Hoffman. Struck out, by Northrup 9, by Mittinger 3. Bases on called balls, off Mittinger 4, off Northrup 2. Hit by pitched ball, Hirschman, Clark 2. Umpire, Wolfinger. Ballentine.

The varsity added another game to its victory column, and Northrup again distinguished himself as a pitcher on Wednesday at Selling Grove, where they defeated the strong Susquehanna team 3 to 0. Our sturdy pitcher struck out sixteen men in the course of the game, and did not let a man get his base on balls. Musser also pitched a good game for Susquehanna only allowing four hits. Nipple was the star of the game in batting getting three hits. Hawk also contributed a timely double.

## CONFERENCE PROPER.

Continued from first page.  
ship and the ministry as professions, are discussed. Here, if anywhere, a man is brought face to face with life and with the highest ideals before him is led to decide on his life work. After the Round-top meeting a general conference is held. This meeting is addressed by such men as John H. Mott, Robert E. Spear, Prof. E. I. Bosworth. Besides these regular meetings, "Round Ups" are held at which the

John R. Mott and Robert E. Spear.

men gather to discuss work in their different institutions, and to lay plans for increased activity. The spiritual atmosphere at all these meetings lifts a man above the small things of life; he feels every inch a man in the freedom where-with Christ has made him free. The college man of today cannot afford to be without the broad, open view of life which Northfield can give him.

State Wins in Tennis.

The State-Bucknell tennis tournament held on the Merry Widow Court proved a defeat for the home team. The game, however, was fast and most interesting from start to finish and it was only by the hardest playing that State finally won out. The home team lost in doubles and won in singles. It therefore became necessary for an extra single match to be played in which the visitors won. The following score will confirm the fact that the game was interesting and close:

Scores: Douglas, Harris and Lowry vs. Waha and Twadell, 6-3, 6-4, 2-6. Singles: Harris vs. Lloyd, 7-5, 2-6, 6-0. Lowry vs. Twadell, 2-6, 3-10. Umpire, Prof. Phillips; Referee, Prof. Ballentine.

President's Reception

President and Mrs. Harris gave a reception to the Seniors of the college, Institute, School of Music and Art, on Thursday evening. Over a hundred guests were present.

### COLLEGE LOCALS.

James Groff, '09, at a meeting of Company - N. G. P., of Lewisburg, on Monday night was elected second lieutenant.

The track meet with Franklin and Marshall scheduled for Friday, June 18, was cancelled early in the week by the Lancaster college.

Bucknell has no game scheduled with State College on June 18, as the report sent out from the latter institution would have it.

Kappa Sigma entertained over Sunday: Caruthers, '08, Thomas, '08, Reiter, '09, Stokes, '10, Barton, '11, of State College, and Smith, '07, of Lehigh.

Among the alumni visitors at the State game were: Robert Leighton, '06, R. W. Thompson, '04, Clay McCornick, '06, E. S. Burrows, '07, Gordon Evans, '07, W. W. Porter, '05, Earl Phillips, '05, P. P. Decker, '08.

Steele and Hunter were the committee in charge of a delightful informal dance given in the Armory Saturday night. About forty couples were present, including a number of out-of-town guests. Music was furnished by Reimyer's orchestra.

Prof. Perrine addressed the "Way of Life" meeting on Sunday afternoon. "Life," he said, "is a game between man and himself, not between the individual and the rest of the world." The address was interesting and helpful. P. G. Stolz, '08, sang a solo.

### WOMAN'S COLLEGE LOCALS.

Edna Miller, last, '08, spent Sunday visiting in Bloomsburg, Pa.

Mrs. Watson, of Philadelphia, is the guest of her niece Sara Ray, '10. Mr. William Steinfurst of Titusville, Pa., is visiting his sister Anna Steinfurst.

Miss Lulu Buddinger, of Mt. Carmel, spent the week visiting Mabel Johnson, '10.

Bess Harpel, ex-'06, of Mount Carmel, Pa., spent Sunday with her sister, Edith Harpel, '11.

Rev. Schillinger, of Martin's Ferry, Ohio, spent the past week visiting his daughter, Miss Edith Schillinger.

Mr. and Mrs. William Chappell, of Scranton, Pa., visited their daughter Margaret Chappell, '11, on Sunday.

Louise Albright, of Muncy, Pa., formerly a student in the Institute, came down for the May dance on Saturday.

The Misses Alice and Helen Bone, of Bloomsburg, N. J., visited their sister Hazel Bodine, last, '08, over Saturday.

Lillian Turner, '09, entertained her mother, Mrs. A. E. Turner and her uncle, Mr. E. L. Thicker, both of Philadelphia, on Friday and Saturday.

Katherine Vastine, formerly a student in the Institute, came over from her home in Danville, Pa., to visit Bucknell friends and to attend the State game on Saturday.

The Misses Louise Leever, Clara Walsh, Edith Karbach, Zella Fenn, and Elsie Dauby, of Buffalo, New are the guests of Hannah Hubb, Institute, at her home on University Avenue.

### ACADEMY LOCALS.

The Academy baseball team will play two games at Watonsontown on Memorial Day.

Perry entertained his cousin, Mr. Delance Jones, of Girardville, Friday and Saturday.

The Academy tennis team, composed of John and James Harris, defeated the Senior team on Thursday evening. Scores, 6-1, 5-7, 6-4. In a game with the "Merry Widow" team on Wednesday the score stood 8-8, when rain interfered.

**Schedule of Examinations Spring Term, 1908**

## Varsity Loses Close Game to Fordham

FORDHAM 3; BUCKNELL 0.

Although Outbattling and Outplaying Opponents, Varsity Falls to Bunch Hits and Losses.

The strong Fordham baseball team defeated the Varsity on the former's grounds in New York City on Friday by a score of 3-0. Bucknell outbatted and out-played her opponents, but could not secure hits at the right time.

Fordham scored an earned run in the third inning on a single and a three-base hit, but outside of this Northrup did not allow a safety. The two runs in seventh were the result of a base on balls, a fielder's choice, a sacrifice and an error.

Nipple led at bat for Bucknell with two singles. The whole team fielded well, but the errors came at critical times. As Fordham has won from Yale, Lafayette, West Point, and other strong teams this year, the Varsity has no cause to be ashamed of its showing. The game with Stevens on Saturday was prevented by rain. The Fordham score follows:

Bucknell.	R.	H.	O.	A.	E.

**Reserves, 7; Lock Haven, 3.**  
The Reserves easily defeated Lock Haven Normal on the Athletic Field by the score of 7-3. Baldwin kept the hits of his opponents well scattered and was aided by good support at critical times. Blair's running catch of a line drive between center and right was a feature. The score:

**Tennis Results.**  
The semi-finals in inter-club tennis were played last week with the following results: Phi Kappa Psi won from Sigma Chi, and the Merry Widow from the Nippers by default; Kappa Sigma was defeated by Phi Gamma Delta, and the latter also won from Phi Kappa Psi. This week Merry Widow plays Delta Theta Upsilon, the winners to meet the Phi Gamma Delta.

The singles for the college championship will also be played this week.

**Meeting of B. U. A. A.**  
The annual Spring meeting of the Athletic Association will be held in the gymnasium Saturday morning at ten o'clock. Assistant managers of Basketball, Baseball, Track, and Tennis will be elected, in addition to one alumnus, one faculty and two undergraduate members of the Executive Board.

**Interclass Track Meet.**  
An interclass track meet between the Sophomores and Freshmen will be held on the Athletic Field Wednesday afternoon at 4 o'clock. Silver and bronze medals will be given to those winning first and second places in each event. The first year men came out best in the regular interclass meet but their advantage will be off set by the new ruling that places no limits on the number of events one man may enter. With this in their favor, the Sophomores promise a close contest.

**Withal, it will be a gala day.**

New East College

The second floor of the New East College will be ready for occupancy at the opening of the Fall term. Rooms will be assigned on this floor at the usual time in June. Due notice will be given on the bulletin board.

## "WHERE, O, WHERE ARE THE GRAVE OLD SENIORS?"

BACK TO THE DAYS AND SCENES OF THEIR CHILDHOOD TO CELEBRATE SENIOR DAY

The Senior class will celebrate re-union from work on Thursday, the beginning of Senior vacation, by a parade, track meet, and other festivities in accordance with the importance of the occasion. "Senior Day" has become an annual jubilation and is preparing to keep up with former classes in the way of original stunts and good times.

There will be a parade, of course. Although the line of march is not fully decided upon, it will be somewhere about the streets and back alleys of Lewisburg, with numerous hats and countermarches. The costumes will be original to say the least. The committee in charge has decreed that time turn backward and "make us boys again." Time has consented and now the attires will be ransacked for the knickerbockers and blouses that have long since been outgrown. We may see an array of costumes ranging anywhere from "Little Lord Fauntleroy to the "kid" from the Bowery. The only qualification is that the Traders dress like children.

After the parade the children will indulge in a few harmless games, and pastimes, such as marbles, hoop-rolling, contests and the like. The final event will be a track meet on the athletic field. The number of entries received insure an interesting if not close contest. "Lat" Piersol and "Zeke" Baldwin will pole vault; "Prexy" Stratton and "Buster" Booth will throw the hammer (not a tack hammer); the high hurdle and broad smile will be well taken care of.

In the high hurdles "Zeke" Royer will run against "Buzzer" Hammer. "Lat" Savidge will do an exhibition quarter in an endeavor to beat his own record. After the track meet there will be a practice drill of the University Hospital Corps and the medical preparatory students will take a practice course in "first aid to the injured." For the advocate of the simple life, a spelling match will be held in the gymnasium.

Withal, it will be a gala day.

### Program of Junior Exhibition.

The program of the Junior Exhibition was limited last week owing to lack of space. The list of speakers, together with their orations, follows:—

Gertrude Lillian Turner—The Ultimate Religion.

Earl Guilford Guyer—The Moral of the Prize-fight.

Sara Ellen Walters—The Redemption of the Human.

Newton Cromwell Peltier, Jr.—An Undeveloped Faculty.

Katherine Elizabeth Heinen—The True Education of Woman.

Matthew Emerson Haggerty—The Popular versus the Moral Hero.

**Bucknell Calendar.**  
A 14-page Bucknell calendar, published by P. A. Waltz, an Academy student, has just been issued. The calendar is printed on heavy linen paper with thirty loose cuts in sepia and makes a very attractive appearance. The lettering on the cover is in orange and blue. The cuts are all new, including this year's baseball and track squads, vest college and other views never before published. The calendar may be secured from Waltz for fifty cents, or it will be sent to any address postpaid on receipt of price.

**Schedule of Examinations, Spring Term, 1908.**

Monday, June 8th.—Monday Lectures, at 8:15.

Tuesday, June 9th.—11:15 Classes, at 2:00.

Wednesday, June 10th.—8:15 Classes, at 8:15; 1:15 Classes, at 2:00.

Thursday, June 11th.—9:15 Classes, at 8:15; 2:00 Classes, at 2:00.

Friday, June 12th.—10:15 Classes, at 8:15; 3:00 Classes, at 2:00.

No excuses for absences will be granted after Tuesday, June 8.

**Interclass Track Meet.**

An interclass track meet between the Sophomores and Freshmen will be held on the Athletic Field Wednesday afternoon at 4 o'clock. Silver and bronze medals will be given to those winning first and second places in each event. The first year men came out best in the regular interclass meet but their advantage will be off set by the new ruling that places no limits on the number of events one man may enter. ## COLLEGE TALENT IN EXCELLENT ENTERTAINMENT

BENEFIT OF NORTHFIELD FUND.

Students of Music and Elocution Aid Musical Organization in Best Thing of Its Kind This Year.

A large audience attended the entertainment given by college talent in Bucknell Hall Friday night. Each number on the program was presented in excellent fashion and enclosures were frequently called for. The readings of Misses Buford, Stage and Harro showed both talent and training, and the musical part of the program was good throughout.

The College Glee Club, recently organized, made its first public appearance and rendered two Bucknell songs that bid fair to become popular once they are known. One, "The Orange and Blue," words by Mary Bartol-Thiele, '14, and music by Dr. Avramet, is a college song of the "Fair Harvard" and "Alma Mater," of Cornell type, and is worthy of adoption as the Bucknell song.

The proceeds of the entertainment will go toward the Northfield Fund of the college Y. M. C. A. The program:

**PART 1.**  
"Happy Birds"—College Mandolin and Guitar Club.  
Monologue—"At the Theatre"—Miss Elizabeth B. Mulford.  
Piano Solo—"Dance Caprice"—Miss Ruth Hotoff.  
Vocal Solo—"The Bell on the Lighthouse Rings"—Mr. William Parsons.

**PART 2.**  
"The Orange and Blue"—Bucknell Glee Club.  
Clarinet Solo—"From 'Suppe'" Miss Jeanie F. Mohrliug.  
Reading—"The Coming Out of Mrs. Cunningham"—Miss Helen Harro.  
"Hunters' Chorus"—Bucknell Quartette.

**Freshmen Defeat Juniors.**  
The first of the interclass series of baseball games was played on last Tuesday afternoon between the Juniors and Freshmen teams, and resulted in an easy victory for the Freshmen.

The results of the State Intercollegiate Track and Field Games at Harrisburg show the wisdom in the contention of some of the participants that the Indians should not be allowed to compete in such a meet. The Carlisle men are athletes, without a doubt, and deserve all the credit and honor their athletic teams bring them; they are in a class by themselves. But there cannot be the same spirit of competition and rivalry on the part of the colleges in the meet when the result is a foregone conclusion. The Indians, with their training throughout the year, and in several cases, throughout many years, have an advantage against which other athletes cannot compete. For the success of the meet itself, the Indians should not have been admitted.

The Bucknell songs introduced by the Glee Club at Friday night's entertainment, destroys the idea the college has been laboring under, that we had no representative song. Our so-called lack has been remedied and regretted in many meetings and "Orange and Blue" for many years. Prizes have been offered and awarded, but none of the results seemed to suit the college laws. All the time the search for something new was being made we had a selection that meets all the requirements for the typical college song, written by an alumnus, and which would have been ours for the asking. Let every undergraduate learn the song, "The Orange and Blue," before commencement.

About this time of the year there is an apparent restlessness on the part of some of the students to leave school and start the summer vacation. As soon as examinations are finished a great many fall victims to the homesickness, wanderlust, desire to work and leave before commencement. It is a significant fact that those who do not stay for the last week are underclassmen or those who do not know what commencement week is. We venture that if they try it once they will not miss another. The term doesn't end with the examinations, and those who have this idea would be better rid of it. It's safe to say that you would stay if you knew, but we can't tell you; you have to see for yourself.

It is to be regretted that Memorial Day is allowed to pass each year without any effort on the part of the college to honor the heroes of the "War of '61." So far as observance goes the day may as well be termed "Thesis Day" by most of the students. There should be some way to honor the men who left college during the stirring times of the Civil war to enlist, many of whom lie buried in the Lewisburg cemetery. Simple exercises might be held some time during the day in Commencement Hall, where the memorial tablet could be decorated and an appropriate orations delivered.

## Rates for Commencement

The Trunk Line Association has arranged for railroad rates for the Bucknell Commencement of two cents a mile straight. Card orders may be obtained on and after June 1 at the Registrar's office, which will secure for the holder the rate of two cents a mile from any point in Pennsylvania; tickets to be sold and good, going, June 11 to 17, returning to June 20, inclusive. These orders may be secured for all persons desiring to attend the Commencement.

## Coach Subscription.

This week will be the last opportunity or those who have not paid their subscription toward the football coach for last fall to settle up. A list of those who have paid, together with those who have not, will be published either in the next number of the Orange and Blue or the first edition of the Commencement News. If you wish your name to be in the right list, see Manager Thompson at once.

## Indians Win Meet.

The Carlisle Indians easily won the first annual track and field meet of the Pennsylvania Intercollegiate Athletic Association, held in Harrisburg on Memorial Day. Eleven colleges competed, the final score being: Carlisle, 32½; Lafayette, 35; W. U. P., 18; Penna. State, 10½; Swarthmore, 15; Dickinson, 11; Lehigh, 2; Washington and Jefferson, 2; Gettysburg, 1.

## Second Floor Ready.

The second floor of the New East College will be ready for occupancy at the opening of the Fall term. Rooms will be assigned on this floor at the usual time in June. Due notice will be given on the bulletin board.

## Intercollegiate.

Penn. this year loses by graduation ten of the thirteen stars of the intercollegiate meet. On April 3rd, a real live circus with "all the thrills of the three ring variety," was on the calendar at Penn. It took place in the gymnasium.

Harvard defeated Cornell in their annual boat race on the Charles river Saturday. The Crimson maintained the lead throughout and finally won by about ten lengths.

Northwestern University will hereafter give credit for work done in athletics, provided the work be of such regularity and efficiency that it will be equivalent to four hours credit in the gymnasium.

Massachusetts Institute of Technology offers \$75 in prizes for the best drawings for the year book, the Technique, M. I. T. will offer graduate courses leading to the M. S. degree next year for the first time. It has been reckoned that the college student in this country on the average pays only twenty-seven per cent. of the total expense of his course. This is due to the government help and the large endowments which institutions of learning have been able to obtain.

Cornell won the annual intercollegiate track and field meet held on Franklin Field, Philadelphia, Saturday. The Ithacans registered 34 points against 29½ for Penn., her closest competitor. Yale, Harvard, Dartmouth, Michigan, Swarthmore, Columbia, Princeton and Syracuse also won points in the finals.

## Best Refrigerators at Lowest Price

The best because they use the smallest consumption of ice, produce the greatest amount of cold dry air, preserve the food the longest of any make.

They are built according to nature's principles—that warm air rises and cold air falls. In the Alaska makes the air circulation is as perfect as the blood circulation of the human body—in these there is never any moisture in the provision chamber, only dry air. Every one made of hard wood, charcoal lined, lined with best quality zinc, spring lock.

**Baseball Games.**  
The "Wup" baseball team will be here Friday for the first of two games, the second to be played the following Monday. "Wup" is strong in baseball this year and a good game is promised. On Saturday, the Sophomore-Freshman game will be the attraction. Besides the rivalry between the two classes, the fact that this game will decide the championship of the college adds interest. Manager Hayes is endeavoring to arrange a game with Milton at Milton on Tuesday of Commencement week.

**L'Agenda Subscribers, Attention.**  
The Manager of the 1909 L'Agenda has remaining a number of copies which were subscribed for but not called for. The delinquent purchasers will save him a great deal of trouble by attending to the matter.

## Spring Election of B. U. A. A.

The Athletic Association held its annual spring meeting in the gymnasium Saturday morning at 10 o'clock. Nominations were made for Assistant Managers of baseball, basketball, tennis and track teams, one faculty, two alumni and two undergraduate members of the Executive Board. Prof. Llewellyn Phillips was unanimously elected as the faculty representative and H. T. Meyer, '06, and C. B. Comstock, '06, as alumni members. The final result of the other contests was held up, pending the decision of the Executive Board whether or not the votes of the Academy members of the Association be counted.

After the meeting the members of the Executive Board were seen and they declined to have anything to do with the matter, saying that it was a question of interpretation of the constitution and for the president of the Athletic Association to decide. His decision is given below.

"At the annual spring meeting of the Bucknell University Athletic Association, held in the gymnasium Saturday, June 6, the following were elected:

Assistant Manager of Baseball—F. D. Reemer.

Assistant Manager of Basketball—A. W. Dawson.

Assistant Manager of Track—G. B. Schroyer.

Assistant Manager of Tennis—P. L. Benson.

Assistant Treasurer—H. D. Kresge.

Undergraduate members of Executive Board, D. G. Humm and R. A. Fetterman.

President B. U. A. A.

Senior Memorial.

The foundation of the 1908 Memorial Gate were completed last week and the workmen are now waiting for the arrival of the brownstone bases and caps. These are expected at any time, and the posts will likely be completed by Commencement.

out at first on a ground hit, and Dewire struck out. In the fourth, Niple scored on a base on balls, a steal and a fielders' choice. In the fifth, Northrup secured Bucknell's first hit, a snatching single to center. He was sacrificed to second by Hawk, but the next two struck out. There was nothing more doing until the ninth. Dewire drew a base on balls and was sacrificed to second by Loveland. Niple was also given a base on balls and both runners advanced a base on Sheehan's out at first. It looked like an extra-inning game, but Clark was there with the necessary hit and Dewire scored.

## WOMAN'S COLLEGE LOCALS.

Lola Ulrich, inst., spent Sunday visiting in Sunbury.

Beta Delta Pi picniced at Wolf-land on Saturday.

Sue Weddell, ex-'09, of Cleveland, Ohio, is back for commencement.

Miss Florence Siegel, of Denver, Colorado, is the guest of Miss Sifter. Mrs. Enoch Perrine entertained Pi Beta Phi at an informal porch party on Tuesday afternoon.

Miss Elizabeth Hart, of Wilson College, Chambersburg, visited Dora Raymond, '11, on Thursday.

Pi Beta Phi and Delta Delta Delta had their annual springtime picnic at Blue Hill on Saturday.

Mae Jones, '08, left on Friday for a brief visit to her home in Frank-lin, Pa., on account of the illness of her mother.

Priscilla Hardesty, ex-'10, who has been Musical Instructor in the public schools of Derry, Pa., is back visiting friends.

Elise Owens, '08, entertained the girls of 1908 at a very delightful porch party at her home on South Sixth St. on Friday evening.

The Deutscher Verein held its last meeting for the year 1907-08 on Thursday evening and elected the following officers for next fall term: Pres., Herr Elson; Vice Pres., Fraulein Webb; Sec'y., Fraulein Shamp; Treas., Fraulein Ciber; Critic, Fraulein Wensel. Before the meeting closed Herr Professor Riemer gave a very comprehensive, interesting, and withal encouraging resume of the work done by the Verein during the year just past.

## ACADEMY LOCALS.

Miss Mary Evans, '09, was the guest of Mrs. Thomas on Sunday evening.

Post is entertaining his sister, Miss Vivian Post, and his friend, Mr. DeForest Franklin, of Dalton.

Prof. and Mrs. Thomas gave a reception to the members of the Fourth Form, their friends and the Faculty on Friday evening. The parlors were decorated very tastefully in the class colors. Music was furnished by the Imperial Orchestra. About fifty guests were present and enjoyed the evening.

## INTERCOLLEGIATE

Columbia has established a professorship of humanity, probably the first of its kind in the world.

Upon the abolition of football at Swarthmore, plans are being considered to make baseball the leading sport.

The University of Utah has adopted a girl's cross-country run. It is said to be quite popular among the coeds; marvelous results.

Two students were recently expelled from the University of Illinois for drunkenness, and for supplying other students with liquor.

Mayor Hall, of Colorado Springs, an enthusiastic advocate of cat culture, has endowed Colorado College with 100 pedigreed cats.

The crew of Syracuse University will be guided by a Chinese coxswain when it rows in the big Poughkeepsie regatta next summer.

Michigan will, in all probability, soon have a theatre of its own. The project has been under way for some time and is being pushed by prominent faculty members.

Next year students at Wisconsin who are conditioned will not be permitted to compete in intercollegiate debate or oratory, be members of the editorial board of any student publication or be members of any musical or dramatic organization giving entertainments outside of the university.

The Art Room of the Library is being renovated and rearranged for commencement.
